

FFDC Solo Contract

Having the opportunity to perform a solo, duet or trio under That's Dancing and Fusion Force Dance Company is an extra endeavor. All soloists (from this point forward this includes duets and trios as well), must practice the following set of guidelines.

- All solos must be paid for in full prior to the first scheduled lesson.
- All music must be approved and cut prior to the first scheduled lesson. Dancers are responsible for making arrangements to have music cut.
- All choreography for a solo will be taught in a total of 2 hours. All choreography for a duet or trio will be taught in a total of 2.5 hours. It is the dancer's responsibility to remember choreography. Any additional lessons will be billed at the private or semi-private lesson fee.
- All solos must be choreographed by a That's Dancing faculty member at the dance studio.
- Solos should be practiced and rehearsed in order to represent the studio and FFDC in a positive light.
- Dancers must not change choreography of their solo unless they have permission of the choreographer.
- The directors of FFDC reserve the right not to allow solos to perform in dance competitions, extra performances or Dance Gala.
- Only one solo or duet or trio may be permitted to perform in the Dance Gala.
- Dancers or their families are not permitted to personally contact competitions, conventions or venues without the direct written consent of the FFDC Directors.
- Dancers will be given the opportunity to perform solos in community events on a first come, first served basis. Solos will be considered if they are in performance ready condition.
- Costuming for solos should be discussed and agreed upon with your choreographer. Costumes may be ordered through the studio, although not mandatory, by the deadline only. Solo costumes will not be ordered after the FFDC costume deadline.
- Dancers should accept awards with dignity and grace recognizing the studio, FFDC and the choreographer when appropriate.
- Solos may be rehearsed with the choreographer or any other faculty member at the studio.
- Prize money policy: 75% soloist, 25% studio; 50% duet/trio partners, 50% studio.
