Mission

Providing statewide proactive leadership on Waste Reduction and Recycling through Education, Advocacy, Collaboration, Programs and Services.

Vision

To serve as a professional-level interface and resource...

To provide members professional development opportunities…

To inform the public, law-making bodies, the business community, and those involved with solid waste management of the environmental and economic importance…

...for all areas of waste reduction, recycling, product stewardship and resource recovery.

Membership Benefits

Access to our Members-Only section of the website, featuring shared resources, membership contact information, educational materials, and campaigns.

Participate in online topic-driven Discussion Groups that address questions and/or share information ranging from bid proposals, local ordinances, policy issues and education campaigns.

Guide and advance AROW's initiatives through participation with our **Advisory Committees.**

Influence state-wide resource management **legislation and/or policies.**

Recognition as an AROW Member with customers, colleagues, media and policy makers.

Support broader initiatives through AROW's **affiliation with national organizations.**

Join Us Today

AROW brings together a dynamic cross section of industry professionals from both private and public sectors, all dedicated to waste reduction, recycling, product stewardship and sustainability in Wisconsin.

Learn more about us, our membership, and our initiatives online at **www.arow-online.org.**

AROW

ASSOCIATED RECYCLERS OF WISCONSIN

Leaders in Resource Renewal

Serving Wisconsin's Recycling, Waste Reduction & Sustainability Professionals

Business | Government | Non-profits
Trade Associations | Emerging Leaders

Founded in 1990 …
and still going strong!

Accomplishments

2016

- Glass Task Force completed report and provided final recommendations

2015

- Outstanding Recycling Organization Awarded by the National Recycling Coalition
- Helped preserve grant funding to Responsible Units for their recycling programs

2010

- Influenced the development of Wisconsin's Electronic Recycling Law

Committees

The Advisory Committees are made up of members to assist the board with projects related to the below topics. Committees are open to all members to participate. They have been instrumental to achieving our accomplishments. If you are involved in one of the listed topic areas we'd love to have you on one of our committees.

Committees consist of:

- **Community Education**
- **Government Affairs**
- **Hazardous & Special Waste**
- **Organics & Food Residual**
- **Product Stewardship**
- **Public Place Recycling**

Emerging Leaders Program

Emerging Leaders of AROW
Associated Recyclers of Wisconsin

The Emerging Leaders Program is designed for young working professionals and university students interested in reducing waste, recycling more and being a part of Wisconsin's waste resource management industry.

The Program serves to bring new energy to the industry and provides opportunities for young people wishing to embark upon a rewarding career in recycling, waste reduction and sustainable materials management.

A few key points of the Emerging Leaders Program include:

- A mentoring program-partnering Emerging Leaders with experienced professionals.
- Ability to participate in all AROW advisory committees.
- Social & professional development activities.

Recycle More Wisconsin Program

Recycle More Wisconsin aims to bring together communities across Wisconsin to prevent valuable recyclables from going to waste in our landfills.

To achieve this goal we are providing education on the benefits of recycling and the opportunities to recycle at home, work, school, and all public places.

There are opportunities for everyone to be involved:

- **Sponsor**
- **Advertise**
- **Join us on Social Media**
