III. PURPOSE/OBJECTIVE OF THE MEETINGS

Finalization of the Proposed Implementing Rules and Regulations of R.A. No. 9266

IV. MINUTES

Chairperson Hon. Antonieta Fortuna-Ibe welcomed the participants present during the meeting and gave her remarks.

Board Member Arch. Fernando L. Santos introduced one by one the participants.

Arch. Yolanda D. Reyes gave a short invocation.

A copy of drafted proposed IRR was disseminated to participants and were flashed at LCD for review and correction of its contents.

Chairman Gan gave a feedback/background on the conduct of drafting the IRR. He reported that there had been 16 consultations/hearings conducted by the Board, and this meeting was the 17th to come up with the finalization of the proposed IRR. He said, Atty. Pharson B. Mamalo, Chief, Legal Division and Atty. Carlos G. Almolor, Secretary, Professional Regulatory Boards, were given their copies in advance for review.

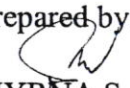

A review of its contents began the discussions. They went over one-by-one on every article, and Section. Comments, suggestions, and recommendations were discussed, corrected, and inputted at the LCD.

The IRR contained provisions not in the law provided that the former were intended to serve as procedures, standards, and criteria that will carry out or implement the said provisions of law, e.g., the provision on NSO Security Papers. Some provisions in the law were embodied in the IRR for ready reference, inasmuch as they are penal or criminal in aspect that will deter the potential violators of the said law.

After a lengthy discussion, they came up at a final proposed IRR. Each Member was given the corrected diskettes for their final review.

The consultative meeting was recorded in tape. The meeting ended at 5:00 P.M.
