What is Neighbourhood Planning?

A Neighbourhood Plan (sometimes called a Neighbourhood Development Plan) is a way of helping local communities to influence the planning of the area in which they live and work. It can be used to:

Develop a shared vision for your Neighbourhood

•

Choose where new homes, shops, offices and other development should be built

•

Identify and protect important green spaces

•

Influence what new buildings should look like

**YOUR chance to have YOUR say
on the contents of the Neighbourhood Plan.**
