Advances in Cancer Prevention and Management

Speakers:

Rebecca Garcia-Michels, PhD, RN, NP

Dr. Garcia-Michels is an Advanced Practice Nurse who was a Faculty at The University of Texas Health Science Center at San Antonio (UTHSCSA). Aside from her experience as an educator, she is much valued as a resource speaker for her personal experience with cancer.

Michael J. Wargovich, PhD

Dr. Wargovich is a Professor and the Program Co-Director of the Cancer Therapy & Research Center (CTRC), UTHSCSA. He was the co-Founder of CanSurvive Cuisine, LLC. Among others, his research includes the role of dietary products in cancer prevention.
