

OFFICE OF THE MAYOR
JIM DEAR

CITY OF CARSON

March 5, 2012

To Whom It May Concern:

On behalf of the citizens of the City of Carson California, it is indeed a pleasure to send a letter of recommendation on behalf of Mykesha A. Robinson. The Director of Economic Development, Cliff Graves and I know Ms. Robinson from her diligent work in our community.

I also know her through numerous community organizations and her participation in community development projects for the City of Carson and other groups. In fact, in 2011 the City of Carson Economic Development Division presented Ms. Robinson with a recognition of Outstanding Service Plaque for her work in our city in the areas of Community Development that included: Housing, Education, Workforce Development and Youth Leadership.

Ms. Robinson is one of the most detailed-oriented and persistent people that I have ever met. Her integrity, strong work ethics and persistence until a job or task is accomplished, is a major part of her personality.

Ms. Robinson has always presented herself in a professional manner in appearance and attitude. If hired you can be assured that she will work with diligence, persistence and professionalism until the assigned task has been completed. I am honored to write this letter on her behalf. If you have any questions, feel free to call me at (310) 952-1712.

Sincerely,

A handwritten signature in cursive script that reads "Jim Dear".
