MISSION

TO PROMOTE MENTAL WELLNESS THROUGH EDUCATION, EMPOWERMENT, AND SUPPORT.

VISION

A HOPEFUL, RESILIENT COMMUNITY THAT EMBRACES WELLNESS.

VALUES

COMPASSION Using a trauma-informed care lens, empathy, kindness, and acceptance drive our interactions with others & ourselves.

HOPE We believe hope is the foundation of, & the bridge to, recovery.

RESILIENCE We empower one another to embrace strengths & learn new skills when faced with adversity. Self-care & core principles of mindfulness create life balance for ourselves & those we serve.

EDUCATION Providing information, assistance, & knowledge on mental wellness fosters increased access to care, reduced stigma around mental health, & promotes healthy living. Commitment to continued education for MHA team members ensures quality programming.

COMMUNITY By celebrating inclusiveness & diversity through partnerships, collaborations, & collective impact, we build strong, thriving communities.

Sharon S. Richardson Community Hospice is here to help you live fully. We utilize a team approach and work with you and your family to create a plan of care tailored to your goals and wishes.

When a loved one receives a terminal diagnosis, it can be a scary and emotional time. But terminal doesn't mean immediate. Our hospice team can help you and your family understand all of your options, listen to your wishes, and assist with making the most of the time you have.

Our team wants you to know:

- Hospice care is provided wherever you call home – in your own residence, at a care facility or our Inpatient Center.
- A hospice referral can come from you, a family member or physician - anyone who cares about the well-being of the patient. Our consultations are free, and will meet wherever it is most convenient for you.
- Hospice supports and care for the entire family. Our hospice team is focused on the physical, emotional and spiritual needs of the patient, family and other caregivers.
- You have the right to choose your hospice provider. Your physician may make recommendations, but you make the final decision about who will provide you with hospice services. Sharon S. Richardson Community Hospice would be honored to be your choice.

Our compassionate team is available 24/7 to answer your calls, offer guidance and take the hospice journey with you. Please call us at 920.467.1800 or 866.467.2011.

It Gets Better Project

110 S. Fairfax Ave., Suite A11-71, Los Angeles, CA 90036
Email: info@itgetsbetter.org
Website: www.itgetsbetter.org
Hours: Online resources available 24/7.
Services: The It Gets Better Project's mission is to communicate to lesbian, gay, bisexual, transgender, and questioning youth around the world that it gets better, and to create and inspire the changes needed to make it better for them. Growing up isn't easy. Many youngpeople face daily tormenting and bullying, leading them to feel like they have nowhere to turn. This is especially true for LGBTQ kids and teens, who often hide their sexuality for fear of bullying. Without other openly gay adults and mentors in their lives, they can't imagine what their future may hold. In many instances, gay and lesbian adolescents are taunted — even tortured — simply for being themselves. While many of these teens couldn't see a positive future for themselves, we can. The It Gets Better Project was created to show young LGBTQ people the levels of happiness, potential, and positivity their lives will reach – if they can just get through their teen years. The It Gets Better Project wants to remind teenagers in the LGBTQ community that they are not alone — and it WILL get better.
Fee for Services: There is no cost to access services.
Eligibility Requirements: There are no eligibility requirements to access services.

Mental Health America in Sheboygan County

915 N. 7th St., Sheboygan, WI 53081
Phone: (920) 458-3951, Fax: (920) 458-3441
Email: info@mhasheboygan.org

Website: www.mhasheboygan.org
Hours: Monday – Thursday, 8:00 am - 4:00 pm; Fridays and evenings by appointment
Services: Mental Health America in Sheboygan County (MHA) is a nonprofit mental health resource center that works to promote good mental health through education, increasing access to care, and recovery/support services for mental health. The **Education Program** shares information on mental health, illness, and wellness in school, employer, and community-based settings. Areas of expertise and focus include mindfulness and stigma reduction training and support. The **Information and Assistance Program** is another service which provides confidential referrals and consultations around mental health and community services. Individuals, families, and professionals can connect with MHA staff via phone, email, or in-person to inquire about services and support for themselves or a loved one at no cost. Development and distribution of this Directory of Community Resources, also found online at www.mhasheboygan.org, along with additional information such as the mental health professional online database and resources in the community also works to increase access to care. Lastly, MHA provides multiple services in the scope of recovery and support. **Open Door**, a peer support recovery drop-in center, is a program that serves adults with mental illness by providing a safe place and community of friends supporting wellness and recovery. Peer specialist staff lead the program, organizing activities during and outside of drop-in hours which aim to enhance a person's overall recovery. Two peer-facilitated on-going support grief support groups held monthly through MHA include the **Suicide Loss Support Group**, for folks who have lost a loved one to suicide, and **Compassionate Parents Support Group**, for bereaved parents who have lost a child. MHA is an affiliate of the national office, proudly working to promote good mental health through increasing inclusion and resilience with compassion.
Fee for Services: The majority of MHA's services are at no cost due to grants and fundraising efforts.
Eligibility Requirements: MHA's target audience is serving residents, employers, and school systems within Sheboygan County.

Hours: Monday – Friday, 8:00 am - 5:00 pm
Services: The Children's Community Options Program (CCOP) provides individual services to families with children who are diagnosed with severe disabilities. The program recognizes that meeting the needs of children who have severe disabilities may place hardships on a family's emotional, physical, and financial resources. An assessment and functional screen is completed by a social worker from the Children and Family Resource Unit to determine eligibility. **Birth to 3:** The *Birth to 3* program is for children ages birth to 36 months. Eligibility is based on a diagnosed disability or significant delay in one or more areas of development. The team will evaluate the child's ability to: learn (cognitive development), move, see and hear (physical/motor development), communicate and understand other's communication (speech and language development), respond to and relate with others (social and emotional development) eat, dress, and care for daily living needs (adaptive development). **Children's Long-Term Support Waiver (CLTS):** Wisconsin has approved CLTS Waivers for children with developmental disabilities, physical disabilities, severe emotional disturbances, and kids with autism spectrum disorders. The purpose of the waivers is to help families support their children with severe disabilities within their own home/community. The CLTS Waivers are funded through Medicaid and local tax dollars and may pay for approved services in the community. An assessment and functional screen is completed by a social worker from the Children and Family Resource Unit to determine eligibility.
Coordinated Services Team (CST): CST is a process to respond to individuals and families with multiple needs in the least restrictive setting possible. This team process is based on family and community values, is unconditional in its commitment to creatively address needs, and plan by incorporating the strengths of the child, family, and team members to work toward identified goals. Parents/caregivers are equal partners and have ultimate ownership of the Plan of Care.
Comprehensive Community Services (CCS) for Children: CCS is a community-based psychosocial rehabilitation program designed to empower individuals with mental health needs.Their families take an active role in their treatment recovery. As assessment and functional screen is completed by a social worker to determine eligibility.

Website: www.mhasheboygan.org
Hours: Monday – Thursday, 8:00 am - 4:00 pm; Fridays and evenings by appointment
Services: Mental Health America in Sheboygan County (MHA) is a nonprofit mental health resource center that works to promote good mental health through education, increasing access to care, and recovery/support services for mental health. The **Education Program** shares information on mental health, illness, and wellness in school, employer, and community-based settings. Areas of expertise and focus include mindfulness and stigma reduction training and support. The **Information and Assistance Program** is another service which provides confidential referrals and consultations around mental health and community services. Individuals, families, and professionals can connect with MHA staff via phone,

email, or in-person to inquire about services and support for themselves or a loved one at no cost. Development and distribution of this Directory of Community Resources, also found online at www.mhasheboygan.org, along with additional information such as the mental health professional online database and resources in the community also works to increase access to care. Lastly, MHA provides multiple services in the scope of recovery and support. **Open Door**, a peer support recovery drop-in center, is a program that serves adults with mental illness by providing a safe place and community of friends supporting wellness and recovery. Peer specialist staff lead the program, organizing activities during and outside of drop-in hours which aim to enhance a person's overall recovery. Two peer-facilitated on-going support grief support groups held monthly through MHA include the **Suicide Loss Support Group**, for folks who have lost a loved one to suicide, and **Compassionate Parents Support Group**, for bereaved parents who have lost a child. MHA is an affiliate of the national office, proudly working to promote good mental health through increasing inclusion and resilience with compassion.
Fee for Services: The majority of MHA's services are at no cost due to grants and fundraising efforts.

It Gets Better Project

110 S. Fairfax Ave., Suite A11-71, Los Angeles, CA 90036
Email: info@itgetsbetter.org
Website: www.itgetsbetter.org
Hours: Online resources available 24/7.
Services: The It Gets Better Project's mission is to communicate to lesbian, gay, bisexual, transgender, and questioning youth around the world that it gets better, and to create and inspire the changes needed to make it better for them. Growing up isn't easy. Many youngpeople face daily tormenting and bullying, leading them to feel like they have nowhere to turn. This is especially true for LGBTQ kids and teens, who often hide their sexuality for fear of bullying. Without other openly gay adults and mentors in their lives, they can't imagine what their future may hold. In many instances, gay and lesbian adolescents are taunted — even tortured — simply for being themselves. While many of these teens couldn't see a positive future for themselves, we can. The It Gets Better Project was created to show young LGBTQ people the levels of happiness, potential, and positivity their lives will reach – if they can just get through their teen years. The It Gets Better Project wants to remind teenagers in the LGBTQ community that they are not alone — and it WILL get better.
Fee for Services: There is no cost to access services.
Eligibility Requirements: There are no eligibility requirements to access services.

Lifeline Crisis Chat

Website: www.contact-usa.org/chat.html
Hours: 24/7
Services: Lifeline Crisis Chat is a joint service of the National Suicide Prevention Lifeline in partnership with CONTACT USA. It is the first service of its kind where crisis centers across the United States have joined together to form one national chat network that can provide online emotional support, crisis intervention, and suicide prevention services. Visitors logging on to chat will interact with a chat specialist who will give them space to talk about what they are upset about, exploring feelings and thoughts associated with the crisis. Chat specialists will also assess for suicide risk and work collaboratively with the visitor to come up with a safety plan which

addresses postive coping strategies and next steps. The specialists who answer chats have had thorough training in crisis and suicide intervention, as well as specific topics such as youth issues.

Hours: Monday – Thursday, 8:00 am - 4:00 pm; Fridays and evenings by appointment
Services: Mental Health America in Sheboygan County (MHA) is a nonprofit mental health resource center that works to promote good mental health through education, increasing access to care, and recovery/support services for mental health. The **Education Program** shares information on mental health, illness, and wellness in school, employer, and community-based settings. Areas of expertise and focus include mindfulness and stigma reduction training and support. The **Information and Assistance Program** is another service which provides confidential referrals and consultations around mental health and community services. Individuals, families, and professionals can connect with MHA staff via phone, email, or in-person to inquire about services and support for themselves or a loved one at no cost. Development and distribution of this Directory of Community Resources, also found online at www.mhasheboygan.org, along with additional information such as the mental health professional online database and resources in the community also works to increase access to care. Lastly, MHA provides multiple services in the scope of recovery and support. **Open Door**, a peer support recovery drop-in center, is a program that serves adults with mental illness by providing a safe place and community of friends supporting wellness and recovery. Peer specialist staff lead the program, organizing activities during and outside of drop-in hours which aim to enhance a person's overall recovery. Two peer-facilitated on-going support grief support groups held monthly through MHA include the **Suicide Loss Support Group**, for folks who have lost a loved one to suicide, and **Compassionate Parents Support Group**, for bereaved parents who have lost a child. MHA is an affiliate of the national office, proudly working to promote good mental health through increasing inclusion and resilience with compassion.
Fee for Services: The majority of MHA's services are at no cost due to grants and fundraising efforts.

Lawyer Referral and Information Service

State Bar of Wisconsin
Phone: (800) 362-9082 or (608) 257-4666
Website: www.wisbar.org
Hours: Monday – Friday, 8:00 am - 5:00 pm; online service available 24 hours per day
Services: LRIS is a public service to help identify the most appropriate resource for consumers with legal problems. LRIS helps callers figure out if they need a lawyer and how to proceed if they do. Callers will not get legal advice; they are connected with a legal assistant who is experienced in analyzing potential legal problems and in helping locate the best source of help. Services are based on individual needs and circumstances.
Fee for Services: Fees vary. After speaking with an LRIS legal assistant, callers may decide that they need to hire an attorney. If so, LRIS can refer callers to a local attorney who has indicated an interest in their type of legal situation. Attorneys referred through LRIS agree to charge no more than $20 for the first consultation, up to one half hour. In some cases, legal issues can be resolved at the first meeting. If the problem requires work beyond the first half-hour, the lawyer's regular fees will be charged.
Eligibility Requirements: No eligibility requirements to access services, income limits for reduced attorney fee program.

LGBTQ Resources

It Gets Better Project

110 S. Fairfax Ave., Suite A11-71, Los Angeles, CA 90036
Email: info@itgetsbetter.org
Website: www.itgetsbetter.org
Hours: Online resources available 24/7.
Services: The It Gets Better Project's mission is to communicate to lesbian, gay, bisexual, transgender, and questioning youth around the world that it gets better, and to create and inspire the changes needed to make it better for them. Growing up isn't easy. Many youngpeople face daily tormenting and bullying, leading them to feel like they have nowhere to turn. This is especially true for LGBTQ kids and teens, who often hide their sexuality for fear of bullying. Without other openly gay adults and mentors in their lives, they can't imagine what their future may hold. In many instances, gay and lesbian adolescents are taunted — even tortured — simply for being themselves. While many of these teens couldn't see a positive future for themselves, we can. The It Gets Better Project was created to show young LGBTQ people the levels of happiness, potential, and positivity their lives will reach – if they can just get through their teen years. The It Gets Better Project wants to remind teenagers in the LGBTQ community that they are not alone — and it WILL get better.
Fee for Services: There is no cost to access services.
Eligibility Requirements: There are no eligibility requirements to access services.

Services: Mental Health America in Sheboygan County (MHA) is a nonprofit mental health resource center that works to promote good mental health through education, increasing access to care, and recovery/support services for mental health. The **Education Program** shares information on mental health, illness, and wellness in school, employer, and community-based settings. Areas of expertise and focus include mindfulness and stigma reduction training and support. The **Information and Assistance Program** is another service which provides confidential referrals and consultations around mental health and community services. Individuals, families, and professionals can connect with MHA staff via phone, email, or in-person to inquire about services and support for themselves or a loved one at no cost. Development and distribution of this Directory of Community Resources, also found online at www.mhasheboygan.org, along with additional information such as the mental health professional online database and resources in the community also works to increase access to care. Lastly, MHA provides multiple services in the scope of recovery and support. **Open Door**, a peer support recovery drop-in center, is a program that serves adults with mental illness by providing a safe place and community of friends supporting wellness and recovery. Peer specialist staff lead the program, organizing activities during and outside of drop-in hours which aim to enhance a person's overall recovery. Two peer-facilitated on-going support grief support groups held monthly

through MHA include the **Suicide Loss Support Group**, for folks who have lost a loved one to suicide, and **Compassionate Parents Support Group**, for bereaved parents who have lost a child. MHA is an affiliate of the national office, proudly working to promote good mental health through increasing inclusion and resilience with compassion.
Fee for Services: The majority of MHA's services are at no cost due to grants and fundraising efforts.
Eligibility Requirements: MHA's target audience is serving residents, employers, and school systems within Sheboygan County.

Services: Mental Health America in Sheboygan County (MHA) is a nonprofit mental health resource center that works to promote good mental health through education, increasing access to care, and recovery/support services for mental health. The **Education Program** shares information on mental health, illness, and wellness in school, employer, and community-based settings. Areas of expertise and focus include mindfulness and stigma reduction training and support. The **Information and Assistance Program** is another service which provides confidential referrals and consultations around mental health and community services. Individuals, families, and professionals can connect with MHA staff via phone, email, or in-person to inquire about services and support for themselves or a loved one at no cost. Development and distribution of this Directory of Community Resources, also found online at www.mhasheboygan.org, along with additional information such as the mental health professional online database and resources in the community also works to increase access to care. Lastly, MHA provides multiple services in the scope of recovery and support. **Open Door**, a peer support recovery drop-in center, is a program that serves adults with mental illness by providing a safe place and community of friends supporting wellness and recovery. Peer specialist staff lead the program, organizing activities during and outside of drop-in hours which aim to enhance a person's overall recovery. Two peer-facilitated on-going support grief support groups held monthly through MHA include the **Suicide Loss Support Group**, for folks who have lost a loved one to suicide, and **Compassionate Parents Support Group**, for bereaved parents who have lost a child. MHA is an affiliate of the national office, proudly working to promote good mental health through increasing inclusion and resilience with compassion.
Fee for Services: The majority of MHA's services are at no cost due to grants and fundraising efforts.
Eligibility Requirements: MHA's target audience is serving residents, employers, and school systems within Sheboygan County.

Services: Mental Health America in Sheboygan County (MHA) is a nonprofit mental health resource center that works to promote good mental health through education, increasing access to care, and recovery/support services for mental health. The **Education Program** shares information on mental health, illness, and wellness in school, employer, and community-based settings. Areas of expertise and focus include mindfulness and stigma reduction training and support. The **Information and Assistance Program** is another service which provides confidential referrals and consultations around mental health and community services. Individuals, families, and professionals can connect with MHA staff via phone, email, or in-person to inquire about services and support for themselves or a loved one at no cost. Development and distribution of this Directory of Community Resources, also found online at www.mhasheboygan.org, along with additional information such as the mental health professional online database and resources in the community also works to increase access to care. Lastly, MHA provides multiple services in the scope of recovery and support. **Open Door**, a peer support recovery drop-in center, is a program that serves adults with mental illness by providing a safe place and community of friends supporting wellness and recovery. Peer specialist staff lead the program, organizing activities during and outside of drop-in hours which aim to enhance a person's overall recovery. Two peer-facilitated on-going support grief support groups held monthly through MHA include the **Suicide Loss Support Group**, for folks who have lost a loved one to suicide, and **Compassionate Parents Support Group**, for bereaved parents who have lost a child. MHA is an affiliate of the national office, proudly working to promote good mental health through increasing inclusion and resilience with compassion.

Hours: Monday – Thursday, 8:00 am - 4:00 pm; Fridays and evenings by appointment
Services: Mental Health America in Sheboygan County (MHA) is a nonprofit mental health resource center that works to promote good mental health through education, increasing access to care, and recovery/support services for mental health. The **Education Program** shares information on mental health, illness, and wellness in school, employer, and community-based settings. Areas of expertise and focus include mindfulness and stigma reduction training and support. The **Information and Assistance Program** is another service which provides confidential referrals and consultations around mental health and community services. Individuals, families, and professionals can connect with MHA staff via phone, email, or in-person to inquire about services and support for themselves or a loved one at no cost. Development and distribution of this Directory of Community Resources, also found online at www.mhasheboygan.org, along with additional information such as the mental health professional online database and resources in the community also works to increase access to care. Lastly, MHA provides multiple services in the scope of recovery and support. **Open Door**, a peer support recovery drop-in center, is a program that serves adults with mental illness by providing a safe place and community of friends supporting wellness and recovery. Peer specialist staff lead the program, organizing activities during and outside of drop-in hours which aim to enhance a person's overall recovery. Two peer-facilitated on-going support grief support groups held monthly through MHA include the **Suicide Loss Support Group**, for folks who have lost a loved one to suicide, and **Compassionate Parents Support Group**, for bereaved parents who have lost a child. MHA is an affiliate of the national office, proudly working to promote good mental health through increasing inclusion and resilience with compassion.
Fee for Services: The majority of MHA's services are at no cost due to grants and fundraising efforts.
Eligibility Requirements: MHA's target audience is serving residents, employers, and school systems within Sheboygan County.

Services: Provides a carefully screened and individually paired adult volunteer mentor to a child who needs help with some aspect of their development (e.g. self-esteem, family issues, under-achievement, peer relationships, etc.). These long-term relationships are both preventative and interventional in intent. All "matches" are made and supported by a staff professional to keep the relationship goal-oriented and meeting the needs of the child as well as to intervene should issues arise. All children in the program must have an identifiable need that can be successfully addressed by a mentor and must consent/commit to being a part of the relationship. New relationships are for children between the ages of 6 and 12 but may continue until a child reaches age 18 or graduates from high school. Matching is affected by our ability to identify and recruit a suitable volunteer for a child insofar as each match is a custom creation based on the needs of the child, the abilities of the mentor and the likelihood of compatible personalities.
Fee for Services: There is no cost to access services.
Eligibility Requirements: Mentors must be mature, responsible individuals willing to commit to a long-term relationship with a child. Applications include reference checks, legal checks and a series of interviews designed to get to know the volunteer well enough to match him/her plus to ensure the safety of the child.

Children's Community Options Program (CCOP)

Sheboygan County Health and Human Services
1011 N. 8th St., Sheboygan, WI 53081
Phone: (920) 459-3234, Fax: (920) 459-4009
Supervisor: Nancy Koene, LCSW
Email: nancy.koene@sheboygancounty.com
Website: www.sheboygancounty.com
Hours: Monday - Friday 8:00 am - 5:00 pm
Services: The Children's Community Options Program (CCOP) provides individual services to families with children who are diagnosed with severe disabilities. The Program recognizes that meeting the needs of children who have severe disabilities may place hardships on a family's emotional, physical, and financial resources. An assessment and functional screen is completed by a social worker from the Children and Family Resource Unit to determine eligibility. **Birth to 3:** The Birth to 3 Program is for children ages birth to 36 months. Eligibility is based on a diagnosed disability or significant delay in one or more areas of development. The team will evaluate the child's ability to:
Learn (cognitive development), Move, see and hear (physical/motor development), Communicate and understand other's communication (speech and language development), Respond to and relate with others (social and emotional development)
Eat, dress and care for daily living needs (adaptive development). **Children's Long-Term Support Waiver (CLTS):** Wisconsin has approved CLTS Waivers for children with developmental disabilities, physical disabilities, severe emotional disturbances, and kids with autism spectrum disorders. The purpose of the Waivers is to help families support their children with severe disabilities within their own home/community. The CLTS Waivers are funded through Medicaid and local tax dollars and may pay for approved services in the community. An assessment and functional screen is completed by a social worker from the Children and Family Resource Unit to determine eligibility.
Coordinated Services Team (CST): CST is a process to respond to individuals and families with multiple needs in the least restrictive setting possible. This team process is based on family and community values, is unconditional in its commitment to creatively address needs, and plan, incorporating the strengths of the child, family, and team members to work toward identified goals. Parents/caregivers are equal partners and have ultimate ownership of the Plan of Care.
Comprehensive Community Services (CCS) for Children: CCS is a community based psychosocial rehabilitation program designed to empower individuals with mental health needs and their families take an active role in their treatment recovery. An assessment and functional screen is completed by a social worker to determine eligibility.
Fee for Services: Contact directly to inquire about any associated costs for accessing services.
Eligibility Requirements: Eligibility requirements vary by program, contact directly to inquire about program requirements.

Email: nlee@frc-sc.org
Website: www.familyresourcesheboygan.org
Hours: Monday – Thursday, 9:00 am - 4:00 pm, or by appointment
Services: *Parents as Teachers (PAT)* is a parenting program that supports healthy child development and family well-being. *PAT* is available to Sheboygan County parents of a child birth-three years old. *PAT* recognizes that parents are their child's first teacher and children are born to learn and succeed. Services take place in the home, the most influential environment in a child's growth and development. *PAT* is relationship-based because parents experience a trusting relationship and with their Parent Educator and the program is customized for individual family needs. The *Literacy Council* is an adult tutoring program serving adults who would like to improve their basic literacy skills, and those who would like to learn to speak, read, and write English. Students are matched with volunteer tutors who have been trained to assist students with meeting their individual literacy goals. The student and tutor meet at mutually agreeable

times and places (public libraries are often chosen as meeting places). *Literacy Council* is always welcoming volunteers interested in becoming tutors. The more tutors, the more students we can serve!
Fee for Services: There is no cost to access services.
Eligibility Requirements: *Parents as Teachers* has some eligibility requirements. Please call to learn more. For *Literacy Council*, both students and tutors need to be 18 years of age or older. Just call Family Resource Center of Sheboygan County to learn more about both *Parents as Teachers* & *Literacy Council*.

Website: www.mhasheboygan.org
Hours: Monday – Thursday, 8:00 am - 4:00 pm; Fridays and evenings by appointment
Services: Mental Health America in Sheboygan County (MHA) is a nonprofit mental health resource center that works to promote good mental health through education, increasing access to care, and recovery/support services for mental health. The **Education Program** shares information on mental health, illness, and wellness in school, employer, and community-based settings. Areas of expertise and focus include mindfulness and stigma reduction training and support. The **Information and Assistance Program** is another service which provides confidential referrals and consultations around mental health and community services. Individuals, families, and professionals can connect with MHA staff via phone, email, or in-person to inquire about services and support for themselves or a loved one at no cost. Development and distribution of this Directory of Community Resources, also found online at www.mhasheboygan.org, along with additional information such as the mental health professional online database and resources in the community also works to increase access to care. Lastly, MHA provides multiple services in the scope of recovery and support. **Open Door**, a peer support recovery drop-in center, is a program that serves adults with mental illness by providing a safe place and community of friends supporting wellness and recovery. Peer specialist staff lead the program, organizing activities during and outside of drop-in hours which aim to enhance a person's overall recovery. Two peer-facilitated on-going support grief support groups held monthly through MHA include the **Suicide Loss Support Group**, for folks who have lost a loved one to suicide, and **Compassionate Parents Support Group**, for bereaved parents who have lost a child. MHA is an affiliate of the national office, proudly working to promote good mental health through increasing inclusion and resilience with compassion.
Fee for Services: The majority of MHA's services are at no cost due to grants and fundraising efforts.
Eligibility Requirements: MHA's target audience is serving residents, employers, and school systems within Sheboygan County.

Hours: Clearinghouse Ministry Hours: Tuesday - Thursday, 10:00 am - 2:00 pm (intake evaluation over the phone)
Services: Love INC formed to mobilize local Christian churches to transform lives and communities through relationships in the Name of Christ. Love in the Name of Christ is a proven model with 157 affiliates operating across the country offering those in need a hand-up, as others in our community resource network offer a hand-out – and we recognize that both are important. Love INC offers an opportunity for neighbors-in-need to break the cycle of hopelessness – connecting them with caring individuals who will model our Christian beliefs through all interactions. The Clearinghouse is where Neighbors-In-Need are connected to caring and trained Volunteers. Intake Specialists, these Volunteers, are passionate about helping others – about helping you. During the call with them, they will listen carefully to everything that is happening and ask questions to better understand your situation. They will gather a lot of information and record this, pray with you and discuss how our church and community partners might be able to assist. You will be given choices as to how you want to proceed, and you will agree to action steps to help yourself. We begin our work to verify your situations, with your permission – an important step to be sure that we use the resources God has given us access to through the Churches very carefully. Love INC does not provide direct service nor is Love INC an emergency service organization. Our partners are area Churches and organizations that have a commitment to walk as Christ did, giving hope and the promise of new life. You can find your way with a little help from your friends through Love INC.
Fee for Services: There are no fees to access services.
Eligibility Requirements: Must be a Sheboygan County resident. Must be interested in changing the trajectory of your life from being in need to moving toward self-sufficiency. Sign the Release of Information, send in necessary documents into Love INC depending on your needs.
