GAME INFORMATION

Rich Wilde and the Book of Dead is a 5-Reel game.
Up to 10 lines can be activated, lines are numbered and always activated in numerical order (1, 2, 3, 4, etc.).

The Scatter symbol acts as a Wild, and substitutes for all other symbols.

3 or more Scatter symbols trigger Free Spins. An initial 10 free spins are awarded.

Before a free spin sequence begins, an ordinary symbol is randomly chosen to act as a special expanding symbol during the entire free-spin sequence. After prizes for regular winning combinations have been recognized, the special symbol may expand to cover all three positions on its reel. The special symbol will expand only when additional prizes can be awarded along active paylines for winning combinations. Expanded symbols do not need to appear adjacent to each other to result in a winning combination.

3 or more Scatter symbols re-trigger Free Spins. An additional 10 free spins are awarded.
