EWE LAMB

Lot 27	Welsh	ESW1700866	Born:
<i>Terrific breeding behind this lamb. Dam was purchased from Strathbogie and is out of Glenside Wild Boy. Will surely be an asset to any flock!!</i>			

REFERENCE TO SIRES

Baltier Vampire

Needs no introduction, this ram was purchased as a true to breed type Texel. Terrific carcass, top and character! We are very excited to have secured his services for the Welsh flock. Sire of 30,000gns Llangwm Wario and sire of a ewe lamb at last year's Twilight at 2,000gns.

Strathbogie Ya Patch

Much admired lamb at Worcester last year where he was purchased jointly with the Llangwm flock. He is out of Millars Windbrook whose sons have been selling tremendously well this year again!! He was the sire of the 1st prize ram lamb in the Royal Welsh this year and we have a cracking bunch of ewe lambs from him.
