Governor's Office of Business and Economic Development (GoBIZ) (916) 322-0694	California Competes Tax Credit Competitive income tax credit is available to businesses that grow or relocate to California. The income tax credit must be negotiated by GO-BIS, and then approved by the California Competes Tax Credit Committee.
	Business Development The Business Investment Services Unit works with companies to expand their presence in California by streamlining the site selection process and offsetting the cost of doing business with the use of local, state and federal incentives. Our team of veteran economic development professionals worked with hundreds of companies last year to assist in the creation and/or retention of over 6,000 jobs and over \$750 million in capital expenditures.
	Permit Streamlining The Permit Assistance unit provides permit streamlining for business owners struggling with local, state and federal permitting for major job creating projects. For example, our team recently streamlined over 300 permits in just under 6 weeks for a regional restaurant franchise saving them significant time and money.
	Small Business Assistance The Small Business unit provides direct small business assistance to thousands of business each year with the help of our regional partners at the Small Business Development Centers. Over 95 percent of the +3500 assistance inquiries GO-Biz receives each year are from small business owners.
California Franchise Tax Board (800) 852-5711	Research & Development Tax Credit The R&D tax credit program reduces income or franchise tax by paying or incurring qualified research expenses while conducting qualified research activity in California. Research must be conducted within California and include basic or applied research of scientific inquiry, original investigation for the advancement of scientific or engineering knowledge, or improved function of a business component.
