News from the Principal Monday 18th February

Learning with Pride, Passion, Purpose and Persistence.

Year 6 Uniform

Our new Year 6 Uniforms have arrived and they look fantastic. This is a special uniform just for Year 6 students, to celebrate their final year of primary school. The students worked with clothing company SSA to select their own designs. Lots of school pride shown here!

Badge Presentations

A reminder to all parents and guardians that we will be holding our badge ceremony for our Year 6 Leaders and SRC representatives next Monday the 25th of February at our assembly at 9am. All community members are welcome to attend.

Chin National Day

Many of our families will celebrate Chin National Day on Wednesday the 20th of February. Chin State is a state in western Myanmar. Chin National Day originated in 1948, when Chin representatives voted to adopt democracy for electing local and state leaders. On Wednesday, students are encouraged to wear or bring their traditional clothing or other culturally significant items to share with their class. We will also be heading down to the Farm Tent, which was built in our Garden of Diversity by members of our Chin community, to learn more about traditional farming life.

Family Fun Night

We are all looking forward to Family Fun Night this Thursday night from 5.30-7pm. Please feel free to bring along a blanket or fold up chairs and a picnic dinner or snacks to share with your family. There will be races and fun for everyone, including the grown ups! Please be aware that **all students must be supervised by an adult. Students are not to be dropped off, or walk to and from the event on their own.** Any students who do not have adult supervision will be asked to be collected by their parents/guardians.

STEM Update

This week in the senior school, we focused on Engineering with some great building challenges. Students were asked to create towers out of newspaper and tape, and bridges from matchsticks and bluetac. We discussed the idea of a model or prototype, which can be used to test out design ideas. To be successful in a design challenge, students must work together, using excellent communication, team work skills and persist when things don't go to plan!
