

All forms of transportation are welcome at Porchfest but **set your expectations.**

-  **Primary Travel Routes**
Streets slowed but generally clear; preferred routes for motor vehicles. Minor and temporary delays possible.
-  **Shared Streets**
Pedestrians and bicyclists prioritized; motorists must exercise caution and will be delayed and inconvenienced.
-  **Congestion Zones**
Particularly crowded areas with limited room for vehicles. On-street parking by festival-goers not recommended.
-  **Parking**
Recommended parking sites, adjacent to or accessible via Primary Travel Routes.
