

Strategic Theme #3

Provide Relevant and Timely Instructional Support for Teachers and School-Based Staff

Strategic Initiative 1b

Align instructional support efforts to ensure a collaboration between school administrators and district staff around the school's professional development focus.

Guiding Vision

Pittsburgh Public Schools will ensure that there is clarity, coherence and collaboration between school-based and District-based instructional support to teachers.

Outcomes

- Collaborative instructional support resulting in positive changes in teacher practice.
- Consistent teacher practice and pedagogy across schools.
- Clear and constant communication on teacher learning between school administration and Central Office Staff.
