

UK Cheer Calendar: 2018-2020

Date Updated: 1st June 2018

Details and Disclaimer

This calendar has been compiled to help assist UK based coaches with future planning. It is based on information shared by EPs via their websites and/or social media. Where event details are not known but have historically been held a line has been inserted as a place-holder - this does not necessarily mean that event is confirmed to run. All details are best knowledge as of the date of most recent publication (shown top right). Please DO NOT make any travel arrangements/payments without first confirming details with the EP directly.
