

PRE ALPIN WIESENCOBS (ALPINE MEADOW COBS)

The original optimum hay cubes

Pre Alpin Wiesencobs (Meadow Cobs) are the perfect basic feed for all horses. Our premium hay cubes are a unique blend of more than 60 meadow grasses and herbs from the foothills of the Bavarian Alps.

By implementing strict control of the entire process from sowing to optimum harvesting times and careful drying procedure, we guarantee the finest quality hay cubes. Our unique production method preserves the integrity of the grasses and herbs thus providing your horse with a totally natural product that is highly nutritious and very low in starch and sugar.

100% pure and natural—no additives, preservatives, binders, fillers or bulking agents.
