About *EmergencyCare*

EmergencyCare provides northwestern PA with fast, reliable and professional emergency ambulance response. Other services offered include non-emergency wheelchair and medical taxi transport, non-emergency stretcher transport via ambulance for patients who need to move to other care facilities, ambulance standbys at community events and thousands of education and outreach programs each year.

EmergencyCare also offers a membership program which saves patients tens of thousands of dollars a year in healthcare spending by eliminating out-of-pocket expenses for medically necessary ambulance services.

Community donations allow *EmergencyCare* to stay at the forefront of the industry by training personnel in cutting-edge medical interventions, purchasing updated equipment and adequately staffing 24/7/365 to serve the communities who rely on us.

For information on services, classes, how to become a member or how to donate to *EmergencyCare*, please Call (814) 870-9999 or visit www.EmergencyCare.org
