Here at
NAPOLI

we pride ourselves

on quality food & outstanding customer service.

Paul & Paulie bring over 20 years of combined restaurant experience & are confident that you will taste the quality in every bite.

Paulie & Paul, who are often mistaken as brothers, are no strangers to working together. The two have worked hard & are proud to have made Tony's Pizza, in Flagler Beach, a household name. Together they have grown & expanded their brand while continuing to place an emphasis on the dining experience. "Napoli is great for us, this restaurant has a much bigger kitchen which allows myself & our staff to put our culinary skills on display. Being in a kitchen like this makes me excited to come to work," Paul Brum.

"When you come to Napoli, you can expect quality" Paul & Paulie
