MEAL ACCOMMODATIONS POLICY

SPECIAL DIETARY NEEDS POLICY

Our goal is to provide quality meals for our guests. While we cannot satisfy everyone's food preferences, we do make every attempt to accommodate special dietary needs for those individuals who have been **medically diagnosed** with food allergies, food intolerance or food sensitivity conditions. Guests with these documented dietary needs should inform the Cook Canyon Food Services Manager **2 weeks** prior to the event at **575-937-2062** or cookcanyon@nmministry.net.

VEGETARIAN AND/OR VEGAN DIETARY NEEDS POLICY

For those who favor the vegetarian or vegan diet we have a menu that should help meet the needs of those individuals. The following is generally available:

- Cereal & Oatmeal at breakfast.
- Fresh Fruit
- Salad and cooked vegetables at lunch and dinner.
- A meat substitute may be offered if available.

Please note: Prepared food items are not guaranteed to be meat-free.

MEAL ACCOMMODATIONS POLICY DISCLAIMER

Our food production staff identifies ingredients that may cause allergic reactions for those with food allergies and every effort is made to instruct our food production staff on the severity of food allergies. However, there is always a risk of contamination. There is also a possibility that manufacturers of the commercial foods we use could change the formulation at any time, without notice. Customers concerned with food allergies need to be aware of this risk. Furthermore, Cook Canyon does not assume any liability for adverse reactions to foods consumed or items one may come in contact with while at Cook Canyon.
