Flabellum Chain

Skill Level: Intermediate

Prerequisite: Right Angle Weave & Peyote Stitch

Instructor: Charlene Abrams

Class Price: $43

This flexible chain with its mirrored fan-like components stitches up relatively quickly and easily. While not suitable for those with no beading experience, it should be within reach of most seed beaders with a few projects under their belts.

This chain works equally well for a necklace or bracelet, and single motifs (with the optional addition of a dagger or small side-drilled drop bead) make charming little earrings or make shoulder-dusters using two or three motifs!

Optionally add the Flabellum Pendant (Thursday January 4th, 6-8pm) in the centre of the chain for a statement necklace or bracelet.
