### WHY CHOOSE US?

Because we can reduce GP workload by:

- Dealing with medication related queries
- Signing prescriptions
- Optimising medicines for patients with chronic diseases
- Providing in house medication specialists
- Improving how patients use their medicines

*"We have been very impressed with the service provided by Ashburton. They now do all our repeat prescriptions and review these more thoroughly than we ever did.*

*They deal with any prescribing queries and have been an invaluable source of information on medication issues."*
