LESSON IN LIFE

A wise man sat in the audience and cracked a joke.
 Everybody laughs like crazy.
 After a moment, he cracked the same joke again.
 This time, less people laughed.
 He cracked the same joke again and again.
 When there is no laughter in the crowd,
he smiled and said:
*You can't laugh at the same joke again and again,
 but why do you keep crying over the same thing
 over and over again?*
