## PARKING HINTS:

For all locations: DO NOT leave anything valuable in your car!!!

For downtown venues (Freight, Civic Center Park, Berkeley Public Library): Metered street parking until 6pm (enforced right up to 6pm); free evenings and Sunday. Paid parking available in Allston Way Garage (enter from Center) and Promenade Garage (enter from Addison). You can also find free on-street parking (2 hour limit Monday-Friday until 6pm) in residential areas below Martin Luther King and north of University. Additional parking and transportation advice at <http://www.freightandsalvage.org/directions> and <http://www.berkeleyrep.org/planyourvisit/index.asp>

At Ashkenaz: free parking across the street in the REI lot

At UC Berkeley: parking very very difficult to find - look for on-street parking, or try one of the garages, or park in residential areas (south of Dwight) and have a pleasant short walk. Note: residential areas near UC all have 2 hour parking restriction on weekdays, which should be sufficient for attending the panel discussion.
