

● **INTRODUCE:**

- **DESCRIBE** the activity you're about to do.
- Have them **EXPLAIN** a similar activity like the one you're about to do.
- Have them **PREDICT** what will happen during the activity/experience.
- **ASK** what they're interested in or would like to do during the activity.

●● **INTERACT:**

- **ASK QUESTIONS** Who, What, Where, Why, When, and How?
 - **GIVE HINTS** to help them come up with an answer.
 - **REPEAT** what they say and build upon it.
- **INCORPORATE** past knowledge they may already have while incorporating **NEW** words and/or concepts.

●●● **INTEGRATE:**

- **RECOUNT** what is was you did together.
- Have them tell you what they **REMEMBER** from the experience.
 - Always **FOCUS** your questions on their interests.
- use the environment around you and **CONNECT** it to the activity.
