

Privacy Policy

This privacy policy governs your use of the software application Figure Anatomy for mobile devices that was created by Human-Engine LLC. Figure Anatomy is a great reference and learning app to help draw human characters for both beginner and expert artists. This app works on both iPad and iPhone.

At Figure Anatomy, your privacy is very important. Our Privacy Policy covers how we collect, use, disclose, transfer, and store your information. Please take a moment to familiarize yourself with our privacy practices and contact us if you have any questions.

Use of Third Party Applications

- **iOS Camera**

Primarily used for both Augmented Reality and Taking Photos of your sketch in the app. Figure Anatomy don't use the camera to capture photos by itself without user's control.

- **iOS Photo Library**

Figure Anatomy App access to iOS photo library is primarily used for saving photo captured in the app. We don't collect any photos/videos from your photo library.

- **Facebook Graph API**

If you sign into Figure Anatomy App with Facebook Graph API, Figure Anatomy will use the information that is visible via your Facebook account such as: (1) your first and last name and (2) your profile picture/URL. Your name and profile pic/URL will only be used for User Interface when sharing to Facebook within the app.

- **Vuforia Plugin**

Primarily used for Augmented Reality functionality to render the model on the image target using device' camera.

Cookies and Web beacons

We don't use cookies and web beacons.

How we use your personal information

Your personal information will only be used in the app and stay in your device. We don't disclose, transfer, and store any personal information. If you provide Personal Data for a certain reason, we may use the Personal Data in connection with the reason for which it was provided.

For instance, if you contact us by email, we will use the Personal Data you provided to answer your question or resolve your problem.

If we intend on using any Personal Data in any manner that is not consistent with this Privacy Policy, you will be informed of such anticipated use prior to or at the time at which the Personal Data is collected.

Location information of the device

Figure Anatomy does not collect premise information about the location of your mobile device.

Our disclosure of your personal data and other information

Human-Engine is not in the business of selling your information. We don't disclose any personal data and information.

Changes to privacy policy

Figure Anatomy may update its Privacy Policy from time to time. As a result, at times it may be necessary for Figure Anatomy to make changes to this Privacy Policy at any time and from time to time without prior notice. Please review this policy periodically, and especially before you provide any Personal Data. Your continued use of the service after any changes or revisions to this Privacy Policy shall indicate your agreement with the terms of such revised Privacy Policy.
