Cupertino High School Associated Student Body

ASB ACTIVITY POINTS

2017-18 School Year

Cupertino High School rewards students who participate in co-curricular activities with activity points that are not athletically earned (there is a separate point system for athletics). For each category, each student must obtain the appropriate signature. Activity point sheets must be submitted before May 3rd in order to receive recognition at Senior Awards Night. Underclass points will be saved for inclusion with their final senior year tally.
