

JUST A REMINDER ~ ~ ~ Leaf pick up is *no longer* provided by the Borough.

Slippery Rock Borough would like to remind all Borough residents that due to adding Yard Waste Collection to the contract with Tri-County Industries, Inc. there will be no leaf pick up by the Borough.

This service is from April 1st through the second week in December and includes leaves, grass clippings, branches and tree limbs under 4' length and under 4" in diameter, plants and flowers, roots without soil and sawdust.

All yard waste must be contained in biodegradable bags available at local stores or a Tri-County provided green-lidded cart.

If you have any questions, please call Tri-County Industries, Inc. at 724-748-4705
