

Would Your School like a Virtual Author Visit from a Best-selling Dr. Seuss Author?

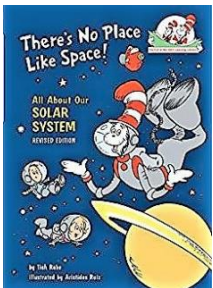

Tish Rabe (“Robby”) is launching **Virtual School Visits** so she can reach students across the U.S. and around the world!

Ms. Rabe is the best-selling author of over 170 children’s books including **The Cat in the Hat’s Learning Library**. In her presentations she explains the process of writing, sings songs she has written for Disney and Sesame Street and inspires students to keep reading and writing!

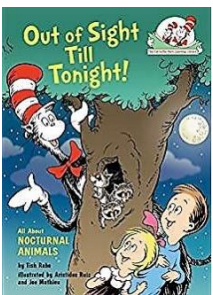

“Hosting a virtual author visit with Tish Rabe was so **simple!** All I needed was a **laptop** (both iOS and Android would work) and it was **easy to log in**. You just need to **create a free account with Zoom**; Tish’s crew will send a quick e-mail with a meeting code invite and off you go! It was **engaging and super fun**. It’s important to have external speakers because this is truly an interactive event and Tish sings so many amazing songs. Make sure the mic is working on the laptop so she can take questions from your students.

I recommend a virtual author visit with Tish.
I am hoping to do one again this school year!
Heather Myers, Library Media Specialist,
Hermosa View School, Hermosa Beach, California

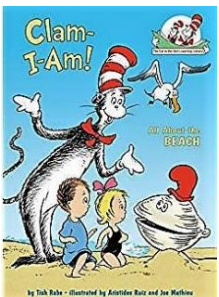

Ms. Rabe will personalize books for your students!

When you book a Virtual Author Visit Ms. Rabe will provide a book order form (each book is \$10) and teachers may send her names of students who purchase books. She will sign book plates and send them back to the teacher. To learn more go to www.TishRabe.com

Each 30 minute visit and book plate signing: \$350

Contact Tish Rabe at TishRabe@gmail.com for more information and set up a time for her to visit you and your students!
