Dear Resident of Kineton and Little Kineton,

### DEVELOPERS' FORUM MARCH 12<sup>th</sup> FROM 5PM KINETON VILLAGE HALL

You will be aware that there are many parties interested in developing housing schemes in and around the edge of Kineton.

Some of those developers have individually approached the Parish Council, wanting to discuss their proposals prior to holding public consultations.

We have decided that to proceed in this way would be time consuming, and also lack the transparency and openness appropriate in these circumstances. Therefore all known developers were invited to participate in the Forum which will take place in the Village Hall; it provides you with an opportunity to discuss their proposals in an informal manner and enables them, with a formal presentation and question time, to show what they are offering through development of Kineton.

**By chairing this event, the Parish Council is not endorsing, supporting or promoting any, or all, of the proposals.**

From the recent consultation opportunity in support of Kineton's Neighbourhood Plan, it is recognised that we have to embrace some new development to support the growing population. We invite you to listen to the proposals from these developers in parallel with the Neighbourhood Plan.

The timetable for the day is:

5pm - 7pm informal discussion time with the developers

7pm – 8pm presentations by, and questions to, each developer (session chaired by a Parish Councillor)

The Parish Council encourages you to attend this event, and give your feedback both to the developers and also to the Parish Council.

Yours faithfully,

David Gosling  
Chair, Kineton Parish Council

Ken Priddis  
Chair, Kineton Neighbourhood Plan Working Group
