TO WHOM IT MAY CONCERN

It is my pleasure to recommend Marina Šarac. I am Head of the 2018 European Year of Cultural Heritage Task Force in the Directorate Culture and Creativity, DG Education and Culture, European Commission.

I came to know Marina Šarac while she was working on cultural projects for ESN AISBL. In October 2017 she started to work on European Year of Cultural Heritage in synergy with our team. We invited her to participate in the official opening of the EYCH in Milan (European Culture Forum 2017). Ms. Šarac also took part in a 4th meeting of the Stakeholders Committee for the European Year of Cultural Heritage 2018 held in Brussels on 7th of March 2018, as a representative of ESN and the Youth Forum. The Stakeholder Committee is a group of 35 organisations that were selected by the European Commission. It aims to assist the Commission in preparing and implementing the EYCH 2018.

Through this project she established many partnerships in cultural sector with organisations such as Europa Nostra, ENCATC (European Network on Cultural management and Policy Education), UNESCO, European Heritage Days (Council of Europe) and Google Arts & Culture.

Ms Šarac is a highly motivated young person, who in my work relations with her proved to be reliable, efficient, organised and knowledgeable. I have no hesitation in recommending her for employment.

Yours sincerely,

Catherine MAGNANT
