CS - SDC Call for Sites NP - Neighbourhood Plan Proposed Sites

In August 2014 Stratford District Council launched their 'call for sites' invitation; an invitation to suggest suitable sites for consideration within their Site Allocations Plan but also an indication of where landowners had a desire to release their land for development. The map overleaf and adjacent table give an indication of all known potential and existing development sites for the Parish of Kineton.

To have your say please complete the online comment form at **[www.kineton.info](http://www.kineton.info)**; alternatively rank the sites not labelled NP in order of preference (1 being the most preferred) and send together with your reasons / comments to **[clerk.kinetonpc@btinternet.com](mailto:clerk.kinetonpc@btinternet.com)** or by post to:  
The Clerk, Sideways,  
Banbury Road,  
Kineton  
CV35 0JY.
