In 2015, during our Regional Assembly, we adopted a set of priorities for 2015-2018 that included equipping trainers for Anti-Racism Training and offering that training to clergy and lay leaders in our congregations.

In 2016 10 Anti-Racism Leaders met 6 times with trainers from California and Maryland. These 10 trainers have now held 5 events hosted by 3 congregations, the NW Regional Church, and the Idaho Black History Museum. Over 150 people have attended.

An Anti-Racism Team launched in 2018 to broaden the Anti-Racism work of the Regional Church

The camp curriculum and the women's events all used anti-racism concepts in the formation of their programming.

Other programs of the regional church include:

- | | |
|---|---------------------|
| Nurture of pastors & those studying to be pastors | Women's Retreats |
| New Church Ministries | Leadership Training |
| Church Camps | Future Planning |
| Pastoral Placement | |
