# 1 Competitions

If Football Brisbane engages a sponsor, a condition of entry into a Football Brisbane competition is that clubs are required to uphold any requirements stipulated in the sponsorship contract. Such requirements may include signage, the display of logos on club websites, use of designated balls etc.

Football Brisbane will endeavour to ensure that any requirement by a sponsor has minimal financial impact on clubs and not impact existing sponsorship contracts. At all times Football Brisbane will negotiate with clubs to minimise any disadvantage to a club's existing sponsorship.

## 1.4 Promotion and Relegation

### 1.4.1 Senior Competitions

#### Brisbane Premier League (BPL)

The last placed team and the 2<sup>nd</sup> last placed team will be relegated to Capital League 1.

If a club eligible for promotion from Capital League 1 does not meet the requirements for promotion into the BPL (see Capital League 1 below), then the club that finished 2<sup>nd</sup> last will remain in the BPL. If neither club that is eligible for promotion from Capital League 1 meets the requirements for promotion into the BPL, then the two teams that finished 2<sup>nd</sup> last and last will remain in the BPL.

#### Capital League 1

The 1<sup>st</sup> placed team and the 2<sup>nd</sup> placed team at the completion of the fixture season (not including Finals Series) will be eligible for promotion to the BPL. To earn promotion from Capital League 1 into the BPL, Clubs must also meet the Grounds and Facilities criteria for BPL and demonstrate that they have an Under 18 squad for the new BPL season.

The last placed team and the 2<sup>nd</sup> last placed team will be relegated to the division immediately below.

#### Capital League 2 to Capital League 4 (or lowest Capital Competition)

The 1<sup>st</sup> placed team and the 2<sup>nd</sup> placed team at the completion of the fixture season (not including Finals Series) will be promoted to the next highest division.

The last placed team and the 2<sup>nd</sup> last placed team will be relegated to the division immediately below. The exception to the relegation rule is the lowest Capital League Competition e.g. Capital League 4, where there will be no relegation.

#### Other Promotion/Relegation Issues (Mens)

If a team which has qualified for promotion to the BPL or between Capital League Divisions advises that they do not wish to exercise the privilege, they must provide their reasons in writing to Football Brisbane, who will review the request. If the request is granted, the team that finished 2<sup>nd</sup> last in the division higher shall remain in that division.

In the event that both teams who have qualified for promotion to the BPL or between the Capital League Divisions advise that they do not wish to exercise these privileges, they must provide their reasons in writing to Football Brisbane, who will review the requests. If the requests are granted, then the two teams that finished 2<sup>nd</sup> last and last will remain in the division higher.

If a team from the BPL or any Capital League Division advises that it wishes to be relegated, they must provide their reasons in writing to Football Brisbane, who will review the request. If the request is granted, the team that finished 2<sup>nd</sup> last shall remain in that division. If the 2<sup>nd</sup> last team was not relegated, the team that finished last (if relegated) shall remain in that division. If neither team was relegated, Football Brisbane can, if they choose, seek applications from any other club to fill the vacancy.

If a team from the BPL or any Capital League Division does not enter for the following season, the team that finished 2<sup>nd</sup> last shall remain in that division. If the 2<sup>nd</sup> last team was not relegated, the team that finished last (if relegated) shall remain in that division. If neither team was relegated, Football Brisbane can, if they choose, seek applications from any other club to fill the vacancy.

If a team withdrawal or request for relegation causes a vacancy in the BPL or any Capital League Division after the application of the above rules, Football Brisbane can, if they choose, seek applications from any other club to fill the vacancy.

Note: Promotion and relegation rules/outcomes may be subject to change, due to changes in competition structures.

#### All Mens City League Competitions

There is no promotion to the Capital League from City League 1. The composition of these divisions will be determined on an annual basis based on the previous season's results.

A process of application during the pre-season period will be used to determine the final competition structure. Several timeframes will be offered to clubs in which to apply to have a team regraded. These applications will be assessed and results taken into consideration when deciding on the appropriate division for all teams.

Any club in City League that is not represented in the Brisbane Premier League or the Capital League may apply to be admitted to the Capital League. This application will be reviewed by Football Brisbane.

#### U20 and U18 Competitions

The composition of these competitions will be determined on an annual basis by nominations. Once nominations have been received, they will be assessed on previous performance.

#### Brisbane Womens Premier League

The last placed team and the 2<sup>nd</sup> last placed team will be relegated to the Womens Capital League.

#### Womens Capital League

The 1<sup>st</sup> placed team and the 2<sup>nd</sup> placed team at the completion of the fixture season (not including Finals Series) will be promoted to the Brisbane Womens Premier League.

#### Womens City League 1

If not already in the Womens Capital League, the Club that finishes 1<sup>st</sup> in Womens City League 1 may apply in writing to Football Brisbane, who will review the request, to be admitted to the Womens Capital League.

If the Club that finishes in 1<sup>st</sup> place in City League 1 already has a team in the Womens Capital League, the club that finished in 2<sup>nd</sup> place, providing that they are not already in the Womens Capital League, may apply in writing to Football Brisbane, who will review the request, to be admitted to Womens Capital League.

#### Other Promotion/Relegation Issues (Womens)

If a club from the BWPL advises that it wishes to be relegated, they must provide their reasons in writing to Football Brisbane, who will review the request. If granted, the club that finished 2<sup>nd</sup> last will remain in the BWPL. If the 2<sup>nd</sup> last club was not relegated, the club that finished last will remain in the BWPL. If no club was relegated, Football Brisbane can, if they choose, seek applications from any other club to fill the vacancy.

If a club from the BWPL does not enter for the following season, the club that finished 2<sup>nd</sup> last will remain in the BWPL. If the 2<sup>nd</sup> last club was not relegated, the club that finished last will remain in the BWPL. If no club was relegated, Football Brisbane can, if they choose, seek applications from any other club to fill the vacancy.

If a team which has qualified for promotion to the BWPL advises that they do not wish to exercise the privilege, they must provide their reasons in writing to Football Brisbane, who will review the request. If the request is granted, the team that finished 2<sup>nd</sup> last in the BWPL shall remain in the BWPL.

In the event that both teams who have qualified for promotion to the BWPL advise that they do not wish to exercise these privileges, they must provide their reasons in writing to Football Brisbane, who will review the requests. If the requests are granted, then the two teams that finished 2<sup>nd</sup> last and last in the BWPL will remain in the BWPL.

If a team from the Capital League advises that it wishes to be relegated, they must provide their reasons in writing to Football Brisbane, who will review the request. If the request is granted, Football Brisbane can, if they choose, seek applications from any other club to fill the vacancy.

If a team from the Capital League does not enter for the following season, Football Brisbane can, if they choose, seek applications from any other club to fill the vacancy.

If a team withdrawal or request for relegation causes a vacancy in the BWPL or Womens Capital League after the application of the above rules, Football Brisbane can, if they choose, seek applications from any other club to fill the vacancy.

Note: Promotion and relegation rules/outcomes may be subject to change, due to changes in competition structures.

#### Womens City League Competitions

The composition of these divisions will be determined on an annual basis based on the previous season's results.

A process of application during the pre-season period will be used to determine the final competition structure. Several timeframes will be offered to clubs in which to apply to have a team regraded. These applications will be assessed and results taken into consideration when deciding on the appropriate division for all teams.

#### Legends League (Womens)

The composition of these competitions will be determined on an annual basis by nominations. Once nominations have been received, they will be assessed on previous performance.

### **1.4.2 Super Youth League (SYL)**

The highest two placed eligible teams (excluding clubs in the National Premier League) in Division 1 at the completion of the fixture season (not including Finals Series) will be promoted to Super Youth League of the following season's age group (eg teams promoted from Under 15 Division 1 will be placed in Under 16 SYL in the subsequent season).

These applications will be assessed and results taken into consideration when deciding on the appropriate division for all teams.

#### Under 12

For allocation of teams to Under 12 divisions, two weeks of grading games, as outlined on the competition calendar, are mandatory. The format will consist of each team playing a maximum of 3 shortened (2 x 15 minute halves) games per day.

## **1.5 Other Competitions & Play-Off Matches**

Football Brisbane may, from time to time, also schedule other competitions within the zone. Rules for these competitions shall be set prior to the commencement of any competition.

Football Brisbane may conduct Cup Competitions before, during and after the conclusion of the fixture season. Additional Rules for these Cup Competitions shall be set prior to their commencement.

All Cup Competitions are subject to and should be read in conjunction with these Rules of Competition and the additional Cup Rules. In the event of an omission or inconsistency between these Rules and the additional Cup Rules, Football Brisbane will determine and rule on the interpretation.

Football Brisbane may schedule play-off matches in order to establish the composition of a competition. Rules for the play-off matches shall be set prior to the commencement of these matches and will be read in conjunction with all Football Brisbane Rules and Policies.

## **1.6 Monies Owing to Football Brisbane (FB) By a Club**

All amounts owed by a Club to FB must be paid within 30 days of the date of the invoice issued by FB in relation to that amount.

If a Club fails to pay any amount owing to FB in accordance with this, FB may issue a Default Notice giving the Club a further 14 days to pay that amount.

If a Club fails to comply with a Default Notice issued in accordance with this, or agree to a repayment plan with FB for the amount owed, FB may, at its sole discretion:

- Rule that Club (or the applicable Team(s) within that Club) ineligible to earn competition points in any Competition Fixture or Sanctioned Match in which the Club (or Team) plays, until the debt is paid;
- Suspend or expel that Club [or Team(s)] from any Competition Fixture (including Cup Fixtures) and/or FB competitions.
- Prohibit that Club [or Team(s)] from promotion whilst the debt remains unpaid.
- Relegate that Club [or Team(s)] while the debt remains unpaid.
- Deduct points from a Club (or Team) for the following season where the debt remains unpaid or accrues after 30 September of the relevant year.

If FB and a Club agree to a repayment plan in relation to a debt owed by the Club to FB and the Club fails to meet any of the terms of that payment plan by the stipulated date and time, FB may immediately and without the need to issue a further Default Notice, impose one or more of the sanctions referred to above.

Matches will generally be rescheduled with a minimum gap of three (3) days from other scheduled/rescheduled fixtures unless both teams agree or Football Brisbane determines a match needs to be played and other options are not available.

If a match is postponed while both teams are at the ground, the teams should attempt to agree to a reschedule date at that time. Should an agreed date be settled on, both teams are to advise Football Brisbane of the agreed rescheduling (via email).

### 2.2.1 Senior Competitions

Generally, postponed matches will be rescheduled by Football Brisbane for the next available “catch-up” weekend.

For matches needing to be rescheduled midweek, once requested, the HOME club has seven (7) days to respond with advice of their preferred option for rescheduling.

If the HOME club’s preferred option is less than seven (7) days from the date of advice to Football Brisbane, the HOME club must supply a second option outside the seven (7) day time frame. The opposition club has a right of refusal to a reschedule within the seven (7) day time frame.

#### 2.2.1.1 Penalties and Outcomes

- If the HOME club fails to provide a response within seven (7) days, the match may be awarded to the AWAY club with a 3-0 scoreline and the HOME club may be fined (See Appendix 2).

### 2.2.2 Junior Competitions

For postponed matches needing to be rescheduled by Football Brisbane, if the next available “Catch-up” weekend is more than four weeks away, then the matches will need to be rescheduled as midweek matches.

Once requested, the HOME club has seven (7) days to respond with advice of two preferred options for rescheduling. At least one (1) of the provided options must be outside of seven (7) days from the lodgement of the reschedule proposal.

The AWAY club must respond within seven (7) days from the date of advisement from Football Brisbane and may decline the proposed options. If the AWAY club declines the proposed options Football Brisbane will reschedule the match at its discretion.

#### 2.2.2.1 Penalties and Outcomes

- If the HOME club fails to provide a response within seven (7) days, the match will be awarded to the AWAY club with a 3-0 scoreline and the HOME club may be fined (See Appendix 2).
- If the AWAY club fails to provide a response within seven (7) days, the match will be awarded to the HOME club with a 3-0 scoreline and the AWAY club may be fined (See Appendix 2).
- Should a team refuse to participate in a match that has been rescheduled by Football Brisbane, the match will be awarded to the opposition club with a 3-0 scoreline and the club may be fined (See Appendix 2).

In exceptional circumstances clubs may apply for an exemption from these penalties and outcomes.

All substitutes must be seated within the technical area. They must wear bibs or an alternative coloured uniform to both team strips. Substitutes are permitted to warm up outside of the technical area, provided they are wearing bibs or an alternative coloured uniform to both team strips. In these Competitions, a player whose name appears on the Match Sheet is deemed to have participated in the match. The exception to this rule is a Reserve Goalkeeper (if marked as such on the match sheet). Referees will record whether a Reserve Goalkeeper has participated by the normal manner of recording a substitution. If no record of participation is shown, then the Reserve Goalkeeper will not be deemed to have participated in the match.

### 2.4.2 Junior Competitions

In all competitions, unlimited Return Substitutions (Interchange) are permitted, with no more than five (5) substitutes permitted to be named on the Match Sheet. A player who has been substituted may return to the field for another player.

DRAW	One	(1) Point
LOSS	Nil	(0) Points
BYE	Nil	(0) Points

## 2.6 Alterations to Fixtures

### 2.6.1 Application for Alterations

Any application for an alteration to scheduled fixtures shall be submitted, using the appropriate on-line form, to Football Brisbane at least fifteen (15) working days prior to the scheduled fixture. Each request will be determined on its merits. Applications for alterations due to "social functions" (e.g. weddings, christenings, confirmations or other social and religious events) or "work commitments" will not be considered.

Clubs are not permitted to negotiate fixture alterations between themselves. All requests for alterations must come through the relevant Competition Administrator at Football Brisbane.

Football Brisbane's decision in regards to the rescheduling of fixtures will be final.

### 2.6.2 Representative Duties

Any competition team with three or more players unavailable due to representative outdoor football duties, at Football Queensland/Football Federation Australia approved tournaments including state-wide school representative tournaments, will be entitled to have their fixture rescheduled upon application. Applications must be made at least fifteen (15) working days prior to the scheduled fixture.

Should Football Brisbane approve the application to reschedule the match, the following process will occur:

- (a) For matches needing to be rescheduled, the HOME club has seven (7) days to respond with advice of their preferred option for rescheduling. If no response is received within that time frame, the match will be awarded to the opposition club as a forfeit with a 3-0 scoreline.
- (b) Should the HOME club's preferred option be less than seven days from the date of the advice to Football Brisbane, the HOME club must supply a second option outside the seven (7) day time frame. Only in this case will the opposition club have a right of refusal to a reschedule date within seven (7) days.
- (c) If an AWAY club will not accept any of the options given, and does not provide a reasonable explanation in writing as to why, the game will be declared a forfeit and the points awarded to the HOME club.

Football Brisbane will rule as to what is reasonable and the decision will be final.

### 2.6.3 School Football (Junior Competitions and Under 18s only)

Applications due to involvement in local inter-school sport or non-representative sanctioned competitions including but not limited to the Kanga Cup, will not be considered.

### 2.6.4 School Commitments (Junior Competitions and Under 18s only)

Applications due to school commitments / functions will be assessed on their merits. All applications must be accompanied by a letter from the School Principal outlining how the event relates to the education curriculum. The application must be received at least fifteen (15) working days prior to the scheduled fixture.

If Football Brisbane approves the application to reschedule the match, the process defined in Section 2.6.2 will be followed.

## 2.7 Non-Participation in a Fixture

Any team that fails to fulfil any of its fixture or finals obligations arranged by Football Brisbane will be deemed to have forfeited the match.

Any team that wishes to forfeit a match prior to the scheduled day & time must notify Football Brisbane either by email (if prior to the day or during the day of a night match) or by phoning the relevant Competition Administrator (if a late forfeit). Football Brisbane will then notify the opposition team and match officials.

Any team that is not ready to commence a fixture or finals match **by 15 minutes after the scheduled kick-off time**, (this includes the ground of the HOME team not being ready for play in the opinion of the match officials ie the field must be correctly marked, with nets and corner posts up and goals anchored if required), will be deemed to have forfeited the match.

If any team claims such a forfeit they must forward a completed Official Match Sheet, signed by the appointed referee. If a Referee is not appointed, a club official must forward an Official Match Sheet noting the circumstances of the non-playing of the fixture to Football Brisbane.

A team deemed to have forfeited may submit a request, within three (3) working days to Football Brisbane, if they believe the forfeit was caused by exceptional circumstances. Football Brisbane will review the request and make a determination. Football Brisbane's decision in regard to the forfeit will be final.

If any team forfeits a fixture for any reason on two or more occasions in the same competition season without satisfactory explanation provided in writing to Football Brisbane, they will be asked to show cause as to why they should not be withdrawn from the competition.

### 2.7.1 Penalties and Outcomes

Any match deemed to be a forfeit will be recorded as a 3-0 win in favour of the opposing team, with the points being awarded to the opposing team. The club of the forfeiting team will be fined per offence (See Appendix 2) and may be subject to further disciplinary action.

### 2.7.2 Senior Competitions

In the BPL, BWPL and Capital Leagues, if a club does not have sufficient players to field a Reserve and First team, the First team shall take priority. Failure to do so will result in disciplinary action against the offending club and both the Reserve and First team fixtures will be awarded 3-0 to the opposition.

## 2.8 Withdrawal/Removal/Suspension from Fixtures

If any team in a competition withdraws, is removed or suspended, then the following will apply:

- If the team is withdrawn, removed or suspended before the competition has started and cannot be replaced, a bye in the competition will be substituted
- If the team is withdrawn, removed or suspended during the first round, the recorded results for that team will be deleted and, if the team cannot be replaced, a bye in the competition will be substituted for the remainder of that round; if they cannot be replaced in the competition for the remaining round(s), a bye in the competition will be substituted for the remaining round(s)
- If the team is withdrawn, removed or suspended during the second or subsequent rounds, all points and goals acquired for the completed rounds will be retained by opposing teams and the recorded results for that team in the uncompleted round will be deleted and, if the team cannot be replaced, a bye in the competition will be substituted for the remainder of that round; if they cannot be replaced in the competition for the remaining round(s), a bye in the competition will be substituted for the remaining round(s)
- If Football Brisbane has doubts about the validity of any earlier round matches for a team withdrawn during the second or subsequent rounds, it may delete all results for that team
- Football Brisbane reserves the right to negotiate with the club of a replacement team as to the method by which the new team enters the competition at any point in that competition and how points are attributed to that team for the remainder of the season.

### 2.8.1 Penalties and Outcomes

The club of the team withdrawn will be fined (See Appendix 2) and may be subject to further disciplinary action.

### 2.8.2 Senior Competitions

If the team to be withdrawn is not the lowest divisional team in the club, the club will be asked to show cause as to why it should be allowed to withdraw the higher divisional team.

## 2.9 Postponed Matches

Matches may only be postponed by the appointed match official at the match or by Football Brisbane upon advice from the HOME club prior to the match in cases of severe weather (see Section 9 – Wet Weather Procedures). Football Brisbane may postpone an earlier match or matches on any day to allow a later match or matches to go ahead at its absolute discretion. (See Section 2.2 in relation to rescheduling of Postponed Matches.)

Football Brisbane reserves the right to record any outstanding fixtures that have not been completed by **NO LATER THAN** one (1) week after the conclusion of the fixture season as a NIL-ALL (0-0) DRAW.

Football Brisbane may decide not to reschedule a fixture that has no bearing on the finals positions.

## 2.10 Abandoned Matches

If the match official abandons a Football Brisbane match at half time or later, **then the match result will stand**, unless:

- One or both of the competing clubs request the match to be replayed, or
- The matter is referred to Football Brisbane for determination

All replay requests must be made in writing within five (5) working days of the match being abandoned. Any request after this time will be disregarded and the match result will stand.

Football Brisbane shall take into consideration the following when considering a request for a replay:

- Reasons why the match was abandoned
- Result of the match at the time of abandonment
- The impact on the final league standing of a fixture
- The impact on the finals series of a finals match

The decision of Football Brisbane will be final on whether to grant a replay. Any replayed match will be played in full.

Any match abandoned before half-time will be replayed unless both teams agree to forego the replaying of the match or Football Brisbane determines that the match does not need to be replayed.

Football Brisbane reserves the right to determine the match result if it is satisfied that one (or both) of the competing teams, its players, officials, members or supporters were directly responsible for the abandonment of the fixture. This includes the abandonment of a match due to a team having less than seven players on the field.

#### **2.10.1 Penalties and Outcomes**

If it is determined that one (or both) team(s) is (are) responsible for the abandonment, the club(s) responsible will be fined (See Appendix 2).

Football Brisbane may decide to direct any of the following outcomes:

- The match be replayed
- The match be recorded as "NO RESULT"
- The match be recorded as 0-0 draw
- The match be recorded as a 3-0 win in favour of the opposing team, unless the score at the time of abandonment was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team
- Impose a fine, suspend, expel or take whatever disciplinary action it deems necessary against the offending club(s), player(s) and official(s)

Football Brisbane's determination on the outcome of any abandoned match shall be final.

Should Football Brisbane determine that a match is to be replayed, the provisions for rescheduling as outlined in Section 2.2 will apply.

### **2.11 Goal Difference**

If, at the end of the fixture competition, two or more teams in a competition are equal on points, goal difference shall be taken into account in determining:

- The Premiers
- The teams eligible to play in the Finals Series in the respective divisions
- The teams to be relegated to a lower division
- All other positions on the points table

Goal difference shall be calculated by subtracting the total number of goals AGAINST from the total number of goals FOR in all fixture matches:

- If two or more teams have a "plus" goal difference, the team with the higher or highest resultant plus figure from such subtraction shall be deemed to have the superior goal difference and shall be the higher or highest placed team
- If one team has a "plus" goal difference and other teams have a "zero" or "minus" goal difference, the team with the "plus" goal difference from such subtraction shall be deemed to have the superior goal difference and shall be the higher or highest placed team
- If one team has a "zero" goal difference and other teams have a "minus" goal difference, the team with the "zero" goal difference from such subtraction shall be deemed to have the superior goal difference and shall be the higher or highest placed team
- If two or more teams have a "minus" goal difference, the team with the lower or lowest resultant minus figure from such subtraction shall be deemed to have the superior goal difference and shall be the higher or highest placed team
- In the case of goal difference being equal, the team having scored the most goals FOR shall be the higher or highest placed team

In the case of teams having an equal goal difference and having scored an equal number of goals FOR:

- The team with the higher or highest number of points from matches played between the teams in question shall be the higher or highest placed team
- If the number of points is equal, then the team with the superior goal difference from matches played between the teams in question, shall be the higher or highest placed team
- In the case of goal difference being equal, the team having scored the most goals FOR from matches played between the teams in question, shall be the higher or highest placed team

- If the goal difference and goals FOR are equal, then the team that scored the most away goals from matches played between the teams in question, shall be the higher or highest placed team
- If teams are still equal after taking into account all of the above considerations, the following will apply:
- To determine Premiers, the clubs concerned shall play off one or more matches on neutral ground(s), the format, timing and venue(s) of which shall be determined by Football Brisbane
  - To determine Finals Series positions - an official of each team will be required to meet with an official of Football Brisbane and lots will be drawn
  - To determine all other positions on the table - lots will be drawn

### 3 Finals Series

### Playing Up in Finals

A player who is eligible to play in finals at a particular divisional level is eligible to play in finals in any team higher than that level without affecting their eligibility for their qualified level.

### 3.3.4 Penalties and Outcomes

If a borrowed player is found to have participated in a match, without Football Brisbane's approval, the player will be deemed to be an ineligible player. Amateur players who have previously registered under FFA for clubs based in the Football Brisbane Zone (including NPL clubs based in the Football Brisbane Zone) for the current season are not permitted to re-register with another club within the Football Brisbane Zone after 30 June each year. (NOTE: MiniRoos are excluded from this provision, ie they are permitted to re-register with another club to play MiniRoos at any time.)

Amateur players who have registered under FFA in Australia for clubs based outside the Football Brisbane Zone for the current season may apply to Football Brisbane to allow an exemption to register within the Football Brisbane Zone after 30 June each year. The decision of Football Brisbane will be final in considering any such application.

#### Exemptions

Clubs may apply to Football Brisbane for exemptions to these registration rules in exceptional circumstances. The decision of Football Brisbane will be final on whether to allow an exemption.

Professional players may only be registered during one of two Registration Periods each year. The first period runs from 1 January to the last Wednesday before the first fixture round. The second period runs for four weeks ending on 30 June each year.

Unless cancelled earlier, registration is effective from date of registration until 31 December of that year.

Any player not registered as per FFA National Registration Regulations and Football Brisbane Registration Procedures and Guidelines for the current season is ineligible and is not permitted to participate in any Football Brisbane competition.

### Premier, Capital, City, Under 20, Under 18 & Junior Leagues

### Legends League

Players registered to play in the Legends League ONLY are not eligible to participate in other Football Brisbane Competitions. If players wish to play in both competitions, (Legends and Premier, Capital or City Leagues), they will need to register separately for each competition. If a player is registered to play in the Premier, Capital or City Leagues, they may register to play Legends League at a different club to their Premier, Capital or City Leagues registration.

#### **4.1.1 Penalties and Outcomes**

If a player not registered as per FFA National Registration Regulations and Football Brisbane Registration Procedures for the current season is found to have participated in a match, the player will be deemed to be an ineligible player. The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team. The club of the ineligible player will be fined (See Appendix 2) and may be subject to further disciplinary action.

## **4.2 Suspended Players**

Any player under suspension by Football Brisbane or any other Federation is ineligible and is not permitted to participate in any fixture until that suspension is served. This includes mandatory suspensions for yellow and red cards along with penalties determined by a Disciplinary Committee.

#### **4.2.1 Penalties and Outcomes**

Any player under suspension by Football Brisbane or any other Federation who is found to have participated in a match is deemed to be an ineligible player. The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team. The club of the ineligible player will be fined (See Appendix 2) and may be subject to further disciplinary action.

## **4.3 Player Age Requirements**

These requirements apply to all competitions and must be read in conjunction with all Player Eligibility rules.

As per the National Registration Regulations, all players are classified as "Junior" players until they attain the age of eighteen (18) years. Therefore, prior to competing out of their Designated Age Group, any junior player must have a PA01 completed by their parent or guardian.

The competitions below are age restricted competitions:

Womens Legends	Players born in the year 1987 or earlier
Under 20	Players born in the year 1997 or 1998
Under 18	Players born in the year 1999 or 2000

Under 14	Players born in the year 2003
Under 13	Players born in the year 2004
Under 12	Players born in the year 2005

Where clubs have to combine age groups the following restrictions apply:

- The majority of players in the squad must come from the older age level (i.e. 50% + 1). Where this is not the case application must be made to Football Brisbane for permission to vary this rule. Football Brisbane's decision on any such application will be final.

Football Brisbane reserves the right to withdraw from competition any team found in breach of these rules.

#### **4.3.1 Playing Out of Designated Age Group (Senior Competitions)**

### **4.3.2 Playing Out of Designated Age Group (Junior Competitions)**

#### Playing above Designated Age Group

Prior to competing above their Designated Age Group, any junior player must have a Request to Play Outside Eligible Age Form (OEA-01) completed by their parent or guardian to be held by the club and produced to Football Brisbane on request.

Players are permitted to play up one age level in all divisions subject to 'Composite Teams' rules as defined in 4.3 with parental/guardian approval.

Any player requesting to play more than one year out of their age group must provide evidence of Exceptional Circumstances as defined in 4.3.3.

#### Playing Below Designated Age Group

In all instances of players wishing to play down an age group, clubs must submit a written application to Football Brisbane.

For players who are suited to a lower age group due to their physical and/or social sense, clubs must submit, a written application accompanied by supporting medical or educational evidence along with the Request to Play Outside Eligible Age Form (OEA-01) completed by their parent or guardian.

For players who were born late in the year (eg December), clubs may apply for them to play in the age group below. The application must include the requested player's name, age and age group they wish to play into and any specific reason for the request (eg team viability) along with the Request to Play Outside Eligible Age Form (OEA-01) completed by their parent or guardian.

If approved, Football Brisbane will then confirm the decision in writing to the club. Please note that until approval is provided, the player cannot participate in matches in the lower age group as an eligible player.

### **4.3.3 Exceptional Circumstances**

The definition of Exceptional Circumstances in relation to the Player Age Requirements includes but is not limited to;

- a) Team Viability
- b) Documented skill level report from a Technical Director designated by Football Brisbane
- c) Advice from the State Technical Director

Clubs may apply to Football Brisbane for an exemption to these rules in exceptional circumstances. Any application must contain all supporting documentation. The decision of Football Brisbane will be final on whether to allow an exemption. Requests for exemptions will only be considered up to 30 June each year.

### **4.3.4 Penalties and Outcomes**

If a player is found to have participated in a match while in breach of the above age eligibility requirements, the player will be deemed to be an ineligible player. The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the

opposing team, and the points will be awarded to the opposing team. The club of the ineligible player will be fined (See Appendix 2) and may be subject to further disciplinary action.

## **4.4 Match Sheets**

Match sheets must list all players taking part in the match. If a player has not been listed at the commencement of the match and has participated, the player's name may be added at any time up until the signing off of the match sheets after the match.

A team must not list more than sixteen (16) players on their Match Sheet.

### **4.4.1 Penalties and Outcomes**

Should it be found that a club failed to list a player who takes part in a competition match, then the club will be disciplined as follows:

- (a) If it is established that the player was legitimately registered and was eligible to play, then the club may be fined for each offence (See Appendix 2) and the match result will stand.
- (b) If it is established that the player was not legitimately registered or was ineligible to play, the result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team. The club of the ineligible player(s) will be fined per offence (See Appendix 2) and may be subject to further disciplinary action.

If a team is found to have listed more than sixteen (16) players on the match sheet, any player(s) over and above the first sixteen (16) listed will be deemed to be an ineligible player(s). The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team. The club of the ineligible player(s) will be fined per offence (See Appendix 2) and may be subject to further disciplinary action.

## **4.5 Clubs with Teams in the Same Competition Division**

If a club has two or more teams in the same competition division, players are only permitted to play for one team in that competition division. This does not preclude them from playing for other teams within the club in other competition divisions (subject to all Player Eligibility rules and the Player Age Restrictions.)

### **4.5.1 Penalties and Outcomes**

If a player is found to have participated in a match while in breach of the above requirements, the player will be deemed to be an ineligible player. The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team. The club of the ineligible player will be fined (See Appendix 2) and may be subject to further disciplinary action.

## **4.6 Player Identity**

On match day, any team may ask to check the identity of any opposing player(s).

Football Brisbane requires that all players have a passport-style photograph loaded into My Football Club every year as part of the Registration process. The photograph must be in accordance with Football Brisbane Photography Policy (see Appendix 1).

Managers may check the Player Identity of any player(s) on the opposing team. This action must be completed prior to the player(s) participating in the game by the production of a My Football Club ID team sheet or some other form of photographic ID such as a driver's licence or valid student card. If identification cannot be provided and a club wishes to challenge the identity of a player(s), an image of the player(s) must be obtained at this time.

Should a club refuse to allow an image of its player to be taken, the opposition club should submit a protest to Football Brisbane as per section 4.8.

No Club Official shall have the power to refuse to allow an opposition player to take the field for any reason. Nor can they request that a Match Official refuse to allow a player to take the field.

## 4.7 Borrowed Players (Junior Competitions)

A borrowed player must have noted in the "Substitutes" column their regular team. It is the responsibility of the Club official challenging a borrowed player's eligibility to make a note (e.g.: "challenge") in the "Substitutes" column on the match sheet and complete the requirements as stated in 4.6 above before the matter is to be referred to Football Brisbane for investigation as defined in 4.8.

## 4.8 Protest - Playing Ineligible Player

Any club is permitted to lodge a protest regarding the alleged fielding of an ineligible player(s). The protest must be in writing (eg email) from a designated club official or contact outlining the details of the protest and the player involved. Should the protest involve the allegation of a player playing under another player's name, the protest should include a photograph of the player(s). An investigation into the protest will be undertaken as soon as possible.

In the event that the protest is upheld, the Penalties and Outcomes as stated in 4.8.1 below will apply. In the event that the protest is dismissed, then the match result will stand.

### 4.8.1 Penalties & Outcomes

If it is established that a player competing in any Football Brisbane competition match was ineligible to play, the club of the ineligible player will be fined (See Appendix 2).

The following will also apply:

- The club found guilty shall forfeit any goals scored and points gained in that match and the points and match will be awarded to the opposing team
- The game will be recorded as a 3-0 win in favour of the opposing team, unless the final result was of a greater margin in favour of the opposing team
- Football Brisbane may impose a fine, suspend, expel or take whatever disciplinary action it deems necessary against the offending club or player

If it is established that both clubs competing in any Football Brisbane competition match fielded players who were ineligible to play, the clubs of the ineligible player(s) will be fined (See Appendix 2)

The following will also apply:

- The match will be deemed as a **NO RESULT**, whereby, no points will be awarded
- Football Brisbane may suspend, expel or take whatever disciplinary action it deems necessary against the offending clubs or players

If a Finals Series match or Cup match is declared a "No Result", Football Brisbane may determine that the match be replayed.

## 4.9 National Premier League (NPL)

Players registered to NPL clubs are not eligible to play for any clubs in any Football Brisbane competition. (Exception - Legends Competition – see 4.1 re Legends registration).

### Senior Mens, Mens Youth and Mens Under 18

Players registered to Football Brisbane clubs are not eligible to play for any clubs in any NPL competition unless under "Exceptional Circumstances" (See NPL Rule 11.9). To be clear, Senior Mens, Mens Youth and Mens Under 18 NPL teams are not allowed to borrow players from their catchment area "shadow player" list.

### Womens

Players registered to Football Brisbane clubs are not eligible to play for any clubs in any NPL competition unless under "Exceptional Circumstances" (See NPL Rule 11.9). To be clear, Senior Womens NPL teams are not allowed to borrow players from their catchment area "shadow player" list.

NPL clubs may apply to have a senior player who is returning from a long term injury, or has a demonstrated lack of playing time, to participate in a Brisbane Women's Premier League fixture match. The NPL player must participate for a club located within their NPL club's catchment area. Applications must be received in writing no later than four (4) working days prior to the Football Brisbane fixture. NPL clubs may only make a submission a maximum of five (5) times per player (See NPL Rule 12.5).

Football Brisbane will evaluate the application on it's merit and reserve the right to decline any application.

### Junior Boys (U12-U16) & Junior Girls (U13, U15 & U17)

NPL clubs may nominate up to seven (7) Shadow Players from their catchment area. These Shadow Players may be borrowed to play in the NPL competition for their relevant age group as per the NPL Rules.

#### Limitation on use of Shadow Players

Nominated Shadow Players are only allowed to be borrowed into the NPL competition a maximum of five (5) times in fixture matches. Once they have been borrowed six (6) times in fixture matches, they are no longer eligible to play in any Football Brisbane Competition. The “Borrowed” count includes Starts and Substitution appearances (if a substitute and not used, it does not count towards the “Borrowed” count). (NOTE – the “Borrowed” count excludes matches played in NPL finals series.)

#### **4.9.1 Penalties & Outcomes**

If a player is found to have participated in a match while in breach of the above rules, the player will be deemed to be an ineligible player. The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team. The club of the ineligible player will be fined (See Appendix 2).

## **5 Player Eligibility (Senior Competitions)**

### **5.1 Senior Leagues Rank Order (excluding Legends League)**

<b>Men</b>	<b>Women</b>
Brisbane Premier League / Reserves / U18	Women’s National Premier League
Capital League 1-4 / Reserves	Brisbane Women’s Premier League / Reserves
City League Band 1 (CL 1 & 2)	Women’s Capital League & City League 1
City League Band 2 (CL 3 & 4)	City League Band 1 (CL 2 & 3)
City League Band 3 (CL 5, 6 & 7)	City League Band 2 (CL 4 & 5)
All Under 20 Divisions	
Under 18 Division Band 1 (Div 1 & 2)	
Under 18 Division Band 2 (Div 3 & 4)	

In determining player eligibility in Senior Football (see relevant rules below relating to each competition), the previous table sets the appropriate order of rank for each league. Specifically, the highest rank league is at the top of the table.

The Legends League is a separate competition and is not part of the Senior Leagues Rank Order above.

### **5.2 Junior Competition**

The Junior Competition as a whole, is ranked lower than the Senior Competition.

### **5.3 Player Transfers during the Season**

If a player changes clubs during the season, then the “count” of matches played at a level does not carryover from their previous club to their new club. Therefore, there is no restriction on what division a player is able to take part in subject to the rules below applying at their new club.

This does not include Cup Competitions, where restrictions do apply if a player changes clubs – see relevant Cup Competition Rules.

### **5.4 Substitution/Return Substitution (Interchange) Clarification regarding Eligibility**

In relation to all rules below, “has started” refers to matches played under the Substitution rule and means commenced the match from the kick-off; “been listed” refers to matches played under the Return Substitution (Interchange) rule. For the avoidance of doubt, appearances as a Substitute **DO NOT** count towards playing in a higher ranked competition (appearances as a Return Substitute/Interchange **DO** count towards playing in a higher ranked competition).

## **5.5 Brisbane Premier League**

Players may play without restriction between First, Reserve and Under 18 teams in fixtures (subject to age eligibility).

Players who have started in any Firsts and Reserves games for the BPL more than six (6) times in total at their current club are ineligible to play in any lower ranked competition for that club.

## **5.6 Capital League (Men)**

Players may play without restriction between Firsts and Reserve teams in fixtures.

Players who have started/been listed in any Firsts and Reserves games for the Capital League more than six (6) times in total at their current club are ineligible to play in any lower ranked competition for that club.

## **5.7 Brisbane Women's Premier League**

Players may play without restriction between Firsts and Reserve teams in fixtures.

Players who have started in any Firsts and Reserves games for the BWPL more than six (6) times in total at their current club are ineligible to play in any lower ranked competition for that club.

## **5.8 Women's Capital League & City League 1**

Players who have started/been listed in any higher ranked competition or higher ranked Band more than six (6) times in total at their current club are ineligible to play in a lower ranked City League Band for that club.

## **5.9 City League (Mens and Womens)**

Players who have started/been listed in any higher ranked competition or higher ranked City League Band more than six (6) times in total at their current club are ineligible to play in a lower ranked City League Band for that club.

In the event that a club is participating in more than one (1) City League competition within the same division (for example City League 3 Blue and City League 3 Silver), those teams will NOT be permitted to borrow between them.

## **5.10 Mens Under 20**

Players who have started/been listed in any higher ranked competition more than six (6) times in total at their current club are ineligible to play in an Under 20 match for that club.

Players who have been listed in any higher ranked Under 20 Division more than six (6) times in total at their current club are ineligible to play in a lower ranked Under 20 Division for that club (ie Division 1 is ranked higher than Division 2 and so on).

## **5.11 Under 18 (Men's and Women's)**

Players who have started/been listed in any higher ranked competition more than six (6) times in total at their current club are ineligible to play in an Under 18 match for that club

Players who have been listed in any higher ranked Under 18 Band more than six (6) times in total at their current club are ineligible to play in a lower ranked Under 18 Band for that club.

## **5.12 Legends (Men's and Women's)**

Players who have been listed more than six (6) times in total in any higher ranked Legends Division at their current club are ineligible to play in a lower ranked Legends Division for that club (ie Division 1 is ranked higher than Division 2 and so on).

Players who are registered for both the Football Brisbane Senior Competition and the Legends League are not restricted from playing in either competition subject to the rules above relating to each competition, except in the following instance:

### **5.12.1 Brisbane Women's Premier League/ Women's Capital League**

Players who have started in the Brisbane Women's Premier League Firsts or Reserves, or listed in the Women's Capital League competition more than six (6) times in total at their current club are ineligible to play in Legends.

### 5.13 Cup Competitions

Participation in Cup Competitions does not contribute towards the eligibility of a player to play at any level.

### 5.14 Junior Players in Senior Competitions

Any player eligible to play in the Junior Competition (including those who have received an exemption for Exceptional Circumstances) who has started/been listed in any Senior Competition more than six (6) times in total, is then no longer eligible to play in any Junior Competition.

### 5.15 Penalties & Outcomes

If a player is found to have participated in a match while in breach of the above rules, the player will be deemed to be an ineligible player. The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team. The club of the ineligible player will be fined (See Appendix 2).

### 5.16 Exemptions

Clubs may apply to Football Brisbane to allow an exemption to these rules in exceptional circumstances. The decision of Football Brisbane will be final on whether to allow an exemption. Requests for exemptions will only be considered up to 30 June each year.

## 6 Grading, Borrowing and Regrading of Players (Junior Competitions)

### 6.1 Grading of Players

All players participating in Junior competitions will be classed as graded into the team where they play their first fixture match. Players can only be graded into one team at any one time.

Players registered after the first fixture of the season will be classed as graded into the team where they play their first fixture match.

### 6.2 Borrowing of Players

Registered competition players may be borrowed to play in equal or higher divisions and age groups provided that they have completed the appropriate Player Age Assessment Forms (PA-01), but may only do so for a maximum of four (4) matches within any Junior competitions. The maximum number refers to the total number of games played up and not to each team they may play in. Wherever possible, borrowing should occur from a team within the same age group.

A team playing in a fixture shall be permitted to borrow players from a lower division in that particular age group, or an equal or lower division in a lower age group (e.g. an U13 Div 3 team can borrow from an U12 Div 3 or lower team).

In the event that a club does not have a younger age team in an equal or lower division, but does have a younger age team in a higher division, the club must apply for dispensation to allow a certain number of players to be borrowed.

Players in Under 11 teams participating in the Komodo Dragons grouping are NOT permitted to be borrowed by teams in U12 Division 2 or lower. Teams in U12 Division 2 and lower are able to borrow from teams from the Under 11 Geckos and Goannas groupings.

In the event that a club is participating in more than one (1) junior competition within the same division (for example U12 Division 3 North and U12 Division 3 South), those teams will NOT be permitted to borrow between them. Additionally, where a club has two (2) teams in the same competition, those teams will NOT be permitted to borrow between them.

Players cannot be borrowed between gender specific teams and mixed teams.

***Borrowing a player or players must not advantage the borrowing team's performance when compared with its usual squad.***

### 6.3 Regrading of Players

### 6.3.1 Regrading Upwards – Super Youth League Players

If a player plays more than six (6) matches for any higher age group within the SYL, that player is no longer eligible to play in their original SYL age group (they are automatically regraded to the higher age group).

### 6.3.2 Regrading Upwards – Divisional Competition Players

If a player plays more than four (4) matches for any higher age group or division, that player is no longer eligible to play in their original age group or division (they are automatically regraded to the higher age group or division).

### 6.3.3 Regarding Upwards – Across Competitions

Should a player have played up in a mixture of competitions (SYL and Divisional) in more than four (4) matches, the player's club is to advise Football Brisbane who will rule on the player's eligibility.

### 6.3.4 Regrading Downwards

Clubs may request that a player be regraded downwards at any time. They must submit a request with the requested player's name, age and age group they wish to play into and the reason for the request.

If approved, Football Brisbane will then confirm the decision in writing to the club. Please note that until approval is provided, the player cannot participate in any lower grade matches as an eligible player.

## 6.4 Exemptions

Clubs may apply to Football Brisbane to allow an exemption to these rules in exceptional circumstances. The decision of Football Brisbane will be final on whether to allow an exemption. Requests for exemptions will only be considered up to 30 June each year.

## 6.5 Player Transfers During the Season

There is no restriction on what division a player is able to take part in should they change clubs during the fixture season subject to the Rules of Competition.

## 6.6 Penalties & Outcomes

If a player is found to have participated in a match while in breach of the grading, borrowing and regrading rules, the player will be deemed to be an ineligible player. The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team.

# 7 Legends League Specific Match Rules

### Slide Tackles

No Slide Tackles are allowed (including Goalkeepers). A Slide Tackle occurs when two or more players are challenging for the ball and any of them "slide" for the ball. Any challenge not made on two feet is to be considered a Slide Tackle. There must be a slide AND a tackle before the challenge can be penalised, but there does not have to be contact between the players.

A player is considered to be challenging an opponent for the ball if the opponent is within a radius of **one (1) metre** of the player. These rules apply to a goalkeeper who chooses to play or attempts to challenge for the ball with her feet. They do NOT apply to a goalkeeper playing or attempting to play the ball with her hands.

### Tackling from Behind

No tackling from behind is allowed.

### Cautionable Offences (Yellow Cards)

If a player commits a Cautionable Offence (those listed in the Football Brisbane Disciplinary Policy as well as a slide tackle or a tackle from behind), then they must spend 10 minutes in the "sin bin" (off the field), with a replacement player permitted to take the field.

# 8 Club Responsibilities

## 8.1 Facilities/Ground Arrangements

Each club must ensure their compliance with the published "Playing Facilities Standards" available on the Football Brisbane website.

The home club must ensure:

- The ground is correctly marked, including the technical area
- That if portable goals are used, they are anchored as per the Australian Standards
- It provides suitable goal nets, safely fastened or pegged to the ground and corner flags
- It provides toilet facilities and dressing room facilities that are hygienic and clean
- It has adequate refreshment/canteen facilities open to the public
- It provides a safe environment for players, officials and spectators
- It provides a Referee's Room where referees can rest and leave their belongings while officiating

The dimensions of the playing field shall conform to the Laws of the Game and preferably shall be consistent with the dimensions specified in the Laws for International matches. Any club whose facilities do not meet the requirements specified may be fined, suspended or have its home fixtures played away. The minimum acceptable dimensions for the Premier Leagues (Mens & Womens) are 90 metres (100 yards) long and 60 metres (66 yards) wide.

## 8.2 Field Lighting

Clubs wishing to host night fixtures during the season must submit certified field lighting audits upon request and have approval for competition play by Football Brisbane. Certification is based on an audit of the lighting system by a suitable consultant. The Club must pay the cost of the audit.

Recommendations for football field lighting detailed in the Australian Standard AS2560 Part 2.3 "Lighting for Football" includes: Minimum Service Luminance Lux (Average) 100 and Minimum Uniformity Ratio (Min: Ave) 0.5 for competition matches. To achieve this level for the whole season, the Minimum Service Luminance (Average) at the commencement of the season must be 110 Lux.

(NOTE - this LUX requirement does not apply to Legends League.)

## 8.3 Technical Area

Each club must have Technical Areas clearly marked as stipulated by FIFA guidelines and provide sufficient seating to allow all personnel to be seated during the match. The Technical Area must be positioned inside or on the fence line (where grounds are fenced) or at a maximum of two (2) metres from the touch line at unfenced grounds. Any structure must be at least two (2) metres from the touch line.

- A maximum of ten (10) persons are permitted to be within the confines of the Technical Area. This can include the coach, assistant coach, the substitutes and team trainer or medical staff.
- Only Team Officials and substitutes listed on the match sheet prior to the commencement of the match are permitted in the Technical Area. ID Cards must be worn at all times by Team Officials.
- Only one person at a time is authorised to convey tactical instructions during the match.
- The coach and other officials must remain within the confines of the Technical Area, except in special circumstances, for example, a team physio or doctor entering the field of play, with the referee's permission, to assess an injured player.
- All substitutes must be seated within the Technical Area. They must wear bibs or an alternative coloured uniform to their and the opposition team strip. Substitutes are permitted to warm up outside of the Technical Area, provided they are wearing bibs or an alternative coloured uniform to their and the opposition team strip. When warming up, substitutes should use an area furthest from the opposing team.
- All occupants must behave in a responsible manner. The match official has the right to expel any person from the technical area at any time as he or she sees fit. The game will not recommence until that person has left the playing field and surrounds to the match official's satisfaction.
- Smoking or the consumption of alcohol within the confines of the playing barrier fence is strictly prohibited. This includes the team bench within the Technical Area and all of its occupants, including players, coaching staff, club marshals and officials.

## 8.4 Team Officials

Football Brisbane requires that all Team Officials have a passport-style photograph loaded into My Football Club every year as part of the Registration process. The photograph must be in accordance with Football Brisbane Photography Policy (see Appendix 1).

Once correctly registered, Football Brisbane will produce ID Cards which must be worn by Team Officials while in the Technical Area. The ID Card must be displayed and visible at all times during a match.

Clubs are accountable for their appointed Team Officials (Coaches, Managers, and Medical staff) and they should be made aware that they are governed by a Code of Conduct. Penalties of suspension of Team Officials, fines, and good behaviour bonds, can be levied upon clubs, where it is found that Team Officials have breached the Code of Conduct.

It is the Team Officials' responsibility to ensure:

- The team has minimum number of seven (7) players to commence the match
- That the team **does not list** more than 16 players on the Match Sheet
- All players taking the field are eligible to play
- All players taking the field of play are listed on the Match Sheet
- All players are ready to commence the fixture at the scheduled kick-off time

Team Officials are also responsible for players' behaviour before, during and after any game.

## 8.5 Ground Officials & Team Marshals

It is the responsibility of the home club to provide sufficient Ground Officials who must be in clearly identifiable uniform and must identify themselves to the appointed Match Official prior to the match.

Ground Officials are to be visible at all times and must be designated to provide an escort to all match officials before kick-off, at half time and full time.

A Ground Official cannot be the Coach or Manager whose game is in progress on the park, nor can the Ground Official be the Canteen Supervisor.

### Junior Competitions

- It is the responsibility of both participating teams to supply a team marshal who is responsible for ensuring the behaviour of their respective supporters.

The Ground Official must:

### Before the Match

- Check the Referees' room and make sure it is clean and comfortable.
- Upon arrival of the Referees, make known to them that you are the Ground Official in case they need assistance.
- If an official Referee is not present, ensure that a Referee is arranged either by the Club or by consent of the two teams playing.
- Check with the Equipment Officer that an alternate strip is available if required.
- Ensure that three (3) appropriate match balls are available for the Referee.
- Escort the Referee and Assistant Referees to the field of play.

### During the Match

- Ensure that both teams leave the grounds in a proper and orderly manner.
- Escort the Referee and Assistant Referees from the field of play.

## 8.6 Admittance to Grounds

Clubs must honour all honorary admission passes issued by Football Federation Australia, Football Queensland and Football Brisbane.

## 8.7 Match Officials' Fees

The team manager is required to supply the Match Sheet to the Match Officials at least 15 minutes prior to the match.

### 8.7.1 All Competitions

- Fixtures - fees are paid by the Home club
- Elimination/Qualifying, Semi and Preliminary Finals - fees will be shared **equally** by competing teams.
- Grand Finals – fees will be paid by Football Brisbane

## 8.8 Match Sheets

On match day, both participating teams are required to provide two (2) copies of an official Football Brisbane Match Sheet prior to the commencement of any match. Both teams must ensure they have the minimum number of players to commence the match (7 players). The Match Sheets **MUST** be supplied to the match referee **at least 15 minutes** prior to the scheduled kick-off.

Match sheets are to be printed from SportsTG. (See instructions in Managers' Guide sent to clubs and available on Football Brisbane website.)

A Match Sheet must:

- List all match details (age group, division, date, fixture number, participating teams, and venue);
- List all players taking part in the match with shirt number, surname, first name (and FFA number where possible);
- List all borrowed players (Junior competitions);
- Not list more than 16 players for any fixture;
- List all Team Officials;

The referee is responsible for ensuring the names of all Match Officials are listed on the Match Sheet.

## 8.9 Playing Strips

All clubs must nominate a "Home" and "Alternate" strip on the official club affiliation form. The alternate strip must be of a different colour (this applies to shirts, shorts and socks) to the nominated home strip.

All playing strips must have clearly visible numbers on the back of the jerseys. Goalkeepers may play without a number.

In the event the player's uniform or attire has blood on it, the referee will instruct that player to change his attire before being permitted to re-join the game. Should the injured player be required to change his shirt, then the referee will show discretion in allowing the player to wear an alternative numbered or unnumbered shirt if necessary.

Sponsorship advertising on playing strips shall conform to the Football Queensland guidelines which are available on the Football Brisbane website.

Goalkeepers can wear any colour provided it does not clash with either team or Referee/Assistants. **NB - Goalkeepers MUST NOT wear replica strips.**

### 8.9.1 Senior Premier & Capital Leagues

All first named clubs will be deemed the "HOME" team and will play in their nominated colours. In the event there is a clash of colours, it is the responsibility of the "**AWAY**" team to change to an alternate strip.

**AWAY teams must take their alternate strip (shirts, shorts and socks) to every match and will be required to change if the appointed Match Official requests it as per requirements listed below in 8.9.4.**

Team Managers should check the strip worn by their opponents to avoid the likelihood of a clash.

### 8.9.2 Senior City Leagues, Under 20, Under 18 & Legends Competitions

All first named clubs will be deemed the "HOME" team and will normally play in their nominated colours. In the event there is a clash of colours, it is the responsibility of the "**HOME**" team to change to an alternate strip.

### 8.9.3 Junior Competitions

All first named clubs will be deemed the "HOME" team and will normally play in their nominated colours. In the event there is a clash of colours, it is the responsibility of the "**HOME**" team to change to an alternate strip.

Junior teams are not permitted to advertise any alcohol or tobacco related products on their playing strips.

### 8.9.4 Table of Permitted Clashes of Playing Strip

Clubs and Match Officials should refer to the following table which lists which items of the strip are permitted to clash for different Leagues.

	BPL/BWPL	Capital League	City League	U20/U18	Legends
<b>Shirt</b>	No clash permitted	No clash permitted	No clash permitted	No clash permitted	No clash permitted
<b>Shorts</b>	No clash permitted	Clash permitted	Clash permitted	Clash permitted	Clash permitted
<b>Socks</b>	No clash permitted	No clash permitted	Clash permitted	Clash permitted	Clash permitted

### 8.9.5 Penalties and Outcomes

If a Competition Fixture does not commence due to an inability to resolve a clash of strips, and it can be established that a club did not comply with the requirements above, the offending club will be deemed to have forfeited the match and will be fined as per a forfeit (See Appendix 2).

Should a Match Official proceed with a match in which a club has not complied with the requirements above, the Match Official is to report this to Football Brisbane and the offending club will be fined (See Appendix 2).

## 8.10 Match Balls

The host Club shall provide three (3) footballs of correct size and in good order and condition for each match. The size of the match balls shall be as follows:

Competition	Match Ball Size
Under 12 – Under 13	Size 4
Under 14 – Senior	Size 5

## 8.11 Procedures Following a Match

Following the match, each team Manager and Referee must sign off the Match Sheets after verifying the accuracy of final result, game details (red cards, cautions, goal scorers and times) and players listed. Each manager must sign and collect one (1) copy of their own Match Sheet and one (1) copy of the opposition's Match Sheet from the match officials.

Match Sheets must be forwarded to Football Brisbane within two (2) days of the completion of the game. Each team is responsible for forwarding their own match sheet. Football Brisbane's preferred method is to receive match sheets via email.

Each club is only responsible for notifying their own club members of field closures.

### 9.1 Mid-week & Friday night cancellations

The **HOME** club is responsible for deciding if matches are to proceed. If any matches are called off, the **HOME** club is required to **SMS** Football Brisbane on the Wet Weather Number (**0421 271 735**) (**NOT** telephone messages) **by 9.00am** on the day of the match.

##### Sunday

The **HOME** club is responsible for deciding if matches are to proceed. If any matches are called off, the **HOME** club is required to **SMS** Football Brisbane on the Wet Weather Number (**0421 271 735**) (**NOT** telephone messages) **by 8.00am** on the day of the match.

On Saturday or Sunday, if the situation arises where conditions deteriorate after these times, clubs are to ring the Wet Weather Number (**0421 271 735**) to discuss the options – do **NOT** send an email.

If matches have not been postponed after following the above procedure, it is then the Referee's decision, on arrival, as to whether matches are to go ahead. Should the Referee postpone matches, the **HOME** club must notify (**by SMS**) the Wet Weather Number (**0421 271 735**).

- **Notification process for weekend matches**

Matches postponed will be listed in the “**SENIOR GROUND CLOSURES**” section (under “**Wet Weather**”) on the Football Brisbane website (clubs will NOT be advised by SMS unless there are late postponements).

### 9.2.2 Junior Competitions

Clubs can advise if their fields are unplayable for Saturday and Sunday matches up to the end of business hours on the preceding Friday by contacting the FB Office or via the following process after that time:

- (a) FB will receive an SMS notification of field unavailability from the affected club to 0421 271 735 **by 7am**. If a club has not closed their fields by 7am then it will be a Referees call, as to whether games are played or cancelled.
- (b) FB will collate information for release on its website (“**JUNIOR GROUND CLOSURES**” section; under “**Wet Weather**”) on a regular basis between 7:15am and 11.15am Saturday and Sunday.

## 9.3 Penalties & Outcomes

If any **HOME** club does not abide by the Wet Weather Procedures, they will be deemed to have forfeited any matches that were due to be played on that particular day at their ground and will be fined (See Appendix 2). The results of those matches will be recorded as a 3-0 win in favour of the opposing team, and the points will be awarded to the opposing team.

## 9.4 Complete Weekend Cancellation (Junior competitions ONLY)

In the event that Football Brisbane declares the cancellation of a complete fixture weekend due to extreme weather events, all fixtures may be declared as 0-0 draws.

Any matches which were completed during a “declared” weekend may be declared as 0-0 draws.

Football Brisbane may decide to play or replay any matches from a “declared” weekend as it sees fit.

## 9.5 Extreme Weather Conditions

In extreme weather conditions, Football Brisbane or the appointed Match Official reserves the right to postpone, delay or abandon any fixture. If the appointed Match Official postpones, delays or abandons any fixture, they must submit a report to Football Brisbane.

All Clubs, players, Team Officials and Match Officials are requested to note the following:

- If the temperature is 32° or above, water bottles should be made available and placed along the sidelines to enable any player to take a drink during the course of the game; and
- If conditions are considered extreme by the Match Referee, he or she has discretion to allow a 2-minute break during the course of each half.

# 10 Match Officials

## 10.1 Non-Attendance of Match Official

Should the appointed Referee fail to honour their appointment, then the next most senior Match Official will be appointed to take charge of the fixture, provided they are qualified to officiate the match in question.

In the event the appointed Referee is late on arrival, then the replacement Match Official will take charge of the fixture until the appointed Referee is ready to take over.

In circumstances where only one Assistant Referee has been appointed, **the home team is requested to provide a Club Assistant to assist the Match Referee**. If necessary, the away Club may be asked to provide an Assistant. However, the game cannot start without two Assistants if the Referee requests them.

In circumstances where no Assistant Referees have been appointed, **the home team is requested to provide two Club Assistants to assist the Referee**. If necessary, the away club may be asked to provide an Assistant. Please note, the game should not start without 2 Assistants, however this decision will be at the Referee's discretion.

If non-attendance of a match official means that a match official under the age of 18 is the only match official, then that match official is not permitted to officiate in that match without Football Brisbane permission.

## 10.2 Unavailability of Match Official

In the event no registered Match Official is present to take charge of the fixture, then the designated "Home" club shall appoint a Match Official to take charge of the fixture. This Match Official has the same powers as a registered Match Official. Once a game has commenced, neither team can change their agreement to the appointed Match Official.

### 10.2.1 Senior Competitions

If the home team is unable to provide a Match Official, the away team may provide the Match Official. If neither team is able to provide a Match Official, they may choose to postpone the match. This should be advised to Football Brisbane as soon as possible. Both teams must agree within five (5) working days on a date for the rescheduling of the match and advise Football Brisbane. If a reschedule is not agreed upon within this time, a 0-0 draw will be recorded as the result of the match.

### 10.2.2 Junior Competitions

All clubs are obligated to fulfil all fixtures regardless of whether a Match Official is present to take charge.

Should any club fail or refuse to participate in any fixture on the above grounds, then the following will apply:

- The match will be recorded as a 3-0 win in favour of the opposing team, and the points will be awarded to the opposing team;
- The club will be fined per offence, and will be subject to further disciplinary action

In the event both teams refuse to play, Football Brisbane reserves the right to award a **NO RESULT**, fine both clubs and recommend further disciplinary action.

## 11 Interpretations, Disputes and Applications for Variances

Football Brisbane reserves the right to rule on any interpretation of these rules if any dispute arises. Clubs are advised to seek clarification from Football Brisbane if in any doubt as to the meaning of these rules. Applications for variances to these rules should be lodged by the Club Secretary to the Competitions Manager, Football Brisbane with all supporting documentation. Football Brisbane reserves the right to change or amend these rules at its absolute discretion.

## 12 Appeal against Breach of Competition Rules Decision

An appeal against a decision in relation to a breach of the Competition Rules will not be allowed unless the club seeking to appeal satisfies Football Brisbane that one or more of the following grounds of appeal are involved:

- (i) That significant new or additional evidence has become available
- (ii) That the penalty imposed is not in accordance with the provisions of these Rules
- (iii) That Football Brisbane failed to follow procedures or requirements of these Rules to the significant detriment of the club seeking to Appeal.
