

October 2018

Dear Parents of **Fifth & Sixth Grade Students**,

You are invited to attend a preview of our 5th and 6th grade **Boys and Girls Growth and Development** videos on **TUESDAY, NOVEMBER 6, 2018** at Chief Joseph Middle school auditorium, 504 Wilson St. If you like, you may bring your fifth or sixth grade student to this evening session. During adolescence your child will be making many physical and emotional changes. We hope you find the materials helpful and appropriate. Your school counselor or school nurse will be present to answer questions. If, after viewing the material, you would like to exclude your child from participation in the lesson, an opt-out form will be available to you.

The 5th Grade HIV/AIDS prevention video will also be shown. HIV/AIDS prevention education is required yearly in grades 5 through 12.
