Who Must Attend a Clinic?

As it is a rule change year all officials must attend an in-class clinic and complete the online recertification program.

When will clinics be posted?

Clinics will be posted to the above [Registration Link](#) on August 1st.

Registration Process

The registration process has changed for NOHA officials. Please [visit the following link](#) to have a better understanding of how to register as an NOHA official for the 2018/2019 season. Please ensure you are registering for the correct level. If you are unsure of your level please contact Adam Morell at amorell@noha.on.ca.

The online recert program must be completed before you can register for your in-class clinic.

Registration Fee Increase

The NOHA has had to increase registration fees this year because of increases to the Hockey Canada Insurance Program and the OHF Assessment Fee. There has been no other increase to the fees.

Criminal Record Check/Vulnerable Sector Search

The system will not let you register without a valid record check.

Officials are encouraged to log onto their eHockey account to verify their expiration date under the CRC tab on your profile.

[Click here](#) for more information regarding record checks and where to send them.
