Your Christmas with Plant Designs

Make this festive season magical with a little help from the Plant Designs team.

We have brought back our most popular designs and award winning schemes as well as adding in some wonderful new options to bring the joy of the festive season to your workplace.

We can provide trees, scenes, garlands and rings to make sure your colleagues and visitors get into the Christmas spirit!

Working with Plant Designs for Christmas means:

- Having an interesting new look every single year
- The highest quality replica trees in realistic green or flocked for a soft snowy feel
- No worries about wilting branches or needle drop
- Upgrade to one of our amazing scene packages or choose to create a bespoke design
- A display designed for your space and delivered, decorated and collected again by our team of elves
- We remain on call in case of any unlikely issues.

Read on for all the festive options and inspiration you need to make this Christmas season bright!

Set The Scene

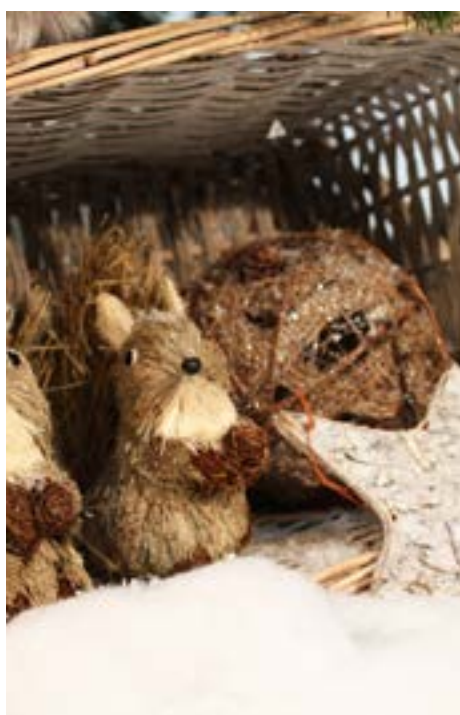

It is time to set the scene! We are experts in creating the most magical Christmas scenes in the capital and we have the awards to show for it.

Every single scene on this page has won an industry award for design. Our team can create something just for your space or see the following pages for the great scene packages we have available.

Scene Packages

Looking to make the most of your space? A festive scene is the way to go! Choose from our fabulous range of packages, they are just what you need to create a show-stopping wintry scene to really bring out the Christmas cheer!

Our packages are all available in any of our decor schemes, from something traditional to a modern take on Christmas. They can be customised with props and accessories to suit the festive feeling you have in mind. So whether you want a colourful Christmas or a minimal nordic look, we have you covered.

O'Christmas Trees - from £975 +VAT

7ft and 5ft tree in green or flocked

Decorated in your choice of scheme with a base of small animals, present stacks or crates with snow matting and a dusting of snow on the branches.

Scene size approx 2.5 x 2m across the base

2 Calling Birds - from £1500 +VAT

10ft and 7ft tree in green or flocked

Decorated in your choice of scheme with a base of small animals, present stacks or crates with snow matting and a dusting of snow on the branches.

Scene size approx 3.5 x 2.5m across the base

We Three Trees - from £1750 +VAT

8ft, 7ft and 6ft tree in green or flocked

Decorated in your choice of scheme with a base of small animals, present stacks or crates with snow matting and a dusting of snow on the branches.

Scene size approx 3.5 x 2.5m across the base

We can also create amazing bespoke scenes with any quantity and any combination of trees sizes. If none of the packages sound like what you have in mind, talk to us and our Christmas team can create something tailor made.

Scenes

Our scene packages and bespoke scenes are available with any of the decor schemes in this brochure. Always put together with an attention to detail from the highest branches to the individual touches around the base.

Scene Props

We have a range of props to spark your imagination and create a bespoke scene.

Penguin Family

Snowman

Polar Bear

Deer

Fireplace

Log Cabin

Postbox

Large Lit Star

Santa's Chimney

A close-up photograph of a Christmas tree branch. The branch is covered in green needles and is decorated with several red ornaments of different sizes. A gold star-shaped ornament is visible in the lower right corner. The background is dark and out of focus, with some white lights visible.

CLASSICS

Cosy Christmas

Shown with a 'Set The Scene' base

A festive classic! Ever popular, warm and comforting. This is a design that can't fail to charm everyone over the Christmas period. Rich red baubles, luxurious crimson Poinsettias along with glittering golden ornaments and sprays to complete the top of the tree.

Choose a scene package or add a matching ring to complete the look. See page 37 for more details.

Snow & Ice

Shown with a 'Set The Scene' base

The first frost can visit your office this year and bring with it a tree dripping with elegant frosted charm. This light, bright scheme will bring some festive twinkle indoors with it's white and silver baubles and glittering icy ornaments.

Choose a scene package or add twigs and other accessories to complete the look. See page 38 for inspiration.

Jack Frost

Shown with a 'Set The Scene' base

Jack Frost is coming to visit! This scheme is a cheerful combination of rich reds with icy white and silver ornaments. Like a warm scarf on a chilly winter day. This scheme works wonderfully on a flocked or green tree, and is perfect when complemented with a terrarium or desktop bowl display.

You can choose a scene package or a single tree with decor at the base. See page 7 for some scene ideas.

Arabian Nights

Shown with a 'Set The Scene' base

A bright and dazzling statement tree! An exuberant mix of jewel colours will conjure up eastern promise and images of fairytale Moroccan Palaces. Full of rich colours and textures this scheme is sure to catch the eye.

Add a beautiful matching festive ring to complete the look or go big with a full Arabian scene. See page 37 for more.

A close-up photograph of a Christmas tree branch. The branch is covered in white, fluffy snow. Several green leaves with a gold glitter finish are visible. A brown, textured bird ornament is perched on the branch. In the bottom right corner, a teal glass ball ornament is visible. The word "CONTEMPORARY" is written in white, uppercase letters across the center of the image.

CONTEMPORARY

Winter's Tale

Shown as part of a scene

A storybook Christmas tree. This rich design combines orange, bronze and natural wooden decorations for a warm wintery glow. Complete with open books and delicate twigs nestled in the branches, it's sure to warm your spirits all season long.

Add a matching ring to finish the look and select a mini scene for the base - see page 33 for more finishing touches.

Woodland Spice

This tree is a woodland wonderland! Branches filled with natural wooden textures, deep blue baubles, wintery fruit and curious forest creatures. This decor scheme is sure to add a natural charm to your festivities.

Perfect when combined with a festive ring decorated with woodland décor. This scheme also works beautifully as a scene package.

Frosted Forest

Shown with a 'Set The Scene' base

A subtle and tasteful mix of matte sage green, brown and champagne with glittery leaves and golden birds make this tree like a soft snowy day. This design looks great on a flocked tree or green tree with a dusting of loose snow. Perfect paired with a matching glass vase display or terrarium. See page 39.

Frankincense & Myrrh

Shown with a 'Set The Scene' base

This rich scheme is filled with deep colours. Evoking feelings of relaxing in a cosy winter lodge. Glittering coppers and rich olive green baubles combine with pheasant feathers & champagne accents, creating a sumptuous feel.

Available with matching accessories including rings and garlands. See page 36 for more.

A Gatsby Christmas

Shown with a 'Traditional Christmas' base

A cool mix of graphite, silver, black and a subtle touch of gold which will transport you back in time to the roaring twenties. Flocked branches drip with Art Deco decor. You can almost see Jay Gatsby nearby with a festive glass of champagne...

This design is only available on a flocked tree. For sizes and extras see page 27.

Swan Lake

Shown with a 'Set The Scene' base

A light and elegant Christmas scheme, glittering blues are mixed with icy-whites. The poinsettias and light blue eucalyptus sprays add a natural yet dramatic look to this design. Perfect in a contemporary setting.

Add extra interest by selecting a scene package or matching accessories around the base.

Mulberry Blush

Shown with a 'Set The Scene' base

This beautiful decor scheme is warm and rich. The contemporary mix of berry colours with natural pine cones and leaves make it suitable for many spaces. The deep floral palette will add a sophisticated touch.

Rings and garlands can be decorated in the scheme to continue the look around your office. See page 36.

There are a range of options for finishing off the base of your tree. From a **Simply Tree** wool wrapped base, **Traditional Christmas** with a pile of gift box and bags with a glitter mat base or **Set The Scene** with a beautifully decorated base including props, gifts, animals and either snow or glitter matting. All bases are put together to match your chosen scheme.

Under Your Tree

Simply Tree - A wool wrap in a colour to complement your chosen scheme

Traditional Christmas - A glitter mat and gift boxes to fit with your tree design

Set The Scene - A perfect mini scene at the base with props, matting, gifts and decorations

Colour Pool

Make something unique from our colour pool. You can choose a silver or gold decor base and then add a combination of colours from our range.

We can help you match your interior decor, your company colours or just a favourite festive combination.

Available on trees of all sizes and as scenes.

Dark Blue

Turquoise

Green

Lilac

Purple

Bright Pink

Tartan

Red

Copper

Gold

Lime

Petrol

Silver

Pearl

Black

Colours available to create your own colour pool combination.

All schemes will come with LED lights and you can choose an under tree decor option from page 27 to complete the look.

Selecting Your Tree

To create your display choose from the decor schemes and tree sizes then what you'd like under your tree (see page 27). If you'd like to upgrade to a festive scene, select your decor and the scene package you'd like.

For bespoke scenes and pricing please speak with our team for a quote or more ideas.

A close-up photograph of a winter-themed still life. In the background, a brown teddy bear sits next to a woven basket. In the foreground, a small, fluffy white and brown animal, possibly a hamster or a small dog, is nestled in a bed of white snow. The animal is surrounded by pinecones and green, glittery leaves. The text "Make It Complete" is overlaid in the center of the image.

Make It Complete

Tie It Together

Adding garlands, rings and displays can be made in any colour scheme to bring your space together.

Makes Scents

Making the move from live trees to our high-quality replica trees?

You don't need to lose the Christmas aromas with the addition of natural smelling tree scents. These small scented sticks dangle discreetly in the branches giving off a lovely scent all season.

Available in a range of scents including cinnamon, Christmas wreath, fir and spruce. All wintry and festive!

Focal Corners

Option 1 - Frosty Corner

Option 2 - Mid Winter

Option 3 - Narnia

Looking for something to display in a smaller space? Our focal corners are perfect for windows and smaller areas that would benefit from some festive cheer. You can choose from the options above, then add accessories and expand to suit your space.

If you need some advice or inspiration ask our Christmas sales team who can help you to design something to fit the space you have in mind. Prices start from £195.00 + VAT

Cone Trees - These 3ft mini cone trees work well on desktops or as floor standing displays. Match them to your main tree or use alone.

Umbrella Trees - Our umbrella trees are elegant and lightly flocked to add a snowy feel to a scene or alone. They can be lightly decorated or work for a natural forest look.

4ft Potted Trees - A popular option, these potted trees are floor standing and a great way to add more trees around your space

Rings & Garlands

Garlands

Match them to your tree and spread the festive cheer around the office. Tie your space together or make the reception desk or stairs a feature of their own. Available in any bespoke length and three shapes, regular, swag and teardrop.

Regular

Swag

Teardrop

Rings

A classic Christmas ring can add a festive touch while saving on space.

They are fully decorated to match your tree and available to hang up in your space or order along with a hat stand as a stand-alone display.

Twigs & Snowmen

Festive Twigs - An elegant and natural finishing touch. Illuminated clusters of frosted wintry twigs, available in white and brown. Can be lightly decorated in any colour or left natural to add some twinkle to your desk top. Height Guide - Med 50cm | Large 100cm

Snowman - Invite a snowman indoors for the season! This one won't melt and is sure to look festive all season long. Glass spheres filled with snow and small baubles to complement your other decor. Topped off with a smart hat. One Size - 75cm approx

Terrariums

Terrariums - A little winter scene for your desk top! Complete with a selection of miniatures and charming details. Delight everyone with a change from the usual and bring a little winter wonderland to your space. Available in 4 sizes.
Height Guide -
Small 15cm | Med 20cm | Large 35cm | Ex Large 45cm

Vases & Bowls

Glass Vases - An elegant option for your reception or any corners that need brightening. Available with decor to match your tree scheme or company colours. Vases work really well as a cluster or alone. Height Guide - Small 50cm | Med 70cm | Large 90cm

Bowl Displays - A great finishing touch for receptions and low tables. These festive bowl displays can be made to match other decor. Replica foliage along with baubles and twigs for an extra twinkle. Height Guide - Small 50cm | Med 70cm | Large 80cm

Festive FAB

Festive FAB Plants - Add some living plants to your festivities with our Christmas FAB range. Choose from Orchids or colourful Bromeliads for a fresh and blooming addition! Available with glittery twigs, berries and wintry ribbons to compliment your other displays.

Good To Know

Your Christmas is in good hands

- We design each display for each space - no 'one size fits all' design
- We visit every site before installation to check the design will work perfectly
- All displays installed by fully trained and friendly teams
- We call in within 48 hours of delivery to ensure everything is up to scratch
- Collection times are organised to suit your business
- We are based in central London and on-call in the event of unlikely issues
- We recycled all waste after the season is over

Ordering and Delivery

Our friendly team are happy to supply you with a no obligation quote. We can give you an estimated delivery time. The earlier you book the more delivery slots will be available. We will send an order form with your quote and once we receive this your displays will be booked in.

Collection

You can choose your preferred collection window -

- Op 1 - Collect before Christmas Day
- Op 2 - Collect between Christmas and New Year
- Op 3 - Collect after New Year (from 2nd Jan)

We will always do our very best to accomodate your chosen dates and the earlier we receive your order the more likely your preference will be free.

Our service includes delivery, installation and collection of displays. **All decorations illustrated are subject to availability and change.** Please ensure there is a power supply in the immediate vicinity of the planned tree location. In order to meet current regulations, connection and testing of equipment supplied is not the responsibility of Plant Designs Limited and liability remains with the client. Any alterations to walls or additions of hooks required for displays are the responsibility of the client and will not be installed by Plant Designs Limited. Battery lights work on a 6hr on/12hr off premise and may need to be manually switched on by the client. The replacement of batteries is the responsibility of the client (with the exception of immediate failure)

Our Other Services

We don't just do Christmas! As our name suggests plants are our year round passion. We supply interior and exterior living plants, living walls, moss walls, flowering FAB displays as well as fresh cut flowers.

You can talk to us about plants and Christmas at any time of the year and you can have all your horticultural services from one place so you can just deal with one friendly team.

For more information on what we can do for you please visit our website or call us on 020 8575 8949.
