\$225 Value

Tour and tasting for up to 8 people

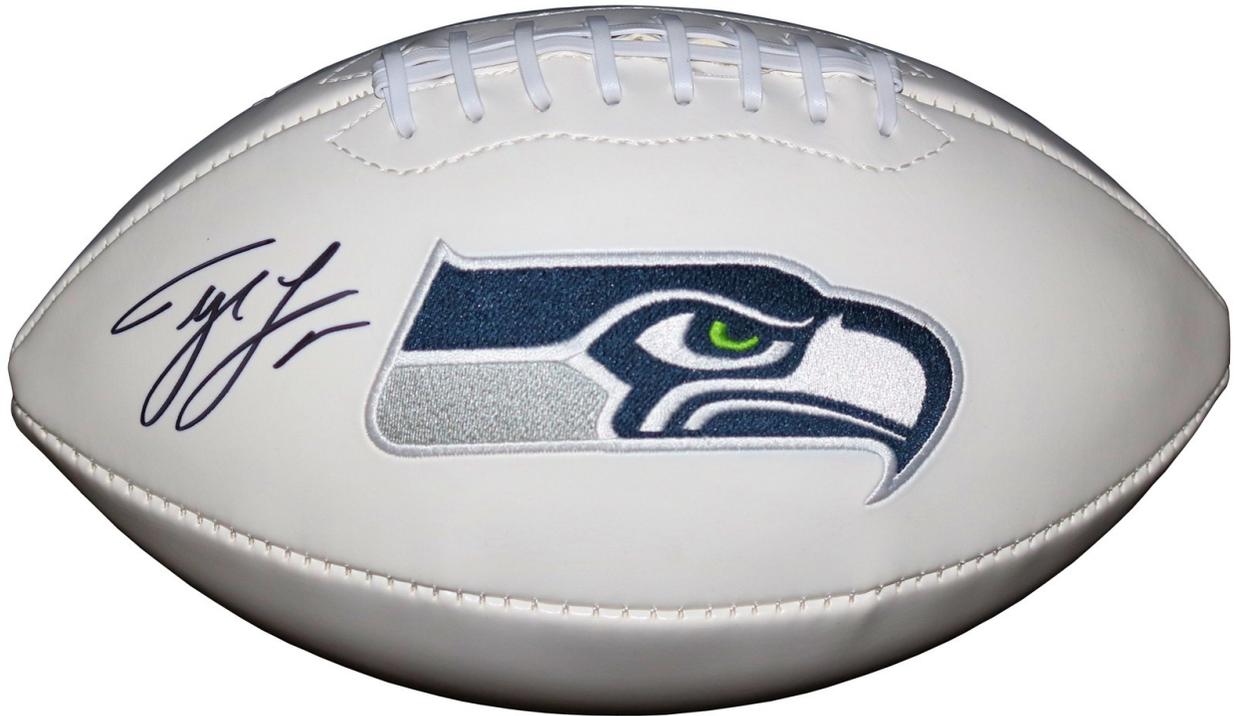

A personalized Maryhill Winery tour includes a tour of the wine production operation (located in Spokane, WA), detailed background information and even a bit of wine education often reserved for the classrooms of enological institutes. Following the tour guests will be treated to a unique tasting experience as well as an incredible view of the Columbia Gorge. Each guest will also receive a complimentary crystal stemless glass and a discount of 10% off 6 bottles or 20% off 12 bottles.

To redeem, schedule the tour at least 1 month in advance and be understanding that in some rare cases, due to the rigors of harvest and wine production, a full tour may not be possible. We will, however, make every effort to make their experience unforgettable. The additional wine purchasing discounts are not valid with any other offer and must be redeemed on the day of the tour.

Seattle Shakespeare Company

\$96 Value

Two tickets (\$48/ea) to *All's Well That Ends Well*, *A Fairytale of Love and War*. It's a world in decline where leaders are failing and wars loom large. Smart and unwavering, Helena has pinned her heart to Bertram. He wants nothing to do with her and runs off to the wars for adventure and to escape his newly-arranged marriage. So Helena follows him. Overcoming obstacles and aided by a fantastic collection of comic characters, the two begin separate journeys towards each other, both learning about the paradox of holding love tight as well as letting go.

And Still She Persisted. Not only is Shakespeare's "serious comedy" modern in its discussion about the complicated relationships between men and women, but it's also rich in examining differing generational views on how to find your own way in the world.

The Heroine's Adventure. Victor Pappas, who staged our wildly-popular productions of *The Importance of Being Earnest* and *Mrs. Warren's Profession*, sets his sights on Shakespeare's bittersweet comedy of a woman who pursues her heart's desire without needing to disguise her true self... or wear pants.
