Dear Brothers and Sisters:

I hope everyone is well and looking forward to Rolling Thunder XXX, "Ride for Freedom" on May 28, 2017 in Washington, D.C. Believe it or not 30 years have passed by since we started this demonstration! I wish to thank all our supporters, organizations and clubs for the loyalty and commitment they have given to this issue over the years. Without your help and dedication, the POW/MIA issue would have been swept under the carpet long ago.

What have we gained in the past years? Together we have passed legislation for our Troops and our Veterans. We continued to put pressure on our Government to do something about the POW/MIAs that were left behind and never returned. The Government and Legislators in Washington know Rolling Thunder and our Mission. But much more has to be done, we still need answers as to what happened to the live POWs left behind. During the Vietnam War Hanoi publicized live captured American POWs on film, being marched through the streets of Hanoi. What happened to those captured Americans seen alive and shown on national media? We know that they never returned home. Why has our government not demanded answers on those left behind? The propaganda films were proof that live American prisoners were left behind.

Since the beginning of Rolling Thunder many remains from WWII, Korea and Vietnam have been recovered, identified and buried on America soil. Six remains from WWI have also been recovered and returned, from a war that took place almost one hundred years ago. I believe that through the influence of Rolling Thunder and our supporters the remains recovery process has increased over the years. We have not forgotten those that have fought the good fight for our Country and will bring them home to rest.

Cambodia and Laos have not returned any live POWs to us. Hanoi has given us nothing since operation Home Coming. There is nothing to gain by holding our Troops. There is a good chance that there are live POWs being held by countries involved in the past Wars. Keep the pressure on our government and maybe, just maybe our Government will wake up and do their job. Talk is cheap when our Government states they will do everything possible to bring all live POWs/MIAs home, we need to see some action taken.

When will this happen, maybe during Congress and the Senate vacation or maybe when they vote themselves another pay raise!!! Remember our POWs/MIAs, our Troops serving and God Bless the United States of America! Hope to see you at our 30th Anniversary "Ride for Freedom" Demonstration.

Sincerely,

Sgt. Artie Muller
National Executive Director

Joseph Bean
National President
