**STATEMENT OF ALAN MARCUVITZ
Attorney for the Village of Mount Pleasant**

Mount Pleasant, Wis. – May 4, 2018 – The following statement was issued today by Alan Marcuvitz, one of the attorneys for the Village of Mount Pleasant, regarding the decision issued granting the Village’s Motion to Dismiss the lawsuit (Case No. 18-C-0046) filed against the Village earlier this year in the U.S. District Court in Eastern Wisconsin:

We are pleased with the Court’s decision, which dismissed the lawsuit brought earlier this year. While the lawsuit has had no impact on the progress of the development, we are pleased to have this matter resolved.

As it has since the beginning of this process, the Village will continue its efforts to acquire all property needed for the Foxconn development through voluntary agreements with property owners. To-date, that approach has enabled the Village to acquire 100% of the land in the core section of Area 1, as well as 80% of the land in the entire project area – Areas 1, 2 and 3 – all through voluntary agreement with property owners.
