

### The Special Mention

**Luísa Coelho**  
with  
**X-workers**

*Inspired by the shape of the X from X-traordinary outfit, and the shape of the Würth-Modyf logo, I developed a consistent line, functional and comfortable.*

*Aiming workers needs, and customization of the piece, color variations are presented in accordance with the most appropriate work sector.*

Many congratulations to all participants! Stay tuned for new contests to start soon!
