PROFILE

I am a passionate and highly motivated Character Animator with the goal of bringing believable and entertaining character and creature performance to screen. I'm an ambitious individual constantly seeking to expand my skills as an animator in a challenging work environment where I can share my knowledge and learn from others.

PROFESSIONAL EXPERIENCE

Animator - Jellyfish Animation February 2017 - Present
Animating characters for upcoming CBeebies and FreemantleMedia Kids & Family pre-school animated TV show Bitz & Bob. Working closely within a team and the guidance of feedback from leads and directors to provide high quality cartoony animation within tight deadlines.

Junior Animator - Blue Zoo September 2016 - January 2017
Animated character shots for Cbeebies animated TV show Numberblocks, delivering 30 seconds of animation per week.

Animation Intern - Dramatico June 2015 - July 2015
For this placement I was introduced to working within a professional studio pipeline and mentored by the lead and director while animating several shots for a children's TV series from blocking through to final pass.

SKILLS

- Solid understanding of animation principles
- Excellent time management
- Able to adapt to various styles of animation
- Being able to receive feedback and apply it to my animation
 - Python Scripting

SOFTWARE

- Autodesk Maya
- Adobe Premiere
- Adobe Photoshop
