

Wish you could take them all?

**We have the answer:
FOSTER WITH CAA!**

Companion Animal Alliance is the only open intake shelter in East Baton Rouge Parish. This means we take in every stray and unwanted animal in our community. We need YOUR help to find them homes!

Fostering makes animals more adoptable, allows us to find perfect matches, and opens up space at the shelter for incoming animals.

Think you don't have enough time? Think again! There are different options:

"The rewards of seeing the love, gratitude and joy of my fosters with their forever families are boundless and keep me coming back to CAA to rescue one more...and one more... and one more."
