

Engineer in Training (EIT)

Horrocks Engineers has an immediate opening for a full-time Civil Engineer in our PleasantGrove, UT office. Candidate must be a graduate with a B.S. or M.S. in Civil Engineering. The position is for an Engineer-In-Training (EIT) to be trained in a wide variety of disciplines with a focus on residential and commercial land development. Must be able to communicate effectively and work well in a fast-paced team environment. Experience in AutoCAD Civil 3D is preferred. The Company may identify additional related skills and requirements as preferences in making decisions.

At Horrocks Engineers, we provide our employees with a highly competitive salary and benefits package, 401k, excellent health and dental insurance, vacation, sick, and holiday pay. We provide challenging assignments, superior management, high standards and reputation, and individual achievement is recognized and rewarded. Personal integrity and references are a must. Horrocks Engineers is an Equal Opportunity Employer.

Horrocks Engineers may identify additional skills and requirements for the hiring process. For a confidential interview, send resume to jobs@horrocks.com. Only applicants selected to interview will be contacted.
