RE: Serial Number: 75/497015

The assigned examining attorney has reviewed the referenced application and determined the following.

PRIOR PENDING APPLICATION

Although the examining attorney has searched the Office records and has found no similar *registered* mark which would bar registration under Trademark Act Section 2(d), 15 U.S.C. Section 1052(d), the examining attorney encloses information regarding pending Application Serial No. 75-010311. 37 C.F.R. Section 2.83.

There may be a likelihood of confusion between the applicant's mark and the mark in the above noted application under Section 2(d) of the Act. The filing date of the referenced application precedes the applicant's filing date. If the earlier-filed application matures into a registration, the examining attorney may refuse registration under Section 2(d).

Action on this application will be suspended pending the disposition of Application Serial No. 75-010311, upon receipt of the applicant's response resolving the following informalities.

Identification of Goods

The identification of goods is not clear from the present wording. TMEP section 804. The applicant may adopt the following, specifying information where indicated, if applicable:

Class 9: pre-recorded phonograph records, cassettes and compact discs featuring (specify subject matter, e.g., music).

Lining/Stippling Statement

The lining and stippling in the drawing appears to be for shading purposes only. The applicant must insert a statement to that effect. 37 C.F.R. Section 2.35; TMEP section 807.06(d).

Claim of Ownership

Please note, the applicant claimed ownership of U.S. Registration No. 1442039. The Office's records indicate that said registration was cancelled December 13, 1993. See attached.

If the applicant has any questions or needs assistance in responding to this Office action, please telephone the assigned examining attorney.

TREACHEROUS LOVE
One of the first people
leftmost Hitler meets on
Earth is Mary Schreck,
once a bright young girl
with high goals and
hopes, now fallen to
drug addiction and
prostitution through her
involvement with psy-
chiatry and psychology.
Hitler is perplexed by
drugs and their devastat-
ing effect on people. This
is Mary's story, an elegy
on the seductive and
fatal lure of heroin.

TEACH ME
Before leaving for Earth, a farewell party is held for Heller and Gris at Voltaire's famous Artistic Club in Joy City. The highlight of the evening's entertainment is this sultry ballad of love.

SIDE TWO
CRY OUT
(HARVEST SONG OF THE PROTESTERS)
A Volkan survey shows Earth is destroying itself at a rate that will make the planet too polluted to be safely inhabited. To stop this self-destruction, planetary healer is sent to Mission Earth. He finds that it is the very nice people, and does not deserve to die. Why? Healer's mission is fiction. "Cry Out" isn't. It dramatically captures the protest and the emotions of those who are working and seeking to arrest the destruction of planet Earth by pollution and deforestation. It is a rallying song for all who care.

JUST A KID
 Jettaro Heller is a combat engineer, twenty-five years old on *Voltz*, and a much-decorated veteran of countless combat missions. But Volturnan years aren't Earth years; on Earth Heller is perceived as being only about seventeen. And so to the friends—and enemies—that he makes on Earth, he is almost universally thought of as "just a kid." For more than a few people, that turns out to be a very crucial mistake.

THE SPACER'S LOT
Solban Girl, the narrator of the story, absolutely hates space, and casts a suspicious eye on everyone who travels in it. He says it best himself, upon entering a star-bound ship on Volter and hearing this song being sung: "Spacers, I have always maintained, are not normal people. They were beginning a song that echoed down as though sung in a tomb!"
