Pastor Wayman Mitchell
Corres: Alyssa Wohlwend

Greetings to all the fellowship churches! Here in Prescott we are full swing with our Summer outreaches and our new building project!

We had the groundbreaking ceremony for the new building, and heard testimony from some longtime saints who were here in the beginning.

Our bi-weekly movie night park outreaches and outdoor concert scenes have been fruitful, and we are seeing disciples raised up as they lead their own outdoor healing crusades.

We have had the privilege of sending impact teams to churches in the surrounding area, including one to Gallup, NM for Pastor Johnathan Heimberg.

A van load of teens went to Gallup for their annual Youth Extreme, and came home fired up and excited for what God is doing.

Another Impact team to Surprise, AZ for Pastor Jamie Duarte had a big impact on a new convert girl in our church. She had been raised in Surprise and was able to go back and witness to some of her old friends and tell them about what Jesus has done in her life.

We had the privilege of going and supporting the annual healing crusade with Pastor Wayman Mitchell in Oceanside, CA. It is held in an amazing venue, right on the pier where tons of people by pass all day long. While the bands play and give testimonies all day long, the passers-by can't help but hearing the word of God being proclaimed.

During the crusade Pastor proclaimed a message stating "Jesus Christ has risen from the dead!" which sets the tone for the whole evening. Throughout the evening there were many miracle healings, including broken bones being restored; cancerous lumps disappearing, and legs growing out. Each and every person was touched by God,

and we are so thankful to go and be a part of this crusade every year!

"To The Rescue" our new Super Hero play with Spiderman, Batman and Captain America, drew in many families who were able to hear the Gospel message that Jesus is able to rescue us from our sins. With the clear Gospel messages we saw many people give their lives to Christ.

Project One80, a faith-based recovery program that holds weekly meetings based on the Celebrate Recovery curriculum, is a fruitful ministry reaching drug addicts in our community. Recently they had Brendan McDonough, the sole survivor of the Granite Mountain Hotshot crew, 19 of which lost their lives in the 2013 Yarnell Hill Fire in Arizona.

Brendan gave his testimony about his journey and struggle with substance abuse, and spoke about how Jesus is the only answer and the only One to turn to. It was a great testimony to the power of Jesus Christ to deliver and restore lives through his blood. One hundred and thirty-six people came to hear his testimony, and 17 people gave their lives to Jesus.

Here in Prescott everyone comes out and gathers in the downtown area to celebrate the 4th of July. We set up right in the middle of the downtown square, and put on our God and Country Presentation. This production, led by Louie Paulino, includes music, the military is put on parade, they speak about America and its history, and give recognition to all those who have served. Then Pastor Waymen Mitchell preaches an altar call. Seventeen precious souls gave their lives to Christ.

Our last Summer conference in the tents has come and gone, and what a powerful time we had. We saw many new workers and missionaries giving their lives to the work of God. It was an amazing sight to see 11 new works announced, and nine overseas works launched out of the conference; including one brand new nation of Kazakhstan.

We are so grateful to be a part of Gods will! Please continue to pray for Prescott!

Gospel Jetstream

Conferences, discipleships and crusades keep Pastor Mitchell on the road

Pastor Mitchell listens during the Prescott Church groundbreaking with, from left, Pastors Diego Galvan, Keith Sullivan and Greg Mitchell.

Pastor Mitchell has been on a busy worldwide itinerary for the past three months.

The July Conference again was an inspiring thrust with nine national and five international churches planted.

Men's Discipleships in Redlands,

California; Austin, Texas; El Paso, Texas; and at home in Prescott area wide were all well attended.

Pastor Mitchell ministered in the Guam, Marianas Islands Pacific Conference for area leader Glen Cluck, also at the Romania Conference for Ovidiu Rusu.

A crusade for Pastor David Maldonado in an outside arena was blessed with people saved and one service had 97 people on an Impact Team.

Pastor preached another crusade in Prescott Valley in the outdoor amphitheater with people healed.

August was fruitful with a trip to Holland for their conference. A crusade in the tent at Delft, Holland preceded the conference with many saved and healed.

A brief stop at Chandler for Pastor Joe Campbell saw a packed auditorium both in morning seminars and evenings at the Entertainment Center.

Pastor Wayman Mitchell and Pastor Greg Mitchell both traveled to London, England for a Men's Rally, three days of intense seminars, for Pastor Nigel Brown and UK pastors.

A brief Pastor's Sermon Making Seminar for David Szepanski saw 40 pastors come and participate in valuable sermon construction and methodology.

The power of one witness: George Mitchell started a Holy Ghost landslide

When George Mitchell died in August 2018, just two weeks short of 99 years old, he still had no idea the legacy he and wife Ione left.

George was Pastor Wayman Mitchell's older brother by 10 years. Because their parents divorced, the two never lived together.

After a stint in the military, Pastor Mitchell returned home in 1952 and married his wife of 62 years, Nelda, in 1953.

About 10 months later, the couple had a little girl, Theresa Susan. Ten months after that, their lives were turned upside down when their baby girl passed away.

Before the devastating loss of Theresa, neither Pastor or Nelda gave much thought to God.

"I never paid attention," Pastor

George and Ione Mitchell

Mitchell said. My parents went to a revival meeting in Arkansas, but I couldn't have been more than five. I remember we had to get a horse to pull us out of a mud puddle!"

When he was a teen, Pastor Mitchell attended a Baptist church with a friend because of a contest. But he still did not hear the Gospel.

But now, the couple was adrift. "I was out of work a lot that year. I didn't have a dime to my name. When Theresa died, George gave us a blank check and said, 'You fill it in at the cemetery.' They got their pastor to do the services for our daughter, and as a result, we went to church and heard the Gospel."

While he answered an altar call, Pastor Mitchell said he didn't im-

UNITED STATES

Austin, Texas
The Door
Pastor Roland Perez

Greetings from the capitol of Texas ya'll!

The saints, from "The Door" here in Austin Texas have been busy "pick-in" cotton if you will, as "the fields are white for harvest," (John 4:35).

We have had the opportunity to send invasion teams to Port Elizabeth, South Africa (25 people total) and Lansing Michigan (15 people).

In South Africa, we saw dozens of folks give their lives to Jesus Christ, as we were able to minister both in the downtown section of Port Elizabeth and in the Walmer-area Township. We

Austin outreach team to Michigan

prayed with several people for salvation and healing, as many repented and "renounced," ancestral worship.

This past summer, we also sent an invasion team to Lansing, Michigan, and once again God gave us favor with the locals (Michigan Spartans) as our Texas team walked with great liberty into

various apartment complexes and as we street preached on a busy intersection. We were able to sing that old song (that is very relevant in Michigan)..."- Good bye Marijuana so long, I'm going with my Lord where I belong...my life's a different story...!"

Many curious on-lookers simply rolled down their windows, smiled... and couldn't believe that the Hope of the Gospel was being preached in their city!

On another occasion, several Muslim youth (yes in Michigan) gathered

around us as we gave them a solid witness of salvation through Jesus Christ! No doubt, seeds were planted in this area of Michigan! Please be praying for our pioneers, Philip and Melissa Pena, as they are continuing to bring the Gospel to a city/state in great need of a moral compass!

Meanwhile, back on the ranch. In South Austin, we have seen God's consistent hand of favor as He has brought in many a new convert to our services!

Revivals with Evangelists Jerry Fusel, Richard Graham, and Orlando Salinas have proven fruitful and effective as many folks were saved, healed, and filled with the Holy Spirit!

Summer outdoor "rap concerts," at a popular SE Austin park (with free raspas/snow cones) have been extremely "cool," in our plus 100 degree weather! We saw many visitors come out, eat a snow cone, hear some music/testimonies and get saved!

At our first "Acoustic Gazebo Concert," (on our church property), God drew people in, as free hotdogs/snow cones were given. At the end, we saw about 115 people in attendance with several families coming to Jesus as they heard the music/testimonies/drama/altar call, then came to church afterwards!

Please continue to pray for The Door in Austin, Texas beloved as we are doing a "two-step" on the devil's face, "by the blood of the Lamb and by the word of (our) testimony!"

Brawley, California
Potter's House
Pastor Brandon Edmonds

Greetings from Brawley, California.

I, my wife Veronica, and our daughter Ariel were launched out of the Prescott 2018 January Conference out of the Blythe congregation under Pastor Josh and Melanie Neal.

We have been seeing tremendous favor here in Brawley. God has been bringing people to our services on Sunday and our Bible studies on Wednesday!

We are doing outreaches two to three

times a week with one-on-one evangelism being key to making contacts with people and praying with them as well.

We've had a few services already

Pastor Joe Campbell announces Pete and Sandy Wakefield into Bangladesh during Chandler Summer Conference

that have been hitting 12 people! We had a Memorial Day picnic with our mother church in Blythe and were able to take seven people from our church as well. One lady stepped out in faith and got baptized!

God is moving in Brawley. Please continue to pray for us as we pray for you!

Chandler, Arizona
The Door Christian Center
Pastor Joe Campbell
Corres: Alec Stone

Greetings from the Chandler Church. We have been keeping busy and laboring over the past few summer, and we have been amazed at how God is blessing the fruit of our labors.

We are seeing souls saved, couples rising up, and uncharted opportunities being opened for us to reach the world for Jesus.

Every year around the end of May we are overwhelmingly blessed to be ministered to by Pastor Artie Aragon and the Chinle congregation.

This year, Pastor Aragon encouraged members of the church to seek out ways they can serve the congregation. He stressed the value we have in the House of God, and how God is please when we rise up to minister in any capacity.

Stirred by Pastor Aragon's message, during the month of June we seized opportunities to fulfill God's call to reach our city and our neighborhoods.

Ten couples rose up to start Home Bible Studies! These Bible studies are seeing several visitors each week, with people getting saved and healed from injuries and sicknesses.

A n o t h -

er ministry which has been vital to church growth is our New Converts Class. This class is designed to give new believers a solid foundation in the word of God. During the last class session, we had 11 graduates. One of the graduates was filled with the Holy Spirit! These classes recently started up again and there were 65 people at the first class.

We also had a water baptism upon the completion of the first class group and 30 people were baptized. Each of these people came from different backgrounds and upbringings but they were willing to testify of God's salvation and go public that they are going to live for Jesus Christ.

At the end of June, we had a Holy Spirit-filled revival with Pastor Martin Klok. Pastor Klok preached on the God of deliverance and destiny. He stirred the congregation to look forward to the great things that God has in store for his people. He also preached a powerful sermon about saying yes to the things of God and how, when we say yes, we open our lives up for opportunities that wouldn't be there if we said no, and we stay in the flow of what God is doing. At the end of each revival service, people were saved, healed, and many timely words were given which brought encouragement to the church.

The highlight of our year, during the peak of the summer months, is

when we host our Annual International Bible Conference. This year's theme was, "Deliverance to Dominion." The 19 sermons preached wove together a perfect tapestry of God's Word on how to have dominion in order to possess destiny.

The culmination of this conference was when we launched three new missionary works. One of them is into Dhaka, Bangladesh, where there is no Fellowship church and 83 percent of the nation is Islam. We also launched a work into Dabana Perdida, Dominican Republic, and Ipoh, Malaysia.

We nationalized our works in Cambodia, China, and in Noida, India. In the U.S., there were 19 new pioneer works launched domestically.

One of the messages in our conference was that "the best is yet to come" and we know that God has more in store for our church.

Please pray for us while we continue to labor and surrender ourselves to God's purposes. As a Fellowship, we can win the world for Jesus.

Glendale, Arizona
Potter's House
Pastor James Martinez
Corres: Orlando Reyes

Greetings from Glendale, Arizona. God is moving, the Gospel is being proclaimed and lives are being changed.

In October of 2018 we will be celebrating our 20th year anniversary of God's faithfulness to help us build His church. How He is a rewarder of those who faithfully seek Him.

Throughout the years we have seen much fruit from our Friday night street scene and outreach with live music and free hotdogs and an opportunity for young disciples to minister and serve. We follow that up with our Saturday night Arena concert scene which has really been a driving force in the growth of the church, not just in drawing visitors but in the spiritual growth of disciples and saints.

Recently our church has had many

New converts rejoice after baptism in Chandler church

words of prophecy bringing edification and promise. We just had revival with Pastor Gregory Sinnappin which was right on time and the church has had a refreshing and re-energizing.

In the August Chandler conference we were able to announce a work to be launched into the Phoenix area along with another church that we just opened up in north Phoenix this past June.

God has been filling our building to full capacity with services reaching in the 260s. We are praying that we get a great building at an even greater price.

God has also been blessing families financially, with many starting their own businesses and becoming more available for the kingdom of God. Also, we have been able to support our two international works in Cuba and India, where we are seeing revival and men rising up the the call of God.

On behalf of the Glendale congregation we want to thank all the Fellowship churches for their continued prayers and Pastor Mitchell and the Prescott congregation and Pastor Campbell and the Chandler congregation for their investment and faithful fellowship throughout these 20 years and the years to come.

Everett, Washington
Victory Christian Center
Pastor Tony Uriarte
Corres: Osworth Dube

God is doing tremendous things here in Everett, Washington! Our city is ever grow-

ing and developing which means more souls to impact! For that we have been busy for Jesus!

This summer we had the privilege of having the Good News Magic Show from Salem, Oregon come perform for us. It was an absolute hit! Many people came out for the event!

There were also people that came from a birthday party and a football practice that was happening nearby. The park just kept filling up with people left and right! It was glorious to see! Many answered the call to salvation!

We weren't the only ones outreaching that day. A devil-inspired lady came to the event after it ended to try to thwart what God was doing, but we just bumped up some music and kept on witnessing and leading many people to Jesus!

Many of our saints have been following up on these precious new converts from the magic show. We are so grateful to the Salem, Oregon church for investing in us!

From starting up a one-on-one outreach every other Friday alternating with a follow-up fellowship night and a mid week youth game night - the saints have been on the move for Jesus!

We were also excited to have four people baptized this month! Disciples are rising up! The youth (which includes those young at heart) are going to be running an outreach event each month. Our first will be a Back2School Family Fun Day. We are pumped up and are expecting great things to hap-

pen!

“The glory of this latter house SHALL BE greater than of the former, saith the LORD of hosts...”

prayer and fasting every Tuesday to see our faith grow and bring breakthrough. Following prayer, we go out into our city and street preach, taking

Good News Magic Show in Everett, Washington

Haggai 2:9

We are claiming this for our church and for the Fellowship as well! Please continue to pray with and for us as we take our city and beyond for Jesus! God Bless!

dominion. We have seen a great response, with people pulling over inquiring what we are about, and then coming to repentance. As a result we have one family coming regularly, as well as many visitors and new faces almost every service.

Desert Hot Springs, California congregation

Desert Hot Springs, California
The Door
Pastor Willis Stratton
Corres: Chantanelle Gomez

Greetings from Desert Hot Springs, California! We are excited with all God is doing in our city.

Even though marijuana dispensaries are popping up everywhere, Jesus is still on the throne here in DHS. We are believing God for a new and larger building as we are growing rapidly.

Pastor called our congregation to

An Indian Hindu named Jack came and got powerfully saved and has been coming ever since.

Another highlight was when our teens decided to do a VBS Kids Summer Camp two times a week

at a local park. We did outreach surrounding the area prior and saw an awesome response. We had visitors and an average of 20-plus kids with at least five saved each time.

Also, this summer we have been having our concerts at a busy park, getting the Gospel out there any way we can. During one altar call, we saw a group of basketball players all stop their game to answer the call.

We were encouraged by seeing 40-plus saints attend the Bullhead City Harvesters Homecoming. We are believing God for fruit that will remain. Please continue to pray for DHS and for a breakthrough for a building as we take this city for Jesus!

Vacation Bible School outreaches in Desert Hot Springs have seen many children give their hearts to Jesus

West Las Vegas, Nevada
Potter's House
Pastor Scott Lamb
Corres: Scott Dore

God's moving and changing the hearts of men and women in Las Vegas.

Every Sunday visitors are coming in, men and women are getting saved and baptised. Taking the Gospel into the parks every Monday has been fruitful, and we've been seeing an average of eight to 14 people saved every week. Many are making decisions to turn to Christ. They are coming to church and locking in.

Night Scenes have been and still are a staple in our Fellowship and congregation. God has stirred our youth, giving them the vision to host and fund their own Night Scenes.

The youth have been producing original music with four different youth bands, along with powerful dramas. They sold coffee before the night scenes, babysat, and held weekly car washes to pay for 15

young people to attend the Boot Camp in New Mexico this year.

Our Prison Ministry is experiencing a tremendous move of God. Weekly the brothers heading up this ministry travel 40 miles outside of

Jefferson Garcia - a life changed by Jesus

the city to low, medium, and high security facilities. An average of 10 prisoners a week make decisions for Christ. Quality disciples are a product of these labors and lives are being restored.

Testimony - Jefferson Garcia

Finding God in the city of Vegas is impossible lest God draws you.

Jefferson Garcia is a testimony of God's faithfulness. He was born and raised in the South Bronx, New York. He lived a life seen in hoods all over America. selling drugs, fighting, and trying to survive was the norm.

Finding his way to college, Jefferson earned a degree and high status position as a Social Justice Warrior, yet there was no peace. Trying to find the solution to his internal struggles, he found his way to Las Vegas.

God led him to a bus stop where one night he saw a bright light in the sky he couldn't ignore. As he looked up towards the light the sign read, "The Potters House Christian Fellowship Church." Thinking it would be closed on a Wednesday, he went anyway. God met him at an altar and has radically changed his life, heart and perspective. God is doing great things in Las Vegas and helping us in winning the world.

Maryvale, Phoenix, Arizona Potter's House Pastor Ed Kidwell

Greetings in Christ from the Maryvale church in the west-side of Phoenix!

We have been laboring to do our part in fulfilling the Great Commission through church outreaches, witnessing, supporting world evangelism, and church

planting.

At our Tempe Conference in May, we announced a second pioneer couple - Nathan and Adria Oropeza - going into Tolleson, Arizona. In the first week of July, they had their farewell service, and immediately began having servic-

Evangelist Erich Tonnemacher in Maryvale

es in their home.

The first week of September, we sent them an outreach team for a park concert and healing crusade. That night, 14 people answered the altar call, and one man with a deaf ear was miraculously healed in the park! That man and his wife attended church the next day, and God is continuing to move in their family.

Victory and freedom are never free, and we in the mother church have seen the devil's desperate backlash against our faithfulness. Nevertheless, Christ is greater than he that is in the world,

and we are seeing God impart a greater "weight of glory" and maturity into the saints. We are continuing to have regular street preaching and neighborhood outreaches, and lifting up the name of Jesus as a light in the midst of darkness.

We have had several guest preachers including anointed and timely messages from Rocky Colona, Erich Tonnemacher, Dan Felix, Andrew Cota, Adam Dragoon, and Nigel Brown.

We also enjoyed a wonderful revival with Evangelist Tony Chase, and are currently outreaching for our upcoming revival with Evangelist Bob Burrus.

NW Oklahoma City, Oklahoma The Door Pastor Fred Bailey Corres: Summer Bailey

Greetings from NW Oklahoma City! We were launched into the NW side of OKC in April of 2017 and God has been moving!

We immediately began outreaching, witnessing and doing Wednesday night Bible studies in the local YMCA. Then we moved to a conference room at the Holiday Inn Express hotel so that we could begin Sunday services as well.

This was a very fruitful location for us and

the hotel management gave us tremendous favor as a church. They allowed us to use the pool for baptisms, the gym for nursery and they invited everyone that attended Sunday mornings to enjoy FREE continental breakfast! We capitalized on that opportunity and used it as an outreach strategy to bring them in to hear the Gospel. As our pastor, Shawn Davis, says... "Tie 'em, tow 'em, trick 'em or feed 'em". Whatever works! Compel them to come. Well, it worked.

We began to grow out of that room and began looking for a building. God

blessed us with a store front building in a GREAT location. We are surrounded by apartments and many in our congregation now come from those three apartment complexes. We are allowed to do concerts in the parking lot in front of our church and everyone at the surrounding apartments can hear us so it has been drawing a crowd every time.

We have been in our building since November 2017 and recently hit our record attendance of 30 people! We have a great congregation of believers that have become faithful and have caught the vision of sharing the Gospel, praying, reading, serving the community and giving financially to the ministry to see souls saved! They have been witnessing on their own time and they are excited to see the fruits of their labor as people they invited are coming in and getting saved. What a joy!

We have had great results at our seasonal Yard Party events with life-sized yard games like giant Jenga, Checkers and Connect 4. We share the Gospel through music and testimonies while the community enjoys the yard games with their families. Dozens of visitors have come and many souls saved.

We had a powerful revival and grand opening celebration with our Pastor Shawn Davis. We had many visitors and several saved. We also had a timely revival with Evangelist Scott Snellen in May with several words given, many healed, five saved and three added to the church. God really solidified our congregation and stirred members to allow God to use them in His kingdom.

Jesus Christ is changing lives at The Door NW OKC! We have seen God deliver a woman from meth and she crushed her glass pipe until it turned to dust!

God has brought in people who were searching for truth instead of religion and they found Jesus all over again!

God miraculously healed a sister who shattered her knee cap and after prayer the doctor said it looked like someone super glued all the pieces back together!

A man walking by, came into the church and said it was his first time in a church in over 20 years! He served in the military for over 20 years and

First services in Oklahoma City hotel, which allowed church to conduct baptisms in its pool, and offered free breakfasts!

he now says that he finally feels like he has began the healing process from the PTSD that he's been unable to heal from with years of counseling!

Unmarried couples are now wanting to be right in God's eyes by getting married and we are looking forward to seeing them get married and continue serve God with us as husband and wife!

We are praying that we will be able to expand into the building next to us but it is currently occupied. Please help us pray that God makes a way for us to expand or that He blesses us with another building! May God continue moving in all of our fellowship churches as we continue to BE THE CHURCH that God has called us to be! God bless.

Hello from the Killeen, Texas church!

Good things have been happening this year in Killeen! We just got back from our Chandler Bible Conference where we were able to announce a new work into Kennewick, WA. Last year we were able to launch Rene and Wendy Galeas into the area and now there are reinforcements on the way. Chris and Carrie Werner have also assumed the pastorate in Texas City, TX from John and Tracy Stapleman who labored faithfully in that city.

We've had the privilege to be recipi-

ents of the ministry of some fine men of God. In May we had a marriage retreat/revival with Mark Woods from Australia. It was our largest retreat yet with more than 80 couples in attendance as Pastor Woods brought encouragement and direction to our couples and to the church in those revival meetings.

In June we were honored to have Paul Stephens who is a real friend to the Killeen Church. He always challenges to go beyond what we think we can accomplish in Christ and to submit to completely to Christ's will for our church and lives.

In June we saw Steve Gabriel from the UK come to minister for the first time in Killeen. Pastor Gabriel ministered in music and labored in the Word! He delivered a word from God for our people which has become a motto of sorts for the rest of our year. Eyes have not seen nor ears have heard! We are seeing this unfold right now. There are a fresh wave of visitors and people locking into the church as we speak.

This summer we saw disciples move in faith to do street evangelism. Movies in parks and homes, street preaching, concerts in neighborhoods and drive-ways the young men of the church have a vision to see people won to Christ. Please keep them in your prayers.

Leading up to Chandler Bible Conference in August, we began to experience a spiritual shift in our services. This started earlier in the year after a couple of messages were preached about contending for the supernatural gifts of the Holy Spirit and another sermon regarding desiring the gifts of the Spirit. We began to see the Holy Ghost fall upon new people and they began to exercise

spiritual gifts such as prophesy and interpretation. As Pastor Rosario and the staff preached, God begin to visit us with an undeniable sovereign presence during our worship services.

In August conference, Pastor Rosario took the inspiration from the word delivered to the church by Pastor Gabriel and preached a sermon titled "The Grand Finale," in which he encouraged the conference body that the best is yet to come. As he ministered you could feel encouragement but expectancy at the same time. God is preparing the faith of his people to believe Him for greater.

As we write this we are coming out of a family reunion with Pastor Stacey Dillard from Chula Vista, CA. It is always a reunion as there is a special bond between us which we are thankful for. We ask that you pray for our baby churches! There are a number of them who need buildings to accommodate all that God is doing among them. Please keep us in your prayers.

Palmdale, California
Potter's House
Pastor Jack Miller

The church in Palmdale, California is experiencing God's grace in revival.

Due to zoning, our baby pioneer church had been shut down. We were planning to have them reopen here in the Antelope Valley. After our church had three Sundays in a row over 80 people, I said the pioneer couple's days were limited and we would be sending them out again. The next day I got a call asking for a pastor to take the church in Santa Clarita. Matt and Esmeralda Sinkhorn have been there for a few months and are seeing new people come in.

My son Tim and I were able to preach in our former churches in Botswana and South Africa. It is great to see the indigenous principle at work as local pastors continue in the vision.

One of our Palmdale couples went with us to our church in Rwanda. Although half of the churches in the country have been closed, the Fellow-

Palmdale congregation during Steve Bowman revival

ship church keeps prospering by God's grace. Please pray for continued favor there.

Our AV-Haunted House had incredible results. We based it on the "IT" movie that was popular at the time. Our simple website began to get so many hits both Google and Yelp began to promote it. We had 597 visitors and prayed with 211!

A lady who came around that time brought her teenage son who was an alcoholic gang-leader, selling drugs & facing jail time. He said he hated the church, but later got saved and delivered. He has been bringing friends and getting involved in ministry.

After July conference we had revival with Evangelist Steve Bowman. The building was packed with 100 people on Sunday night. The older saints said they had not seen that in 20 years. For the month we prayed with 50 new converts and 48 backsliders.

We are preparing for a tent crusade with Rich Cox and a follow-up revival with Rick Martinez. Brother Bowman gave us a word that the greatest revival is yet to come, with men and couples like never before. We are claiming God's promises.

Round Rock, Texas
Potter's House
Pastor Dean Wakefield

Greetings from The Potter's House in Round Rock TX!

My beautiful wife Jennifer and I were launched out of the January 2017

Prescott Conference.

We were blessed to be able to move right into a building and begin converting it into a church and opening our doors for our first service in the beginning of March 2017.

Before we even got the building we were outreaching every day, connecting with people in the city. One notable miracle was in May 2017. Waiting outside a very crowded Cracker Barrel restaurant for a Mother's Day lunch, one lady suddenly felt as if she was having a heart attack, with shortness of breath, and chest pains.

Before the ambulance arrived my wife and I begin to lay hands on her and pray for her as the crowd watched. She was put in the ambulance, but the next thing we see while inside the restaurant is the lady coming back in, the ambulance driving off, and her hugging us and thanking us for praying for her!

Just in the last 18 months that we have been in this city God has been tremendously moving and giving us favor. In October 2017 we had a revival with Orlando Salinas where many visitors came. We still have lasting fruit from that revival today.

From the beginning God has brought two ladies who were not married, but recently we had the privilege to marry them both. Both ladies and their husbands are still coming and God is still moving and working in their lives.

One of those couple's son was able to attend the South Texas Boot Camp this Summer. Another one's mother just recently came and got saved and baptized along with four other people.

Another lady from early on came in

and has been a faithful pillar and tither who was separated from her husband.

Through much prayer and faith God

Round Rock baptism at historic site

THIS BRUSHY CREEK SITE MARKS THE LOCATION OF THE EARLIEST BAPTISMS IN THIS AREA. MISSIONARIES OF VARIOUS FAITHS CAME ON HORSEBACK TO THIS AREA AS SETTLEMENT INCREASED. WORSHIP WAS OFTEN HELD IN THE HOMES OF SETTLERS OR UNDER THE SPREADING BRANCHES OF OAK TREES. THE BAPTISMS IN BRUSHY CREEK BEGAN IN THE MID 1800'S AND CONTINUED THROUGH THE MID 1900'S.

we stepped out in faith and wrote the check. We then challenged the congregation with a two month pledge and all the pledges that were turned in were double the amount of the chairs!

The following service one of the pledges that was received was for the exact amount of the chairs! It was a great thing to see the people rise up and take ownership of their church.

On August 4, 2018 we had our very first baptism where

we baptized five people in a historical river that runs through our city here.

For the most part of the last year the church has been self supporting, which is a great blessing. We are even keeping our eyes open and believing God for a bigger building located in the heart of the city.

We know we have only begun to see all that God wants to do here In Round

Rock, Texas, and we are excited to be a part of what He is doing! The Harvest truly is plentiful!

Pastor Rod Olmstead
Corres: Curtis Berry

Hello, from Sierra Vista, Arizona. With monsoons in full swing, God is bringing the rain physically and spiritually.

We have had an amazing outpouring of God's grace and power throughout the past few months.

Every May our city provides an outstanding opportunity with a city wide block party. This year we had total favor with the organizers of the event.

With the event aligning itself with Cinco de Mayo, we used it to our advantage and set up a fiesta themed photo booth, props and all. Many people came to take pictures with their families and friends and we were able to preach the Gospel all day long seeing several people give their lives to Jesus Christ.

Our summer started with a disciple led healing crusade in a local park. Many visitors came and saw the miracle working power of our Lord Jesus

Sierra Vista church surprises Pastor Rod and Sue Olmstead with a 40th Anniversary celebration

has answered her prayer. Her husband came home and they are now serving God together and they are a great blessing to the church.

We also recently had a revival with Evangelist Rick Bucholz where the people were very stirred and spiritual growth was a result for the congregation!

We have recently been blessed with two other couples and their children who are all a great blessing. From the moment they walked in, they locked in, and have been faithful givers and tithers and supporters of the work of the ministry here. One of the couples has expressed a desire to get involved in ministry.

One recent great testimony is that we came across some really nice chairs that were not really in our budget, but yet too good of a deal to pass up. So

at work. Several people were healed of pain in their bodies. One lady specifically had issues with her sciatic nerve and was totally healed as she began to lift her knees high in the air with absolutely no pain! Praise Jesus! We are still seeing fruit coming from that crusade.

At a Spanish movie outreach in another park we saw many visitors come out, with people coming out of the shadows to answer the altar call. God is doing great things.

This year brought a very special event for our church. On June 4, our Pastor, Rod Olmstead and his wife Sue celebrated their 40th anniversary. We were able to put together a special surprise celebration a few weeks prior. Thank God for the testimony of faithfulness and love of our pastor and his wife!

Jesus told us that He would build

His church, and has been doing just that in Sierra Vista. There has been a supernatural drawing of visitors to our regular services. Backsliders and new converts alike are coming to salvation and locking in. It is amazing to see God's faithfulness to bring fruit from the seeds that have been planted over the years.

Recently, five of our youth were able to go the Enlisted to Endure Believers Boot Camp in Las Vegas, New Mexico. All of them came back with powerful testimonies! Everything from God dealing with them about forgiving people, to stepping out in faith to pray for the sick and seeing God do miracles. God is stirring the next generation to do great things for His kingdom!

Keep praying for us in Sierra Vista, as we do for you. God Bless.

SW Houston, Texas
Potter's House
Pastor Robert Correa
Corres: Jackey Guidry

Greetings from South West Houston Texas. We want to give God glory for establishing a wonderful church in our city.

This summer we have been doing what we are called to do, and that's preach the Gospel. It doesn't matter where - on a street corner, school, work, or mall food court, we preach wherever there is an open door.

One disciple has taken the challenge in followup. He has gone as far as to open his home for Tuesday night "work out" and fellowship after. Out of that new converts are being established and even some have come back because of this brother.

We have had awesome revivals this year with Pastor Jerry Fussell, Glen Puglesse, and Evangelist Gabriel Alonzo. These men faithfully preached the Word of God with power and anointing. The people of God were stirred and encouraged from the words spoken into their personal lives.

As the people of God are staying faithful in fellowship with one another we are seeing a steady growth to the core of the church. Please keep us in prayer as we prepare for our Fall Festival with a Halloween play included,

Street outreach in SW Houston

Titled "The Interview" and the Christmas play in December.

We are believing God for supernatural breakthrough, thank you so much for your prayers and support.

Las Vegas, New Mexico
Las Vegas Christian Center
Pastor Ray Rubi
Corres: George H. Cruz

Greetings! We bring you a praise report from the enchanted land of Las Vegas, New Mexico.

Our summer started out extremely dry but as we prayed for God to bring the rain, he also brought the latter and former rain. It got so thunderous and wet that some of our Friday and Saturday night puppet shows, concerts, and healing crusades were affected.

Nevertheless, we had a very successful summer and pressed in with our outreaches, praying with more than 100 people to receive Jesus. We also prayed with many people who had a variety of injuries and illnesses and many were healed. Some of those that prayed attended our weekly services. However, pray with us that they will fall in love with Jesus and lock in.

Last summer we had some resistance from a religious official who attempted to hinder our labors; but God removed him and placed another in his place. We had great favor with this new official who told us, "We really appre-

ciate what you are doing for our city." Glory to God who is in control of those in authority, He raises one up and pulls another down.

God stirred up the hearts of men and young people in our congregation, that were more than willing to outreach, do skits, witness, form bands, do healing crusades, and run the puppet ministry.

In July we had more than 90 men and boys from the surrounding churches attend our annual Father and Son Campout and 40 ladies and girls attend our annual Princess Tea Party. Both events were a success with fathers being challenged to be a holy example to their sons and to the fatherless boys. The boys were challenged to follow their ex-

Street outreach in Las Vegas, New Mexico

ample in serving God. The girls were encouraged by a love letter from Jesus that told them no one could love them like He does. Twenty-six young girls re-

sponded to the altar call.

At the end of July we had our annual Boot Camp themed - IN NOT OF. We had 279 teenagers attend our Boot Camp. The boots were challenged to rise up and be different in their social media, pornographic-crazed generation. They were challenged to be in the world but not of the world. To rise up and save their unsaved city, schools, peers, relatives, and culture.

Pastor Artie Aragon was the main speaker who brought the Gospel of salvation, grace, and deliverance. Having worked with many young people in Chinle, Arizona, he preached timely messages that dealt with real issues that affect teenagers. Many boots responded to the altar call, were filled with the Holy Ghost, and delivered from addictive curses of immorality.

We are preparing for our annual September Bible Conference and will give a report of all that God will do and the churches that will be planted.

Downtown Riverside, California
Potter's House
Pastor Antony Garcia
Corres: Joseph Rodriguez

Greetings from Downtown Riverside, California! We are excited to share what God has been doing in Southern California.

The first service of the year we had Evangelist Leonard Williams. The church was challenged to rise up.

With that we started a band, and a play, and seeing the youth get involved was a breakthrough.

2018 has been a powerful year for our youth rallies, with local pastors and disciples preaching.

In May we had our annual Youth Convergence with Evangelist Mike Gomez, John Robinson, and Pastor Duane Thompson from Taiwan come and minister.

That Friday night Pastor Robinson shared his testimony and preached on the impact you can have amongst your peers with a fearless radical conversion. We had a teenager get saved in that service and we are still seeing the effects from that rally!

God is doing a wonderful work here in downtown Riverside. Still 17 years later God is still raising up men and women to reach out to lost souls and preach Jesus! Continue to pray for us as we take this City for Jesus!

Testimony -
Joseph & Prasilla Rodriguez

Joseph & Prasilla Rodriguez
now serving God together

We thank God for his grace on our lives.

Joseph: After growing up in church, there were still many things that I didn't want to let go. I wanted to serve God in my own way. I realized years later, that I was still dealing with the same old things, fighting the same battle and just sick and tired of it. I felt that if I didn't do anything, I'd be stuck this way.

At that point I surrendered my life to Jesus, letting the world and all that was holding me back go. In within couple months I could see the change in my life. God became so real to me that I've never experienced anything like it. I remembered thinking "if this is all that God has for me, I would die a happy man" not realizing what God had in store.

Prasilla: Growing up in church having dealt with difficult situations I carried a lot of baggage. At a young age God truly touched me. As the

years went on I slowly started to drift away. It was a slow fade. I finally came to a point where I was sick of playing "the part" and I was foolish enough to think I'd be fine because I had "control" over my life. Time went on and one thing lead to another, all the while feeling completely empty always searching for more.

After a traumatic event I hit rock bottom. Knowing the answer, I surrendered all and rebuilt my foundation on an actual relationship with God and seeking wise council. God began to move and that was just the beginning.

Years later we started to date in May 2017 then married in July 2018. We thank God for the grace he's had on our lives. We are excited to see what God has in store for us.

Las Cruces, New Mexico
Potter's House
Pastor Jim Ballinger
Corres: Ryan Manzano

God has been on the move in Las Cruces in recent months.

We kicked off spring/summer with disciples doing concerts in various parks, neighborhoods, and apartment complexes throughout the city.

Our fourth of July outreach, there were thousands of people hearing the gospel through our float and outreach teams.

There has been a flame sparked in the youth of the congregation with a group of teens witnessing and preaching in their schools. The teens are alternating preaching each week at each other's schools and have seen many of their peers come to Jesus.

One disciple stood on top of the table and started preaching to his peers at lunch time.

We're starting to see breakthrough on the NMSU campus, where there are over 120 nations represented, with students getting saved, locking in, and rising up with a vision for the university.

Groups have been excited and conducting evening outreaches after Bible studies bringing the gospel to

where broken lives are.

We've also begun mobile concerts bringing the Gospel to the streets throughout the city. The young men have been conducting healing crusades in the parks with people reporting healing from back pain, bone spurs, and even strokes!

This July we celebrated with our pastor and his wife their 50th wedding anniversary where we had Pastor Angel Morales and Pastor JW Ballinger in to preach for us.

Souls are getting saved and we are impacting the nations through our city. Keep praying for revival here in Las Cruces!

Las Cruces, NM church 4th of July float

Tempe, Arizona
Potter's House
Pastor Mark Aulson
Corres: Casey Mammen

Greetings from Tempe, AZ! We have some great things to share.

In our May Conference, we were blessed to have Kevin Foley, Paul Stephens, and Pastor Wayman

along with some other changes and shifts!

It is a great honor to further the Kingdom of God via discipleship, church planting, and world evangelism! Thank You Jesus!

In June, we had Artie Aragon preach a Youth Rally and revival for us. What an amazing time as God powerfully visited us through the sermons and ministry of our brother. A major facet of the week was the Holy Ghost intensity at each altar call – the Spirit of the Lord truly

das-Gatorade and walks through a busy outdoor park handing out free cold drinks – especially effective in our very hot weather! People willingly stop to receive the offered drink and then are very open to a one-on-one witness. In his two times of doing this, there have been 15 and then 20 decisions for Christ! Thank God for the creativity He gives the saints and for the effectiveness of the Gospel to reach souls through multiple different avenues!

We just had “To the Rescue,” the latest musical from Prescott. As they ministered in their always professional-grade effort – there were 14 visitors and five saved. We are grateful to the cast and crew for coming and laboring – their hard work is deeply appreciated!

As summer winds down, we have a full schedule of evangelism efforts planned. ASU is starting up in August and we are contending for souls from there and

the surrounding colleges to be saved and locked in. We are looking forward to all God will do to build His church in Tempe!

Our deep thanks to Pastor Mitchell, Pastor Greg Mitchell, and the Prescott church. God bless!

New works announced in Tempe conference

Mitchell as our main speakers as well as our own pastors preaching the Word of God!

We announced six new international works (three overseas nationals and three US missionaries) and six new domestic pioneer works

had liberty and ministered as only He can to all of our hearts. We thank Pastor Aragon for coming!

This summer, a brother in the church started a new outreach called “Thirsty Soul.” He takes a wheeled cooler with iced down water-so-

Worldwide Ministry

Brisbane, Australia
Potter's House
Pastor Reuben Ricciardi

Greetings from Brisbane, Australia. My wife Danielle and I were sent out at the Perth Conference in March 2018! We have been having an extraordinary time and God has really been helping us.

We headed straight to the suburb Springfield the day we landed.

Movie outreach in Brisbane, Australia

In the first two days I had prayed a sinner's prayer with five young men and made many very good connections with people. We began to have church in our house while I was looking for a building or hall. We had five people coming from our first service and it grew from there.

God opened a door and I found an excellent building on a main road in the busiest area of Springfield.

We opened our building with a hip-hop concert and revival with

myself. We had about 40 visitors to the concert, 10 saved and had many visitors all through the week of revival. From that opening God brought in a young sinner my age who immediately became a full-on disciple!

The next event we held was just recently with Evangelist Steve Stephan from Melbourne. We did a Healing Crusade in a park and had around 80 visitors showed up! The presence of God came and met us in the park there. Evangelist Stephan preached a short message and began to pull

the altar call. Thirty-two precious people raised their hands and came down to the altar! But then the real fun began!

We lost count after 25 instant miracles, people were being healed before the Evangelist had a chance

to pray for them. One lady, after being healed herself, brought her three-year old son with eczema. We prayed and asked her to let us know. The following day she messaged me excitedly telling me God had healed her son completely! The following revival saw many return visitors from the crusade and more new faces coming to church.

We are extremely excited for that God has for this city and we are truly humbled by His grace and help! Thank you Pastor Mitchell and my Pastor, Tom Payne!

Bonteheuwel, Cape Town,
South Africa
Potter's House
Pastor Harold Visser

Greetings from the Cape Flats! Together with my wife, Robyn and five children we have had the privilege to take over a fellowship work from Dan and Jodee Jones.

God is doing a great work in a community that has been broken down by poverty, gang-violence, drugs and alcohol. In spite of all these factors there is a group of faithful saints that is fighting the good fight, running their race and keeping the faith.

One of our disciples is a young man that has been set free from drugs and gang-violence and wants to preach the Gospel of Jesus Christ!

In March 2018 we had a revival with Pastor Robert Polaco bringing timely word to strengthen and encourage the congregation. During these meetings we had several decisions for backsliders to re-commit their lives to Jesus Christ as Savior.

In June 2018 we had Pastor Dan Jones back for a revival meeting. In the middle of the winter, by the grace of God we had no rain that entire week which brought a high attendance for every service. There were six first time decisions for salvation and seven backsliders that prayed again.

One of these was a man that used to serve God many years ago. Ever since he backslid his wife has been serving God through the difficulties, verbal abuse, separation and sickness. We are truly thankful that

Service in Bonteheuwel, Cape Town, South Africa

God has restored this marriage and their home as he is now serving God faithfully.

Praise God for what He is doing in the lives of the precious people of Bonteheuwel, Cape Town. We are believing God for miracle increase and conversions for the rest of 2018.

Cebu, Philippines
Victory Chapel
Pastor Charlie Carias
Corres: Christelle Aligato

God is good! We're sharing with you some brief testimonies of God's miracles here in Central Visayas, Cebu Philippines.

On one of our daughter churches, a young lady suffered from a stomach pain. She was unable to stand cause of severe pain and blood vomiting.

After a few days in the hospital, the doctor showed no findings on her from the laboratories and physical examinations. Due to financial shortages, the family discharged her and trusted God fully for a miracle.

Pastor was called to pray over the lady. "We saw her lying down, very weak, unable to stand with a pale face and some marks of dextrose on her arms. It was so painful that even when my wife gently pressed her stomach, she would restrain," Pastor said.

After laying on of hands, this young lady testified that the pain immediately left! She immediate-

ly stood up and walked! Glory to God!

Another miracle happened in a 51-year-old woman who was suffering from Stage II intestinal cancer and ovary cyst. Her stomach bloated and she was unable to stand because of the terrible pain.

The entire congregation lifted her in prayer. After an operation, God indeed provided a tremendous healing in her! With almost 24-inches of stitches and almost 10 kilos of inflamed matter taken from her stomach, she was able to walk a day after the operation! She stayed only four days on the hospital and was discharged only to pay P75.00 receipt from the hospital instead of a P50,000 bill! Doctors also came back with a low grade biopsy result!

Healed after Stage II cancer and serious surgery

Three months later, scan results showed no sign of reoccurrence of the disease! She is now back to being a healthy woman with no pain in her stomach. Praise God!

God continues to heal, save and change lives in the city. Souls are getting saved weekly from night concerts and street preaching. New converts are now committing daily

to prayer, choir ministry and outreaches.

We would like to thank Pastor Wayman, Greg Mitchell and the Prescott congregation for imparting to us the vision and your examples. Let us continue to pray for a continuous victory on God's commission. God blesses us!

Chilliwack, British Columbia,
Canada
Potter's House
Pastor Dave Marks

Greetings from Chilliwack, British Columbia, Canada! We are so very thankful for all the help and blessing from our Fellowship throughout the years!

Without the wisdom of our leaders and for the direction we find in the Word of God, the Chilliwack Potter's House would not exist!

We've had a very challenging and exciting year! We have had outstanding revivals with John Robinson and Steve Bowman. They brought incredible timely words to our congregation. I am thankful for my pastors, Pastor Greg and Pastor Mitchell Sr. who come to minister every year at our Harvester's and Conference yearly! We are so helped and directed by their ministry!

We are also very excited that El Paso has planted the Jaramillo's in Vancouver, and Chinle two new works into Saskatoon and Winnipeg.

Our congregation has launched Garrett and Hannah Marks into Vancouver, British Columbia and we are looking forward to hearing good reports.

We have been outreaching at the annual Chilliwack Party in the Park every Friday night. The city allows us to put up our tent and outreach. Also, we often put our bands on the courthouse steps, preaching the Gospel message!

We are privileged to partner with Vologda, our leadership church in Russia, in supporting many overseas works. We are also partner-

ing with St Petersburg in planting a work in Visaginas, Lithuania and Pine Grove, Russia.

We would like to thank the men who have invested by preaching in Russia and our other overseas works throughout the years. That investment has greatly impacted the congregations and given us incredible solid conversions!

Cuenca, Ecuador
Potter's House
Pastor Ricardo Salomon

Greetings from Cuenca Ecuador.

This year in the month of July we had a revival with our Pastor Jose Torres. We had a glorious time and an attendance of up to

Church congregation in Cuenca, Ecuador

112 people in one of our services. We had miracles of healing and a glorious presence of God.

We also started a new prison ministry in the maximum security prison in Cuenca called El Tury, and God is touching the prisoners. They are being saved and receiving miracles of healing. We are believing as a result of this ministry, when these prisoners leave they will come into the church.

Please continue to pray for the church of Cuenca, Ecuador and for the Salomon family.

Davao City, Philippines
Victory Chapel
Pastor Frank Buenaventura
Corres: Emma Sotto

Greetings! We started off 2018 with Pastor Buenaventura launching on this year's theme "One Soul for Jesus." The congregation was challenged to bring at least one soul to be added in God's kingdom. As it is said in Luke 15:10 "...there is joy in the presence of the angels of God over one sinner who repents."

We had our yearly "Evening with My Darling" in February to encourage new and old couples in the church to spend time in fellowship with one another.

The youth and singles ministry also had their own Christian cel-

answered our prayers for provisions. We received favor from the city mayor's office for food and there were people who donated food and drinks.

Above all, God provided almost 80 workers who labored in unity with one heart and one spirit, attending and teaching God's Word to the unsaved kids and their families thru home visitations, one-on-one sharing and personal invitations before, during and after the VBS.

Our conference was moved to June to avail the venue. We were excited on what God had prepared for us. Indeed, He was faithful in meeting our hunger for spiritual food during the week. We were blessed by having Pastor Mark Aulson and Pastor Robert Dodd as the main speakers on our theme "Lifting up the Standards."

On the last night of the conference, Pastor Aulson encouraged us to continue in contending, to be stretched by God and allow ourselves to grow in Him. Nine local pioneer churches and one international work to Manado, Indonesia with Pastor Richard and Mary Ann Saberdo were launched into the harvest field.

We had three revivals for the past two quarters. Pastor Francisco Caballero from Cebu, Talisay in February, Pastor Kho Kishimoto, an evangelist from Guam, in April and another in July with Pastor Seth Dacara from Rosario, Cavite. In this last revival, we celebrated our 32nd church anniversary. To God be the Glory!

Our church continued to march ahead with the labors of our faithful brothers in our holy week drama and impact teams sent to newly launched churches in Cantilan and Tandag, Surigao.

We just had our farewell services for Pastor Jerry and Rosemarie Aboabo to pioneer a church in Madrid, Surigao.

Pastor Alex and Ester Mansilagan was also sent out for a takeover in Tagum Church. Recently, we rejoiced in the union of our Bro.

Holy week drama in Davao City, Philippines

Paolo Vicada and Eunice Mansilagan in a Jesus Peoples Wedding.

We desperately need your prayers as our pastors and fellow workers in the Lord face spiritual warfare thru sickness. Please help us in claiming God's promise that there's power and healing in His Name. No weapon is formed against God's church and children will prosper!

Thank you for all your love and prayers through these years. Special thanks to Pastor Wayman Mitchell and Pastor Mark Aulson and to the Prescott and Tempe churches as well. May God bless you more.

Saturday night concert scene in Davao City

ant temperature ending an extreme heat wave that our nation had been suffering from for weeks. On one of the next evenings it suddenly started to rain and storm quite heavily but at that moment we were all safe and dry in the tent.

On Saturday afternoon we had sunny weather again making our outreach activities in the city center very successful. Bands of different Fellowship churches played on two good spots. We marched in a big group from one spot to the other holding signs and passing out flyers and drawing a lot of attention.

On Sunday pastor Ovidiu Rusu from Romania preached for us and we saw over 40 visitors attend the healing services.

In the evening service, 10 visitors responded to the altar call to get saved. We again saw some outstanding visible miracles. One very tall big man came upon the stage with pain in

walking in on crutches. After prayer Pastor Mitchell helped her to walk some steps in faith in order to test her healing. With every step she made we could see physical improvement. She left the stage walking normally and completely healed carrying her crutches on her shoulder!

On Friday Pastor Mitchell helped a group of Dutch pastors by spending the whole morning in the hotel sermonizing together. He also explained a lot about the history of our Fellowship, giving valuable insight.

God has helped us and blessed us in many ways. Despite the very high costs of the crusade, all the finances came in and we were able to pay for the whole event. We were also blessed with the weather. One day before the start of the crusade, the weather suddenly cooled down to a pleas-

his knees due to arthritis. He admitted that he had an anger problem and prayed a repentance prayer with us. It was obvious from the start that he was very sincere with God because he prayed out loudly with his eyes lifted up to heaven while shedding tears. Immediately after prayer he began to jump around with joy exclaiming that all pain had left him and that he was totally healed. It was quite a sight for the audience to see this big tall and widely smiling giant jumping around between two short pastors!

A teenage girl from our church could not hear well in one ear due to a waterskiing accident. After prayer she could hear well again. When the doctors examined her some days later, they said that she had a hole in her eardrum and they could not understand why she could hear so well.

In the month of August our church in Delft had the tremendous privilege to host our nationwide healing crusade with pastor Wayman Mitchell.

We saw great attendances. We had put up 1000 chairs in a huge tent and on Saturday evening there was only a small number of seats left unoccupied. Every night was a powerful time with many visitors and many visible miracle healings.

One highlight was a lady who came

Full altar call at Delft tent healing crusade

Marching to advertise tent healing crusade

One other visitor had made a spiritual quest which had brought her in contact with a local freemasonry lounge. She told us that after she had gone through an initiation ritual, she began to feel a sharp pain in her heart and body that worsened over time. When she came on stage we could see she was really in a lot of pain. We broke the curse of freemasonry by a simple prayer and immediately she felt relieved and was totally healed. She was really excited with the result and told us she wanted to come to our regular church services.

Our church went all out to make this crusade a success. We put our campaign website "God still heals" online, spread 45,000 flyers, glued 200 posters on walls, paid for a two-week advertisement of 25 big framed posters along the main roads of Delft, hung up eight big banners in our city center, paid for five advertisements in two local newspapers and invested in an online facebook advertisement.

We want to thank Pastor Mitchell, Pastor Rusu and all other churches that have helped us to organize this great tent healing crusade.

Nearly every chair full in Delft healing crusade

They initiated a basketball tournament at a local park to reach other youth. They are keen to respond to what their generation is going through.

We took to the streets during K-days to hand out flyers for Pastor Ga-

rett King. Many people we talk to are afraid for their future because of the number of overdoses that happen to their friends. On August 2 to 5, 2018, Pastor King conducted a powerful four-day revival. The compelling messages brought conviction and inspiration to those who attended.

After labouring at the Fort Saskatchewan jail for 14 years, some of the people we ministered to are coming in after two to three years. Some refer their family and friends to come and check us out. We are praying for the guards and wardens who also give us favor, to hear the Gospel. Two ladies from the fort jail have come in and one from the men's in the past months.

We invited the neighbourhood to our Open House and International Night in the middle of August. A popular mascot was an added attraction. Families brought their children to see the mascot and stayed to hear the Gospel. We opened up our church to everyone so they could see what we

waste time in bringing our music scene outdoors this past year. Our Friday night music scenes on our front porch are a summer staple. We are using this time to witness and testify about changed lives and the hope we have in Jesus. People from all backgrounds can come to get a hot dog and listen to some great live music. This is a great tool to reach our neighbourhood. Young people are taking this opportunity to pray with people where they are at and see souls saved.

Friday's Fire, our indoor concert scene, happens the last Friday of each month. Last month a man was given a flyer from an acquaintance. When he came to Fridays Fire he remembered Pastor Les from the Fort. At this time he was going through some tough times in life, but since has made the decision to follow Jesus and has faithfully been coming to church with his family.

Our youth have started a band and are a vital part of the music scene.

Edmonton, Canada
Potter's House
Pastor Les Theiss
Corres: Cindy Leavitt

Greetings from Edmonton, Alberta, Canada!
Edmonton's summer is so short we have to hit the streets hard. We didn't

Four saved during Edmonton International night

were all about.

Our church members dressed in their cultural clothing and fellowshiped with the 25-plus visitors that arrived. All were treated to a variety of foods from the various countries of the world. Songs in different languages were rendered to the delight of the audience. There were testimonies on God's faithfulness, from around the globe and video presentations from Vietnam to encourage our church to reach the nations.

When the altar call was given many heard the truth. Four individuals openly accepted Jesus as their Lord and Saviour and were prayed with at the altar.

Indeed, God has been working tremendously in our congregation. Please pray for Edmonton North as we pray for you.

Testimony - Steven

Hello my name is Steven. I am from Uganda. God helped me and I got an eight-year visa.

When I arrived in Canada near Christmas and I was looking for a church, I asked the lady from the library if there was a good church nearby, so she directed me to the church on the corner. I knew she meant the Catholic church but when I turned to the corner I saw this poster that said Potters House, I knew that's where I belonged.

On the next Sunday I came to church and found it very nice. The people were loving and I felt at home.

lost, and I didn't know what to do. I reported it to the police and they said to go to Canada place to see how they can help me. At Canada place they said I couldn't get a passport here, and the nearest Ugandan Embassy was in Washington, D.C. I couldn't travel to get a new passport because I didn't have a passport! So they suggested that I should put in a claim for refugee status, it was the only way they could help me out. I found out a few weeks ago they had given me a refugee claim and I would be able to stay in Canada until 2026.

I will have to go for a court hearing early next year. If it goes well I will receive permanent resident status so that I can stay in Canada for as long as I want. I want to thank God so much because He has been so good to me. God is good all the time!

Footscray, Victoria, Australia
 Potter's House
 Pastor Daryl Elliott

Greetings from Melbourne Australia.
 Entering into the winter months

Soon I had to move because the house I was staying was sold. The church prayed for me to get a place close to church so that I could come. I got a place where I could stay that was only one bus ride away.

This summer my passport got

are usually a time of sowing, concert ministry and being refreshed in the Home Bible Studies, in which we have seen our highest attendance this year.

A highlight is that the saints have rallied together, with leaders stepping out and praying for the Holy Spirit in these studies with souls getting saved.

The One80 Concert ministry lead by Kenan Tuteru which we do every second weekend, has also gained momentum. Taking their music to the streets with one-on-one witnessing and street preaching on the rock,

Outreach with Kenan Tuteru

literally standing on a rock boulder in the mall, we knew the local council put that in place for the furtherance of the Gospel! It is very rare for us not to see anyone saved through these outreaches.

The One80 Concert also raised an offering to fly four guys from the Onehunga Church in New Zealand to come for us where they labored on the streets and in our local concert Venue. This was a great result with nine saved and many encouraged from the Onehunga Team which is one of our pioneer churches.

In July, the drama - STRAIGHT OUTTA AOTEAROA led by Kenan and Simon Tuteru with the assistance of the Burnside Church was held over two consecutive Saturday nights. This was a dramatized production / comedy and Gospel focused on the current issues within the Islander culture. There were many that came out both nights, people convicted to tears of the gang culture and family

break down. Ultimately the Gospel was powerfully preached at the altar with 15 saved and many touched and forever changed.

Another highlight in the winter months was our revival with Evangelist Jerry Fussell. His ministry brought great words of encouragement, financial blessing and already testimonies playing out with accuracy of those words given.

In September we are hosting the Melbourne Victoria Bible Conference. We are privileged to have Pastor Greg Mitchell and Pastor Glenn Cluck as our main speakers. We look forward to all that God is going to do.

Evangelizing from 'the rock' in Footscray mall

Haizhu, China
Potter's House
Pastor: Huan Qiang Chen

Greetings from Haizhu, China. In January, Pastor Jeremiah prayed for healing, and we saw God heal people.

We also saw God heal and touch people with revelation and faith through a revival in March.

In March, we held a concert with Yuexiu church, and saw visitors come to join us.

Pastor Bert Fledderus prayed for fathers in June, and people were filled then with the Holy Spirit.

We also had two revival in October and saw people healed. In a De-

lives! The Groom and the Bride were amazed at the reactions of their families. They really enjoyed hearing the word of God and the wedding service.

Keep praying for us here in Malta and give all the Glory to God.

Cerro, Havana, Cuba
Potter's House
Pastor Alejandro Fernandez

Greetings from Havana, Cuba. The Lord is moving here in a glorious way.

We have outreaches every week which are giving a lot of fruit on the streets.

We have missionaries who are arriving to our nation. It's a great blessing. The church has been giving help to the missionaries,

Outreach drama in Havana Cuba

Patt Brick, who gave us a new vision to reach the lost with a fresh music style. Many received healing and words from God. Patt's testimony was a powerful inspiration to the church in general. New

able to plant another church in the future. Glory to our God for this miracle!

We had the privilege to have among us the leader of our fellowship in Mexico, Jose Luis Gaxiola, with an average of 118 people attending our services, 44 new visitors and many miracle healings. It was a time of growing in wisdom for the church.

We sent our first church with Pastor Carlos and his wife Ann Yelayne to a near place here in Havana called Santa Fe, where new families are been added to the church.

We had a baptism at the beach with 93 people. Fifteen people were baptized, with others from other churches. We did an outreach there and some answered the call to repentance call and were added to the Santa Fe church.

We are having Biblical studies in a nearby town called Quivicán where we see a continuous growth. We're planning to plant a church there in a short period of time.

We are organizing a place where we can work with the alcoholics and drug addicts, as we have seen how this has been a blessing to many people in our mother church in Russia.

Pray for us to get a bigger place for our meetings. Thanks for your prayers! Keep praying for us and God bless you!

Havana, Cuba congregation during Jose Luis Gaxiola revival

sending impact teams which have reported a lot of fruit to these sister churches with a combination of dramas, songs and testimonies that have let us see people answer the altar call as never before.

The help and strengthening that these missionaries have given to the Cerro Church has been great too.

It has been possible to see the power of God changing the lives of some sisters who came out from prostitution. When they give their testimonies it creates an impact and an interest in people, mostly when they say that God has given them a true family.

We had a visit from Evangelist

people came to the services, many got saved, and we had a good impact those days.

Something really amazing happened to a visitor who had very poor vision (almost blind) and after praying for her she began to read what was on the wall. The second time, she was sent to the back of the church and could read from there, too!

We had a great revival with pastor German Castillo and not only did we see healing miracles and new converts but pastor made a call to sacrifice (because in our nation it is difficult to get a piece of land) and a couple donated land in a nearby province. We will be

Indonesia
Potter's House
Pastor Zak Triono

Myself, my wife Zoe and my two daughters Zylah and Taysia were invited to join a Christian university student team going to minister in the remote island of Saibi in Mentawai. These islands are located south of Nias and south west of

Man on left had not walked for 9 years - healed!
Below, ministry in Saibi, Mentawai Islands.

the mainland island of Sumatra.

The Mentawai islands can only be accessed by boat. We left Jakarta on Wednesday, August 1 and took a plane from Jakarta to Padang in Sumatra.

Early Thursday morning we then took two boats travelling seven hours over the sea to reach Saibi in a storm. It was the hand of God that we reached Saibi safely as we received word of another boat in the area that had sank from the bad weather.

Over the five days we spent each day visiting house-to-house around the village praying for the sick, witnessing and handing out flyers advertising the revival meeting that I had been given permission to preach on Sunday night. We challenged the people to believe in the power of God and come to the revival meeting.

On Sunday evening the presence of God could be felt instantly during the song service. The church building was packed out with approximately 400 people with some still standing outside unable to fit in.

I preached a simple message on being born again just as Jesus said. At the end of the service 300 plus people raised their hands to be saved and came to the front. I led them all in a mass prayer.

We then invited any sick to come forward for healing. We had about 20 people come to the front for healing with three of these being healed instantly from various pain. We also cast out three demons that manifested during prayer for the sick. Two of these were young teenage girls. It was such a joy to see them

leave restored and in their right mind.

We saw many instant miracle healings that even blew my mind. God miraculously healed a 90-year-old man who had been bothered by a demonic spirit and could not walk. After prayer he got up from his bed and walked across the room. God also completely healed a lady who had burning pain in her back and heaviness in her body. She said she felt a heavy burden lifted off and new joy and peace.

One miracle in particular that stood out to me was a man who hadn't walked or even sat up in nine years after having a stroke. We led him in a sinner's prayer and then began to lay hands on him. At first he was able to sit up, we then prayed again and spoke restoration into his leg muscles that had completely shrivelled up. He was then able to shuffle to the end of his mattress, I then said to him, "Ok, now it's time for you to stand and walk." We laid hands on him again and he was able to stand and began to take his first steps in nine years!!

We kept praying for increased strength in his legs and within minutes he was walking around the house by himself with a stick to steady himself. His neighbours and family members were speechless. I was able to pray and lead his family members also in repentance.

The islands throughout Indonesia are ripe unto harvest. Since I first visited Nias back in 2016 I have felt a burden for the lost souls in these remote islands that have been unreached with the message of being born again through salvation in Jesus Christ. They are trapped in dead religion that offers them no hope and no power and they resort to witchcraft and cultural superstitions which then further holds them bound in sin.

Please continue to pray for Indonesia!

Jakarta, West Indonesia
Potter's House
Pastor Alvin Matulesy
Corres: Jakaria Hermawan

God's love is so great for Indonesia, especially in Jakarta-West, where God works through His unexpected ways.

In March we had an impact team from Malaysia. In the concert scene, about 30 new visitors attended, and two people came to repentance,

One morning service, a couple in our church came, bringing their niece. She had throat cancer. She went weekly to Malaysia for radiation treatment. That morning, together with the church we prayed.

Service in Jakarta, Indonesia

Weeks later she came back and testified that she was totally healed.

In June and July we were so excited because God brought back one by one the backsliders and also new souls through revival, music, drama, and outreach.

We're looking forward to what God has for us in the coming months.

Please keep us in prayer.

Kabwe, Zambia
Potter's House
Pastor Chris Marungu

Greetings to all from Kabwe, Zambia.

It has really been an exciting time for me and my wife Eunice. We took over a church that was pioneered by Pastor Larry Elliott and Debbie, and we are just so privileged to come along and step where they left a mark so many years ago.

We stepped right into a time of revival with Pastor Elliott, who came in with one of his disciples. We held outdoor crusades and indoor meetings and men's classes, and street preaching.

Our mother church in Lusaka sent us an impact team that came and labored all day and helped us establish dominion. At the end of the day we had 67 people come to Jesus, and a number of people that got healed that night.

There is such a wonderful air of expectation in the church, people are excited, many volunteering and wanting to get involved. We have a

university campus just a few meters from the church and we have been going in there to outreach. We are seeing fruit out of that. A number of students attend our services regularly, and some of them are asking

if we could start a Bible study on the campus. We are looking forward to all that will come out of that.

Right now we are preparing for our Central Africa Bible Conference, and when we get back from conference we are believing God to step it up and run with it.

Our sincere appreciation to our pastor Jeff Day for the opportunity to come to Kabwe, to his wife Maureen for her exampleship, to all those who regularly lift us up in prayer, and to all our Fellowship leaders who inspire us in so many ways.

We were sent out of Pastor Jeff Day's church in Lusaka, Zambia.

Over the past 10 months we have seen God moving in our church and city. We have been introducing Saturday outreach, midweek services, Midweek Services, Sunday evening services and Monday night movies. In October 2017 during Independence Holiday we showed our first movie, Passion of the Christ, where we saw 78 people responding to an altar call.

We had our first revival in January 2018 with Pastor Christophe Marangu from Chipata. His sermons on prayer and cultivating a generous spirit really stirred up the congregation. We saw a number of people being filled with the Holy Ghost. People come out of these meetings revived, energized and anxious to see what God was going to do for the church in 2018.

Immediately after this revival Pastor started Way of the Master Bible Study to equip the church with ways of sharing the gospel. This was really an exciting time with

Newly baptized saints in Kabwe, Zambia

Kasama, Zambia
Potter's House
Pastor Christopher Nkatya
Corres: Alinje Nkatya

Greetings from Kasama, Zambia. We were launched out of August 2017 Central African Bible conference into Kasama taking over from Pastor Chilufya Mulenga.

people gaining confidence at sharing the Gospel.

In February 2018 we started an eight-week Bible Study Series on the Sacred Tenth, after which we saw new converts and old saints starting to tithe and trust God with their finances. God has so moved in our finances that we have been able to erect walls for our church and hold two more revivals.

In April 2018 we had yet an-

other exciting revival with Pastor Joe Chilima from Lusaka. We had a wonderful time in the Lord with powerful messages and impactful words of knowledge.

One man who had been backslidden for a number of years was invited to this revival by the wife. He rededicated his life, is still in the church and now one of the key disciples. God is rebuilding his marriage.

Lastly in June 2018 we had an impact team from our mother

Mandaluyong City, Philippines
Potter's House
Pastor Alberto Desepida
Corres: Merbz Cruz

Greetings from the church in Mandaluyong City! We are very grateful to God for He has been tremendously moving in the last three months after our last report.

That verse in Ecclesiastes 12:1 that says "to remember now thy

Creator in the days of thy youth..." has been making an impact in our young people as they go out to testify and share the Gospel to everyone. We are blessed by these young disciples rising as they take part

sorbed by the internet, which feeds our flesh and many times hinders us to answer God's call.

Consistently and constantly we are in the field for the harvest. Every Tuesday evening, two groups go out to the nearby areas for street preaching, and another group for the shuttle ministry (free ride for those who are stranded and waiting in the streets during evening rush).

While in transit, we share the Word of God to a captive audience and call them to repent and receive Jesus for salvation. More than 10 passengers every ride is being shared with the Gospel.

Also, it is wonderful to witness that most of the workers are our former Sunday school kids participating in God's works, testifying and preaching in the streets. Truly God is changing lives and equipping us to do His will.

We are also excited to share another great opportunity to serve God in our Campus Ministry at one of the secondary schools in the city, during Thursdays.

Week after week, the number of

Outreach from Kasama, Zambia church

church which was followed by a four-night revival with Pastor Bwile Chongo from Chingola. The impact team really labored, stirring up the city of Kasama where we had some street preaching. We witnessed one-on-one, handing out flyers for the revival and Rap Battle competition.

During this time we had a music concert, followed by a Rap Battle competition where we had over 300 people turn up for this event.

The revival services had powerful timely messages with people being saved and others being filled with the Holy Spirit. Throughout this time we had 158 people giving their lives to Christ.

We continue seeing fruit from all the revivals and impact teams - we have visitors in almost every service.

We are looking forward to all that God has planned for Kasama. We want to thank Pastor Jeff Day for his continual Leadership, prayers and support from the Libala Church.

in fulfilling the Great Commission.

This spirit continues to fire up the men as one of our missionaries in Vietnam, Pastor Remil Cordeiro, ministered in our discipleship meeting last June 8. He preached powerfully that God can create things out of nothing and He is up to something when we say that we are nothing. Certainly, we are nothing without God but God can do something for us if we are all out for Him.

A few weeks later, in another discipleship meeting, we were privileged to have the Evangelist from Guam, Sho Kishimoto, shared God's Word about the addiction to technology and social media. It is very timely as many people are so ab-

School Bible study in Mandaluyong City

high school students attending the Bible study increases. Average attendance each week is 17 to 18. We witness how God touches them, their spirits are stirred, and they are very eager to learn more about Jesus. In addition, another school is waiting for us to start Bible study and we are praying for other schools to respond, but at the same we are seeking God for more workers and disciples to rise up.

Moreover, every Saturday morning, we minister to the children in slums and we just had a recognition day for those kids capped with sports events last July 28. More than 100 children participated, and some parents and guardians showed up. Thank God that they had also heard His Word about how to train up a child.

In the evening of that Saturday, we showed a film entitled “I Can Only Imagine” – a powerful story about forgiveness; how God can bless us and the persons we forgive if we will obey Him. We had six decisions that night for salvation.

Lastly, we praise and thank the Lord for breakthroughs and fruitfulness in the past months. Indeed, youths in the church are now incredibly marching towards the battlefield to reach the lost and unsaved. We are witnessing young men lining up to take up the bases being vacated by those moving up and being sent out.

Keep praying for us as we also pray for you and together we are excited for what God will do in the near future. God bless to all!

Norwich, United Kingdom
Potter's House
Pastor Paul Boddy
Corres: Sam Holt

God is moving in Norwich! This last year has been a breakthrough 12 months, and has been bookmarked as one of the most exciting times since the Norwich Church began in 1984.

In the 2017 UK Bible Conference we launched our 13th couple. Our daughter churches now include 11 works in the UK and two overseas in Stockholm, Sweden and Nanning, China.

Our drama outreaches have continued to be fruitful. In October for the second year in a row we held a Haunted House production. Over four nights we saw 175 visitors with over 80 people saved! This Christmas we performed a nativity play

Outdoor concert at Norwich church

integrated with our church choir and for Easter we put on a production of the Prescott Church’s “Malice in Wonderland” musical take on Alice in Wonderland. Both of these events saw visitors and people responding to the Gospel.

This has been a very busy and exhilarating period for our Evangelist Pat Brick. In our 2017 Harvesters Homecoming our stream of churches sponsored Evangelist Brick on a “Caribbean tour” and in June this year he experienced a powerful work of God as he ministered in Cuba, Trinidad and Guyana. During his visit to these nations over 75 were saved and many people healed, including one elderly lady whose eyesight was completely and miraculously restored!

God has really moved for both our missionary couples this last year. The Bucklands in Stockholm, Sweden have recently changed buildings and we are believing God that their new location will bring greater impact in the near future.

The Mabeys are having major breakthrough in Nanning, China. This year the Nanning Church outgrew their building, and in July Pastor Mabey challenged the congregation to fund their own move to larger premises. This meant they were able to secure a larger building to facilitate the revival they’re experiencing.

Despite the Norwich church being 34 years old, we have never owned our own property. One of the biggest highlights of this year is that in June we successfully purchased a local community centre.

The Church came together to

to host weekly music and drama events, which are already proving to be fruitful. Over the first two months we’ve already experienced 30 people praying for salvation. The church is excited to have a permanent home for our outreach and youth activities.

We give God all the praise for what he has done this past year. We continue to hold fast to the promises of God, and we look forward with expectancy to all that He has in store for us, and the latter rain harvest that is to come.

Phoenix, South Africa
Potter's House
Pastor Vikash Juggai
Corres: Rajesh Lazarus

Greetings from the Hannaford Church in Phoenix, South Africa. 2018 began with great promise of God’s faithfulness to our church.

South Africans have faced many challenges politically and economically this year but the church has remained confident in our Lord Jesus Christ.

The demand for many households to see men rise up as priests in their own homes has been a constant struggle yet our unrelenting passion to hold monthly Men’s discipleship meetings has helped refocus the Godly plan for His sons.

Men’s Rally at Eldorado Park Church this year was very exciting as many young men also joined us. We heard Pastor Ron Banet, Pastor

renovate the centre, and it has now become our ONE80 building. Over the summer we’ve begun

Robert Polaco, Pastor Steve Acres and an unforgettable, mind blowing sermon from Pastor Andy Anderson who began to preach to a room that quickly became pin drop silent. Tackling profound topics like pornography and mindsets we were quickly onto a better path.

We were blessed to have many awesome men of God minister revival for us at our Hannaford church in Phoenix. Pastor Naman Struck kicked off our year. We were glad to also host Pastor Fabian, Pastor John McCarthy and Pastor Ron Banet all who preached at well attended meetings. Many who had responded saw miracles and deliverance take place through these meetings.

Seventy-two individuals heeded the call to make Christ their Saviour this year. Not only did new converts come in but our church was challenged to rededicate their own lives to our heavenly Father.

In May we took to the streets for our Durban Rally, many were preached to and prayed with. Joined by our area churches we proved to be a formidable force preaching Christ to all we met.

Saturday morning outreaches have been challenging but God has shown favour as we preach the streets of Phoenix. We press on as our hunger to reach the lost has caused us to host an evening outreach also. Our congregation grows steadily as more lock into our Bible studies, and Friday night Crossroads Ministry.

Our concert ministry grew exponentially as we hosted regular concerts at our own church. We did the same at our sister churches in Umlazi (Pastor Mhlengi) and Pietermaritzburg (Pastor Mark Green). All funds collected from these meetings helped both these churches purchase instruments and much needed items to enable them to host their very own concerts.

Our own Pastor Vickash has been busy preaching revivals at our sister churches in Bloemfontein and Kimberley. His faithfulness to the ministry has caused a stirring in the lives of our congregation as our meetings

grow in numbers.

A young couple from within our church, Clive and Vanitha Kuppusamy were also launched out into the Mt Edgecombe area. This area is a dynamic mix of cultures and religions. All barriers prove challenging for this young couple as they seek property in the area. They have started a home care study in Mt Edgecombe and have seen the hand of God move in the very lives of those who attend. Many lives have been touched as their own faith also grows. We consistently uphold them in prayer as we believe God to make a way for them.

God is alive in the hearts of those who seek Him earnestly and we at the Hannaford, Phoenix church bear the testimony of His works. God bless.

Greetings from Plettenberg Bay, South Africa.

We were blessed with a more stable building at Formosa Primary school. It's a building separate from the school, but on same premises with our own entrance. We applied three times in the past for this building without any success. We used a community hall if available, but due to riots that broke out, we had to move to another community hall in a more central area. The community also tried to burn the hall down.

We kept on praying and trusted God for favour. On July 30, I was looking for another venue for our next service and received a phone call from the principal who said I must come and see him urgently. I went there immediately and he said we can have the building and we can move in on August 1.

On July 31 we signed the contract. I put on a safety gate to secure the building and they said we do not have to pay rent for the first four months. I was so overwhelmed.

We had our first midweek service on August 1. On Friday August 10 we had our first movie outreach and 36 people attended. Eight got saved and 12 recommitted. God is really good and faithful!

Saints in Plettenberg Bay, South Africa's new building

Hello from Saskatoon, SK, Canada!

My name is Derrick Claushee and my wife Audrey and our two children have been pastoring here for almost one year.

We have been having regular services since last January and have a number of families coming to church.

The families come from diverse backgrounds. We have First Nations, Canadians, and Filipinos who have been locking into the church. This past month, we had one of the Filipino families dedicate their child in a baby dedication service. It was one of our largest attended services with 34 people. I challenged the whole church to be Godly examples for their children and grandchildren.

The First Nations families that have been attending have been very open to the Gospel and are willing to find out what God has for them. They have been inviting friends and family to church for prayer and for desperately needed counsel. They remind us a lot of our own Navajo

Services in Saskatchewan, Canada church

people.

The Canadian churches have been very helpful getting us started here. They have helped us take in this new country that is foreign to us, and we thank them all for that. They have invited their family and friends who live here in Saskatoon to our church. We so appreciate them for their faithful labor. There is much to work with and much to look forward to in this exciting new pioneer church.

We would like to thank Pastor Mitchell and the Prescott Church for all your support and prayers. Thank you Pastor Artie and Sandra Aragon for your faith and trust in us to start a church in Canada. And lastly, thank you to the Chinle Church for your commitment to reaching the nations beyond our own. God Bless.

Toluca, Mexico
Potter's House
Pastor Jorge Zarate

Greetings from Toluca! Toluca is a Mexican city, capital of the State of Mexico and has 873,536 inhabitants. It is primarily an industrial city, a suburb with Metepec, one of the country's richest municipalities.

Toluca's tourist attractions are several due to the great cultural and artistic heritage that has managed to keep alive the union of Spanish and indigenous culture. It highlights its traditional portals, the Cosmovital botanical garden, the Nevado de Toluca and multiple parks, muse-

ums and cultural centers.

We have been preaching the Gospel here for three years.

Men and women are taking challenges and decisions to form part of the people of God. But they are also being called to announce the virtues of Christ.

We have worked hard in music concerts and theater, crusades of miracles and revivals with different preachers. This has resulted in a

Toluca, Mexico congregation

church with 35 congregants and we are praying that God will continue to give grace and favor in his work.

Pray for the city of Toluca, Mexico.

Walthamstow, UK
Potter's House
Pastor Nigel Brown
Corres: Russell Sealey

Greetings from Walthamstow. Over the last few months we have seen God move powerfully in our congregation and our community.

In June we had a Romanian night. Some of our Romanian disciples led this outreach and we saw around 60 visitors and 25 people saved throughout the day.

This was followed by a traditional Romanian BBQ and was a great time of fellowship for the church

and our Romanian visitors.

Moving forward to August, we held an event called "Culture Clash." On the day of the concert, we held an outreach in the Walthamstow Market square. We set up various stalls in which members of the church were able to represent their country with flags and different traditional snacks.

This outreach gave the opportunity for many church members, both new converts and older saints, to be thoroughly involved. It also allowed the community to see the diversity of our church. That night we had the concert which included music in various languages from around the world. We saw many visitors

come out and saw 10 people saved that night. Some of the people returned for church the next day.

We have been contending for true conversions and we are seeing God move.

We believe in

the vision of world evangelism and in such a diverse city, we aim to fulfil this, beginning in our own community.

Willetton, Perth, West Australia
Potter's House
Pastor Paul Graham
Corres: Fiona Goodlet

Greetings from Potters House Willetton, Perth, Western Australia.

In December 2016 we had just moved into our new building and began remodeling, when on Christmas day, we heard the devastating news that the nine-year-old son of one of our fruitful couples pioneering in Brisbane, Australia, had been killed on Christmas night by a drunk driver. It made news all over Australia.

Many people who had known this

Heaven's Gates/Hell's Flames play in Willetton

precious family felt the deep sense of pain and grief that shook their faith and the faith of the Willetton saints.

From that point our church began to push back and engage the enemy with our prayers, specific sermons preached by our pastor and with all of us standing together firm in our faith to come against the strategies of the enemy. This battle is not of flesh and blood! We began to believe God, and during a revival with Yaw Osei Bobie from the U.K. we saw God powerfully break through for us!

Over the last few months we have seen young families from many nations responding to the Gospel. This Easter we presented a very multicultural drama, Heaven Gates & Hells Flames, with the cast members being from Philippines, Indonesia, Burma, China, Kenya, Zambia and Zimbabwe. It was an awesome time with many first time visitors more than 20 people responding to this powerful presentation of the reality of Heaven or Hell.

At the end of April we had a stand-out regular Sunday with more than eight first time people visiting and two people saved with more returning that night.

We thank God for what he is doing here in Willetton and the favour we have been experiencing over the last four months.

We thank God that he can turn the tragedy of the last year into triumph. Additionally, the couple who lost their little boy in the accident

has since been blessed with a brand new baby boy!

We thank Pastor Mitchell, the awesome Prescott Church and all the faithful brethren of our fellowship that minister throughout the world. God Bless you all!

Typically the average attendance is 45 every Tuesday night.

The Vision Extreme youth ministry is also having a definite the impact on our island. Weekly outreaches, youth rallies, revivals and special events are seeing many young people come to Jesus and lock into the church. This new blood is the kind of thing we need to see on a regular basis until Jesus comes back. This ministry, as well, will see 30 to 40 young people saved on every outreach.

This past June's Bible conference was absolutely the best yet! One reason for that is that Pastor Wayman Mitchell was our main keynote speaker. Pastor Mitchell has been preaching our healing crusade for over 25 years. However this was the first time he was able to preach for our Bible conference. The impact he

Ha f a
A d a i.
God is sovereignly moving on Guam.

We have had tremendous fruitfulness these last few months, not only with special events but also with our weekly ministries.

In late May, Pastor Maurice Quartiero returned with the Heaven's Gates and Hells Flames drama. Every time we do this play it is a little different which keeps it fresh and relevant.

This year the multimedia was updated and done in a first class way. Literally hundreds of people were saved, and we are blessed to see some of them still coming. This year we were able to partner with Saipan and the Philippines. All in all nearly 1000 people responded in all the locations it was performed.

Our jail ministry is exploding. So many men have joined this ministry, that it has to be split up into two teams. It is a rare thing to see less than 20 men respond to the Gospel.

Pastor Wayman Mitchell ministers in Guam

has had on our church is indescribable.

Packia Raj was also able to join us from India and his sermons were life changing. We were thrilled to be able to announce Victor and Sabrina Borja into Phnom Penh, Cambodia as well as excellent young couples into the island of Ebeye, Marshall Islands, Tenowas Chuuk and Penia Chuuk.

What an amazing opportunity we have that out of this little island we are able to literally touch the world for Jesus.

Thanks again to this great fellowship, Pastor Mitchell as well as Pastor Greg and sister Lisa for all your prayers love and support as we link hearts and hands to accomplish all that God has for us.

Holy Ghost landslide, from page 4

diately lock in.

"It took four or five services for me. I was hard core. I didn't just say 'Wow, this is it!' My sister-in-law Ione was a wonderful cook, and I admit I kept going to get a nice lunch every Sunday!"

Sister Nelda Mitchell took even longer. "She had a strong will," Pastor Mitchell said. "She responded to the Gospel the same time I did but she wasn't really into it. She still smoked when we went to Bible school!"

But several months later, Pastor Mitchell was listening one day to Pentecostal Preacher Oral Roberts.

"I felt this strange feeling. God was dealing with me. I don't even know what he was preaching about. But we went to church that morning and I responded to the message. A man came up and laid his hand on me and prayed. I heard a rushing sound. I thought someone left the door open. I didn't have a clue what was happening."

What was happening was that a small town young man from Prescott, Arizona was being filled with the Holy Ghost in a big way.

He was "drunk" in the Spirit for more than 30 minutes, and as people were leaving church that day, they left him at the altar and asked

the Mitchells to close the door when they left.

"I was absolutely, powerfully baptized in the Holy Spirit. From then on, that locked me in," Pastor Mitchell said.

Fast forward to 2018 - through several small pastorates, finally landing in Prescott, Arizona to take over a little church reeling from the moral failure of its pastor, through more devastating personal losses and betrayals, and more attacks of the Devil than it seemed anyone could bear.

But Wayman and Nelda Mitchell had gotten truly saved and filled with the Holy Ghost, and that sustained them. They found their joy in seeing souls saved and changed by the blood of Jesus Christ.

What has emerged in Prescott is a disciple-making powerhouse that has touched the world, at last count nearly 2,600 Fellowship churches worldwide and growing exponentially.

All of this came from one man and his wife who obeyed God and shared the Gospel, giving of themselves in testimony, finances and hospitality to help another couple devastated by loss.

The amazing part is that it seems George Mitchell never really grasped what God had done through his simple

obedience to the Great Commission.

"Greg (Pastor Greg Mitchell) tried to tell him," Pastor Mitchell said. "He didn't have a clue the impact that witness made on the world."

Greg Mitchell summed it up in a recent sermon, "Ode to George."

He attended his uncle's funeral, where there were less than 40 people, mostly family members.

"But the incredible impact is that George and Ione, at a crucial moment when my parents' hearts were broken over the death of their daughter, told them about Jesus, and said, 'Why don't you come to church?' They came in, bowed their knee, and experienced conversion," Greg said.

"One day, I asked George, 'Do you understand that people all over the world are saved today because you brought your brother and sister-in-law to church and witnessed to them?' He could not understand. He just smiled and said, 'Well, we all play our part.'"

Greg maintains that George Mitchell will one day be immensely surprised at the number of people who will want to come and say, "Thank you."

"This quiet man and his quiet wife brought my parents, and the impact goes on.

"That is what we all can do."

Annual Oceanside, California crusade sees 70 saved, 31 healed

Prescott sent our own Pastor Wayman Mitchell and an impact team of 40 people to support the annual Oceanside crusade with Pastor Tim Moynihan in August. During the crusade, in which 31 churches and 22 music groups participated, 70 people gave their lives to Jesus Christ. and 31 received recorded miracle healings - deaf ears opened, broken bones mended and tumors disappeared! Thank God for His faithfulness to save and heal!

A new season: Prescott church gathers to break ground for remodeled building and new conference center

The long awaited groundbreaking for the Prescott Church's remodeled building and new conference center happened right after Summer Conference. If all goes as planned, this was the last summer conference in the tents. We expect to have one more conference in the tent, and then be in the new Center by July 2019 conference. We heard annointed music from the Prescott Choir, testimonies from longtime saints, and remarks from our pastors during the groundbreaking, building our excitement for the future! Pray for good weather and favor with builders so we can move into this much needed expansion and see what God will do!

Janet Foley was one of the first teens saved in the Prescott revival

Louie Paulino was saved early on with Jeff Day and Tom Payne. God has greatly used all three

Pastor Greg Mitchell, grew up in the church, got saved, and is now our much loved and annointed Associate Pastor

Church council and pastors: the actual groundbreaking, an exciting moment for the Prescott congregation!

Pastor Greg and Pastor Wayman Mitchell

Perth, West Australia saints gather to remember during church's 40th anniversary

This past March Conference 2018 the Perth Potters House Church had the privilege to celebrate our 40th Anniversary since we opened our first Fellowship Church in Australia. We thought it would be fitting to organise a gathering of the Mount Lawley saints and their spouses. We took time to remember what God did in those years and to express gratitude to God and Pastor Mitchell for the vision that impacted our lives and our nation and so many others since then. Left is the Mount Lawley building where Pastor and Sister Mitchell came to take over that congregation in 1981 and top, some of the remnant from back in those days. Thank you Prescott!

Prescott Children's Workers Conference

February 28 and March 1-2, 2019

"Foundation of the Faith – Putting Your Children's Church on the Solid Rock"

For no other foundation can anyone lay than that which is laid, which is Jesus Christ. I Corinthians 3:12 NKJV

**The Potter's House Christian Fellowship Church
5195 North Highway 89
Prescott, AZ 86301**
