How do we make the car go faster?

Making the car go faster

**Diversity
advantage**

Openness

**Cultural
literacy**

Making the car go faster: what are these ideas and why do they matter?

Diversity advantage...
the idea that our diversity is an advantage that enhances and enriches everything in our sphere.

Making the car go faster: what are these ideas and why do they matter?

Openness... the idea that the more open we are, the better we are able to cope with and accept porosity of ideas, beliefs and ways of behaviour.

Making the car go faster: what are these ideas and why do they matter?

Cultural literacy...
the ability
correctly to read
situations, signs,
artefacts and
symbols of
communicating.
