(hereafter referred to as "Proprietor")

and

Bridge Publications Inc, 1414 N. Catalina Street, Los Angeles, California, 90029.

(hereafter referred to as "Publisher")

regarding the ten books of "MISSION EARTH" entitled:

- VOLUME II. BLACK GENESIS, FORTRESS OF EVIL
- VOLUME III. THE ENEMY WITHIN
- VOLUME IV. AN ALIEN AFFAIR
- VOLUME V. FORTUNE OF FEAR
- VOLUME VI. DEATH QUEST
- VOLUME VII. VOYAGE OF VENGEANCE
- VOLUME VIII. DISASTER
- VOLUME IX. VILLAINY VICTORIOUS
- VOLUME X. THE DOOMED PLANET

(hereafter referred to as the "Work".)

THE PARTIES AGREE as follows:

1. GRANT OF RIGHTS:

Subject to the terms and conditions of this Agreement, Proprietor hereby grants Publisher for a term of seven (7) years (from the date hereof) the exclusive right to "publish" (i.e., print, publish and sell) the Work in hardbound and paperback form in the following countries and languages:

Countries: United States and Canada

Language: English

2. PROPRIETOR APPROVAL OF ABRIDGED VERSIONS:

Publisher shall not publish any condensed or abridged versions, selections, condensations or abridgements in anthologies, textbook editions, book digests or in newspapers or magazines, except as provided in this Agreement.

3. PUBLISHER'S WARRANTY:

The Publisher shall, unless prevented by war, strikes, lockouts or other circumstances beyond its control:

A) Use its best efforts to produce, publish and distribute within the Countries:

i) The Work as a 10 volume hardcover series with the first volume of said series to be released by 30 November 1985 with subsequent volumes to be released over a period not to exceed three (3) years.

ii) The Work as a 10 volume paperback series which such series shall be released over a period not to exceed three (3) years.

It is further agreed that, notwithstanding paragraph 14D, all rights in and to the Work shall forthwith revert whole and unencumbered to Proprietor automatically in the event that such timely publication of each volume does not occur; and that Proprietor shall be entitled to retain any monies paid pursuant to paragraph 9F in the event of such reversion.

B) Use its best efforts to sell and promote the sale of copies of the Work and in connection therewith Publisher agrees to spend on advertising, promotion and publicity for each volume of the Work, whether, hardcover or paperback, the minimum sum equivalent to five (5) % of the retail price of each copy printed within six (6) months of each printing.

C) Publisher acknowledges that the Work is a 10 volume sequel and will be released as ten separate books. Publisher further agrees to undertake in all promotion and advertising to refer to the Work as MISSION EARTH plus its volume name.

4. CHANGES IN THE WORK:

No one except Proprietor may make any change in the Work or titles. Advertising or other materials may not be inserted or printed in the Work without Proprietor's prior written consent and such consent may be withheld in Proprietor's sole discretion. The preceding sentence shall not apply to advertising by Publisher which promotes the sale by Publisher of the Work.

5. PROPRIETOR'S WARRANTIES AND INDEMNITY:

A) Proprietor represents and warrants that:

i) He is the sole owner of the Work, which Work is an original literary work by L. Ron Hubbard and he now owns and controls all rights granted hereunder free of liens or encumbrances, and has full power to execute this Agreement;

ii) The Work does not, to the best of Proprietor's knowledge, infringe statutory copyrights or common law literary rights of others and to the best of his knowledge, does not violate the right of privacy of, or libel, other persons.

B) Proprietor agrees to indemnify and hold the Publisher harmless from any final judgment for damages against it (after all appeals have been taken) in any action arising out of facts which constitute a breach of the foregoing warranties and against reasonable costs and attorneys' fees incurred by it in defending an action in which such judgement is recovered. It is understood and agreed, however, that this indemnity does not apply to any material in the Work which Publisher could have determined, from a reading of the Work, violated any rights specified in subparagraph A(ii) above.

C. Publisher shall give Proprietor prompt notice of any lawsuit or claim alleging facts which would constitute a breach of the warranties in subparagraph A. Proprietor, if he chooses, may defend such suit with counsel of his own choosing and at his own expense; provided that if he does, Publisher may participate in the defense with counsel of its choosing (and at its own expense subparagraph B notwithstanding).

6. PUBLISHING FORMAT:

The format, style and composition of the text, graphic material and captions of each volume of each edition of the Work, including cover and dust jacket, shall be determined by Publisher subject to Proprietor's written approval which shall not be unreasonably withheld.

7. ADVERTISING:

Proprietor shall have the right to cause material to be inserted within each copy of the Work published, which material advertises literary, theatrical or musical works of the Proprietor but not published by Publisher. Any inquiries concerning such works shall be referred to Proprietor.

8. COPYRIGHTS:

Publisher shall promptly secure in the name of L. Ron Hubbard Library each copyright available for each of Publisher's editions of the Work. Each copyright at all times shall be the property of Proprietor alone. Each copy of the Work published by Publisher shall contain whatever copyright notice is necessary to secure and retain Proprietor's copyright on that edition of the Work, including the name of L. Ron Hubbard Library and a statement to the effect that all rights are reserved throughout the world. This paragraph is an integral part of this Agreement and the paragraph 1 publishing grant is conditioned on the printing of the correct copyright notices. Any violation of this paragraph shall be deemed conclusively to be a material breach of contract.

9. ROYALTIES:

In consideration of the rights granted to Publisher hereunder, Publisher shall pay Proprietor the following royalties calculated on Publisher's suggested retail list price (excluding turnover taxes or similar sales taxes) per copy on gross sales less returns.

A. On hardbound editions (each volume to be regarded as a different edition) of the Work, the royalty shall be at the rate of fifteen percent (15%) on all copies sold by the Publisher.

B. On trade paperback editions (each volume to be regarded as a different edition) of the Work, the royalty shall be at the rate of eight percent (8%) on all copies sold by the Publisher.

C. On paperback editions (each volume to be regarded as a different edition) of the Work, the royalty shall be at the rate

by a third party to compensate both Proprietor and Publisher), the royalty payable to Proprietor shall be 50 % of that received by the Publisher but in no event less than 10% of the price upon which royalties are calculated.

E. The right to sell or license the Work to users such as libraries on a royalty basis: 75% to Proprietor, 25% to Publisher.

From January 1 through June 30;

From July 1 through December 31.

Moreover, it is agreed that if any proceeding is brought in connection with this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees and costs as part of the arbitration award. Finally, it is agreed that in the event of arbitration each party hereto shall have the right to conduct reasonable discovery pursuant to the provisions of California State laws of civil procedure as presently or hereafter constituted, pursuant to all rules of court applicable to discovery in civil actions before the trial court having original jurisdiction, as said rules presently or hereafter may be constituted, and pursuant to any and all provisions of law and court rules not presently existing which shall in the future come to exist in place or in augmentation of all or any of said laws and/or rules of court.

Pending a satisfactory explanation as to the other party requested above, the Examining Attorney refuses registration because the Applicant is not the owner of the mark. Trademark Act Section 1, 15 U.S.C. Section 1051 (1986). Only the owner of a mark may apply to register the mark.

If a license agreement exists, the Applicant must either (1) submit copies of the title and signature page and the portions relevant to Applicant's control over the nature and quality of the goods or (2) an explanation summarizing the method of control identifying the date of and the parties to the agreement. TMEP section 1201.08(a).

The identification of goods clause should be amended by deleting the word "a ten-volume; since this language is unnecessary to completely identify the goods.

The Examining Attorney has searched the Office records and has found no similar registered or pending mark which would bar registration under Trademark Act Section 2(d), 15 U.S.C. Section 1052(d) (1986). TMEP section 1105.01.

MISSION EARTH
VOLUME 1
THE INVADERS PLAN
BY
L. RON HUBBARD

From Lord Invay, Royal Historian,
Chairman, Board of Censors,
Royal Palace, Voltar Confederacy:

"Let me state it boldly and baldly: there is no such planet as 'Earth'."

"If it ever existed at all, it certainly does not exist today or even within living memory."

"So, away with this delusion."

"On the authority of every highly placed official in the land I can assure you utterly and finally, THERE IS NO PLANET EARTH! And that is final!"

With this emphatic disclaimer, we are introduced to *MISSION EARTH*, an epic told entirely and uniquely by the aliens that already walk among us. Earth is to be invaded and a Royal combat engineer must cross 22 light years to secretly infiltrate the planet. He is also crossing a scheme to use the resources of Earth's most powerful figure to overthrow the confederacy.

With a convicted murderer who trains giant cat-like animals, a doctor who creates human biological freaks, a madman who controls Voltar's secret police and a clan-destine Earth base in Turkey, a bizarre stage is set and narrated by an alien killer assigned to sabotage the mission and Earth—the planet that doesn't exist.

THE ENEMY WITHIN
BY
L. RON HUBBARD

Will the Galactic fate of Earth be determined by a mafia family run by a six-foot-six former Rocky chorus girl?

Can Voltairean Fleet officer Jettaro Heller accomplish his secret mission while living at the posh Gracious Palmes whorehouse across the street from the United Nations?

Is a Nature Appreciation class at a New York university really the way to stop the devastation planned by the 110-planet Voltarian confederacy?

What does a bubble bath, a NATO task force off the shores of Manhattan, Rudolf Valentino, James Cagney, a Turkish belly dancer, Connecticut deputy sheriff, the last surviving member of Hitler's general staff, and a Long Island demolition derby have to do with the survival of Earth?

How does a planet get itself into such a ridiculous predicament?

Earth is in the path of conquest of the most powerful empire in the galaxy. Combat engineer Heller has been sent to secretly arrest the pollution to make the planet inhabitable for the coming Voltarian invaders.

Narrated by the alien killer sent to secretly sabotage Heller's mission, *The Enemy Within* is rollicking, high-speed adventure with the most bizarre collection of incidents and characters to hit this corner of the galaxy.

MISSION EARTH VOLUME 7 VOYAGE OF VENGEANCE L. RON HUBBARD

I leaned out of the helicopter door, wind whipping me from the blades, to yell at Madison to stop.

I fired my gun to attract attention.

That did it! Madison saw us. He only had about a thousand feet to go with the dock ahead of him.

The pilot put Raht right beside Madison.

Raht grabbed the man by the arm.

Up went the pilot.

The vehicle was shooting forward — IT WENT OFF THE END OF THE PIER!

Allen killer Soltan Gris rescues J. Walter Madman from certain death at the hands of the beautiful, deadly Countess Krak, and embarks on a VOYAGE OF VENGEANCE, covering half the globe on his multimillion-dollar yacht.

A trained cat kidnaps the infamous Whiz Kid on national television.

Grotesque aliens plot air piracy, using advanced technology from an extraterrestrial civilization.

Apparatus assassins conspire to destroy Fleet Combat Engineer Jettro Heller and sabotage his mission to save Earth from drowning in its own environmental pollution.

Will Heller and Krak survive? How does assassin Soltan Gris deal with a teenage nymphomaniac and a crazed FBI genius?

Find out in VOYAGE OF VENGEANCE, Volume 7 of the action-packed MISSION EARTH dekalogy.

VILLAINY VICTORIOUS

"Once more," said Ray, "I am going to ask you politely and then we will really get to work on you. Where has this base crew gone?"

"I DON'T KNOW!" screamed Boltz.

"Hit him!" said the colonel.

It was the last order he ever issued in this life.

The blow hit the button remote in Boltz's pocket.

There was a searing flash throughout the hangar!

The Death Battalion, the warship, the Blix, the crew, Captain Boltz and Oh Dear glowed, suddenly outlined in incandescence. They shifted color upward from red to yellow to violet. They went black. They turned to silica, momentarily holding shape, then they became molten glass.

The Death Battalion, sent by Apparatus Chief Lombor Hest to take control on Earth, was gone.

But had Heller, the Countess Krak, and the dying Emperor of Voltar survived?

The insane Lombor Hest, out of control on Voltar, holds the fate of Earth and the entire Voltar Confederacy in his clenching hands.

Here is truly Villainy Victorious, the ninth, heart-stopping volume in L. Ron Hubbard's best-selling dekalogy.

MISSION EARTH
VOLUME 5
FORTUNE OF FEAR
BY
L. RON HUBBARD

The Countess Krak has arrived on Earth, and the planet—not to mention Atlantic City—will never be the same again.

She is the most beautiful, the most deadly and certainly the most feared woman in the 110-planet Voltarian Empire.

Her only equal is her lover, Royal combat engineer Jettaro Heller, whose mission is to keep Earth from destroying itself long enough to be invaded by the Empire.

Their mortal enemy is Soltan Gris, the Voltarian Apparatus killer sent to sabotage Heller's mission.

The presence of Heller, Gris and the Countess Krak is enough to threaten the future of any planet, but the sudden arrival from Voltar of over \$250 million in gold may be the death blow for Earth.

FORTUNE OF FEAR blazes an explosive trail of action from the secret Apparatus base in Turkey across the Mediterranean, through Swiss banks into a mafia-controlled casino, as two alien forces struggle to determine not only the fate of Planet Earth but the control of the entire galactic Empire as well.

At the same time, the lure of high fashion, the power of a Squeeze credit card and an army of mounted outlaw highwaymen in the streets of New York City may well derail everyone's plans in this fifth exciting volume of L. Ron Hubbard's acclaimed, best-selling adventure-epic — MISSION EARTH.

MISSION EARTH
VOLUME 10
THE DOOMED PLANET
BY
L. RON HUBBARD

Whoom!

The tank, containing Lombar Hissat, was thrown backwards fifty yards in a breath!

Men and huts and buildings were flying through the air as though propelled by the most monstrous hurricane that ever hit a planet's back.

A hundred thousand rebel troops under Prince Mortlyr fell upon the rebel Apparatus troop surges. There was no quarter given.

Lombar Hissat lay in the cabin of the tank. The vehicle was upside down. Apparently they had raised, somehow, the fact that he was there.

Lombar Hissat escaped to planet Palace City in a hundred and twenty-five thousand years had never been breached.

Lombar flipped the tank upright and held the throats still. In a crazy surge of glee, he flipped on the tank's loud-failer system and bellowed: "You idiots. I'll laugh in the faces of your corpses when you try to crack the gates of Palace City. COME AND GET ME!"

Will Hissat escape into Palace City and successfully defy Jettaro Heller and Prince Mortlyr's invasion forces? Will the Army and Fleet remain aloof from the fight between Hissat and Heller and, thus, endanger the invasion and overthrow of Hissat?

And what about J. Walter Madison? Will his "PFI" efforts finally doom Earth to invasion despite all Jettaro Heller's efforts to protect his friends back on Earth?

Find out the answers to these questions, and more, in this exciting, fiery concluding volume of L. Ron Hubbard's best-selling epic *MISSION EARTH*.
