

You do not have to be a registered member of the Boy Scouts of America to take Youth Protection training.

To take Youth Protection training go to [My.Scouting.org](https://my.scouting.org) and create an account. You'll receive an email notification with your account information, including a member ID/reference number.

From the [My.Scouting.org](https://my.scouting.org) portal, click Home then My Dashboard from the menu list. The My Training page displays to take Youth Protection training. Upon completion, you may print a training certificate to submit with a volunteer application. Your training will automatically be updated in our system and associated with the member ID/reference number issued when you created the account.

When your volunteer application is approved, you will receive a BSA membership card that includes your member ID number.
