### *A Message from Glendale Sunrise Rotary Club President - Tom Propst*

The Glendale Sunrise Rotary Club takes pride in sponsoring the first annual Field of Honor and Gratitude. Our club members anticipate this being an annual signature event for our community to celebrate and enjoy. The Glendale Field of Honor and Gratitude provides an opportunity for community members to recognize those who provide inspiration and make our community great. We hope you enjoy and will support this first annual Field of Honor and Gratitude.

### *A Message from Glendale Field of Honor and Gratitude Committee Chairman- Eric Hamilton*

It's one thing to say the Pledge of Allegiance at a community event or take off your hat while someone sings the National Anthem at a ball game. However, walking through an area larger than the size of a football field, with 1000 American Flags flying, brings feelings of patriotism, gratitude and respect. Ten committees are working to make this event a success. The money raised will directly impact the local community, our schools, grants/scholarships and many organizations. Thank you for your support and God Bless America.
