SENIOR MEN'S CLUB COACH

The Ainslie Football Club (AFC) was established in 1927 and has a proud and rich history of success at all levels of football competition. We are the most successful club in the ACT competition, with 28 Division One premierships. Our culture is built upon tradition, pride, respect, achievement, commitment, integrity and innovation.

We wish to build on nearly 100 years of success and continue to be the best AFL club in Canberra. We are replacing a highly esteemed coach who is retiring after 14 successful years at the helm - top four each year, 6 premierships.

AFC is the only AFL club in Canberra that has complete ownership of its grounds and football facilities. We are committed to continuing to deliver a positive environment that breeds high performance in accordance with our core values of accountability, equality and respect.

The Club has a large and growing junior program comprising 23 junior teams including 8 girls' teams.

The objectives of AFC include:

- to be one of the highest profile Australian Football teams outside of the national AFL competition in order to generate interest, participation and support for Australian Football within the ACT and surrounding region.
- to attract youth in the Canberra and surrounding region to participate in sport and to contribute to their improved education, employment, training, health and wellbeing.

The successful applicant will be a motivated, success-focused individual who is able to develop and communicate a clear vision to maintain our great club's success. He/she will influence the football program across the entire club and participate in workshops for our developing senior and junior coaches.

Essential Criteria

- Demonstrated coaching experience with Level 2 Coaching Accreditation (minimum)
- Ability to promote and build and upon the club's positive culture
- Excellent stakeholder and relationship management skills
- Excellent communication skills including effective mentoring skills
- A character that underpins the values of the club
