STEADY EDDY'S COFFEE HOUSE announces the **2nd Annual Coffee Festival** in Downtown Winters.

Please join the community on March 24th from 12-5PM by the Gazebo across from Steady Eddy's. Local vendors will be present to provide attendees with a taste of Winters. This festival is family friendly. There will be a **KID'S ZONE** where children of all ages can learn about all things coffee through art & crafts! If it is music that elevates your senses, then you will want to check out the main stage. Musicians from **Steady Eddy's Open Mic** nights will be performing throughout the day!

"Downtown Winters is known for our local food and beverage industry and friendly community vibe," says Owner Carla Wroten, Steady Eddy's Coffee House, "We are trying to create a festival that centers around "Coffee and Community!"

Local businesses that are supporting the event as presenting sponsorships include **STEADY EDDY'S COFFEE HOUSE, BUCKHORN BBQ TRUCK, MISTER SIGN, CAL INC** and **MADE IN THE SHADE TENT RENTALS.**

Additional participating sponsors include El Pueblo, Turkovich Family Wines, Minds in Motion Dance Studio, Primos's Barbershop, The Winters Chamber, Sudwerk Brewery, R&V Screen Print, and Winters Healthcare are all proud sponsors of the event.

This year the festival will highlight and benefit **Winters Education**. Coffee Fest will donate 100% of beer sales to Winters Education Foundation.
